

OFFICE OF RESEARCH
SUNY POLYTECHNIC INSTITUTE

WOMEN in STEM

The event will include alumnae from the College of Nanoscale Science & Engineering (CNSE) who will share some insight on becoming and working as scientists and engineers.

Friday, December 9 - 1-2 p.m.
Attend in the NFS Auditorium or Virtually Online

**Eziafa
Oduah '22**

*Hematology and
Oncology Fellow
Virginia Commonwealth
University,
School of Medicine
Nanobioscience, PhD*

**Ilona
Sitnitsky '10**

*World Wide Procurement,
Assembly and Test.
Texas Instruments
Nanoscale Science, MS*

**Sarah
Ashmeg '20**

*Clinical Assistant
Professor
UPMC Hillman
Cancer Center
Nanoscale Science, PhD*

**LayWai
Kong '11**

*Senior Member of
Technical Staff (SMTS)
Advanced Micro
Devices, Inc.
Nanoscale Engineering,
PhD*

**Caitlin
Philippi '18**

*Plasma Etch
Process Engineer
Tokyo Electron (TTCA)
Nanoscale Engineering,
PhD*
