

Student Health Insurance Program

How Does Insurance Work Here?

- In the USA, medical expenses are very costly and without medical insurance, you can owe exorbitant amounts for healthcare.
- The SUNY International Health Insurance Plan will help pay for medical bills that you will incur when you go to the doctor, hospital, or pick up prescription medication.

How Do I Enroll?

- This insurance policy is mandatory and is included in your SUNY tuition fees for your protection.
- This plan includes:
 - Preventative (Wellness) Care and Sickness/Injury Coverage
 - Medical, Security, Political, and Natural Disaster Evacuation/Repatriation
- Coverage is available voluntarily for your spouse and for your child(ren)

What Does This Plan Cover?

- Preventative Care
- Primary Care Office Visits
- Urgent Care Visits
- Emergency Care
- Inpatient/Outpatient Hospital Care

What Is My Out of Pocket Expense?

- **Deductible** – The amount you must pay annually before the insurance kicks in. *The deductible for this policy is \$100 for in-network care when you are seen outside of the student health center.*
- **Coinsurance** – The cost you are required to pay each provider. *The coinsurance amount for this policy is 0% for in-network care.*
- **Co-Pay** – A fixed amount you pay directly to the provider at the time of service. *This amount varies depending on the type of covered service.*
- **In-Network** – Group of providers you must go to for the most cost-effective pricing.

Please see video [here](#) for explanation of common insurance terminology
