Welcome to SUNY Poly

Welcome to SUNY Poly!

Whether you're joining us for the first time or continuing your journey with us, we're so glad you're here. This campus is more than a place to earn your degree — it's a community that will challenge you, support you, and celebrate your growth along the way.

This handbook is your guide to that community. Inside, you'll find the resources, policies, and support services designed to help you thrive — academically, personally, and professionally. We encourage you to take the time to get familiar with what's here. Understanding your rights, responsibilities, and the many resources available to you is one of the best ways to set yourself up for success this year.

As a registered SUNY Poly student, you're expected to know the information in this handbook, and your responsibility to follow it doesn't go away just because a page went unread. So, consider this your invitation to explore it, bookmark it, and come back to it whenever you need a question answered.

The information here is current as of August 31, 2026. Because policies and programs can change, SUNY Poly reserves the right to update curriculum, administration, tuition, fees, admissions, and other policies as needed. Updates will always be posted to sunypoly.edu, and any substantive policy changes will be communicated to students in writing. For the most complete and current academic information, please also consult the undergraduate and graduate catalogs.

Above all, know that you are not alone here. Every office and department listed in this handbook exists to help you succeed, and so do I. Please don't hesitate to reach out — to them, or to me directly — anytime you need support, have a question, or just want to connect.

Here's to a meaningful, inspiring, and unforgettable academic year. Welcome home.

Brittany Morawiec
Vice President for Student Affairs and Dean of Students

Care Team and Care Team Case Management

Care is a SUNY Polytechnic Resource Team that promotes and seeks to maintain safety and health by identifying and assisting struggling students by connecting them to services, some of which may include mental health care and/or safety intervention. As the campus threat assessment and intervention team, Care also addresses challenging, disruptive, or harmful behavior and situations by providing interventions that are aimed at community safety and student success.

The Care Team does not possess punitive authority at SUNY Poly. While the Care Team can make referrals to Community Standards, generally Care Team interventions are not part of conduct and are intended to avoid conduct charges and prevent long term academic implications for students.

The Care Team membership, Care Team Processes and an overview of Care Team Assessment Tools are available at www.sunpoly.edu/care.

The Care Team prioritizes privacy and discretion and maintains communication only with appropriate offices and individuals. Examples of concerns that the Care Team often supports and assists in resolving include but are not limited to:

- Depression
- Concerning academic performance, particularly when in conjunction with other personal concerns
- Disordered eating
- Cutting
- Serious injury or illness
- Death of a student
- A missing student
- Immediate danger/harm
- Sexual assault
- Worrisome or unusual behavior
- Disruption in classroom or residence hall
- Threats, stalking, intimidation
- Hate crimes

There are often many outward signs that a student is in distress. Reporting unusual or odd behavior that causes you concern may just be one more piece of a larger puzzle that the Care Team needs.

The Care Case Management Team is a sub-group of the Care Team. It includes SUNY Poly professionals, including Care Case Managers and staff members from Wellness, Accessibility Services and Student Affairs who collaborate to provide coordinated support to students who require broad and ongoing support for college success, but are not at a level of crisis that would be supported weekly by the Care Team. The goals of Case Management include timely support, improved academic and social outcomes for the student and to minimize redundancy or conflicting advisement and/or coaching.

There are a number of ways to refer students to the Care Team:

- 1) PREFERRED Submit a referral at www.sunypoly.edu/Care
- 2) Call 315-792-7518. The Chair and a Case Manager are accessible at this number.
- 3) Send an email to careteam@sunypoly.edu.

Students who are asked to meet with a member of the Care Team to discuss a concern, incident or situation are expected to do so, as the Care Team is often an early intervention to reach resolution and advance student success. A Care Team meeting request that is ignored or refused by a student can be referred to Community Standards as a conduct matter if there is a significant health or safety concern the student does not choose to attempt to address via Care Team support.

The Care Team does NOT handle emergencies or imminent threats. If there is present danger or an immediate crisis, please contact University Police IMMEDIATELY at 315-792-7111.

**Student Accessibility Services Office Kunsela
Hall, B101, (315) 792-7170 sas@sunypoly.edu**

SUNY Polytechnic Institute welcomes individuals with disabilities. SUNY Poly values diversity and provides an inclusive learning community through the Office of Student

Accessibility Services (SAS). Student Accessibility Services ensures students with disabilities have equal access to all programs, services, and activities offered by the University. Students with a permanent or temporary disability are encouraged to contact SAS to discuss the resources and services available to accommodate their individual needs. Students can expect to follow the steps below:

- The first step is to receiving accommodations is for students to “disclose” or let SAS know they are interested in exploring or pursuing accommodations. This can be done by phone, email, visiting their office, or by filling out the Request for Accommodations Form found on the SAS website.
- The second step, while not always required, is helpful in providing a more complete picture of a student’s needs. Submitting relevant documents can help SAS understand the history, context, and what supports will be most helpful in reducing barriers. Documentation comes in many forms and more information can be found on the SAS website.
- The third and last step is to meet with a member of SAS to determine what supports and services are reasonable and how to use them. It is important to understand that this last step, known as the interactive process, is required. During this step, students will be able to share their experiences, discuss any documentation, and reflect on what they need to fully participate in their college experience.

Please note, accommodations are not retroactive (can’t be applied after the fact), so timely requests are encouraged. Students have the right to appeal decisions regarding accommodations and auxiliary aids if they believe the request for accommodations are not fulfilled in a way that is satisfactory to the student with a disability. Please consult the SAS website for information about appeal and grievance processes.

Student Accessibility Services also serves as a National Voter Registration site. For more information regarding the services offered to students with disabilities, please contact the office via email at sas@sunypoly.edu or by telephone at (315) 792-7170.

Faculty Advisor

Every student is assigned a faculty advisor. Faculty advisors will help students plan their program of coursework and help them find answers to questions about personal academic goals, requirements, and regulations. Each student should share responsibility in the advising process by taking the initiative to seek advisement and to develop a working relationship with their advisor. To do this effectively, each student should:

1. Learn the academic advisor’s name and office location as soon as possible.
2. Become familiar with curriculum, departmental, program, and graduation requirements, which can be found in the catalog, on our website, etc.
3. Consult with the advisor prior to making any changes in the academic program and/or schedule (e.g., adding or dropping courses, summer courses, etc.)
4. Consult with the advisor if experiencing academic or personal problems affecting academic performance.
5. Consult with the advisor when considering a change of curriculum or program, transfer to another college, or withdrawal from SUNY Poly.

6. Meet with the advisor at least twice during each semester – early in the semester, to be followed by a second meeting just prior to advance registration.
7. Discuss class requirements and grades with the advisor. Schedule a meeting to obtain academic advice when needed.
8. Accept final responsibility for decision making after consulting with the advisor.
9. Keep all scheduled appointments made with the advisor. Questions related to advisors and scheduling appointments with your advisor should be referred to your academic department.

In keeping with this commitment, the following policy governing the use and distribution of alcoholic beverages for on campus events has been formulated.

The use of alcohol at SUNY Poly sponsored events is governed by New York's Alcoholic Beverage Control Law, the College's rules and regulations (including but not limited to the Alcohol and other Drug Policy), as well as federal and state laws. SUNY Poly has a responsibility to recognize that alcohol misuse and dependency are serious public health issues and

When an event is created in SUNY Poly Q Ware Management System, and the **Alcohol Requested** tab selection is **YES**, **requests** will be passed along from the Office of University Conference & Events by email to a member of the AODPTF, University Police, and Wildcat Hospitality for review and for *Permission to Use, Serve, and Distribute Alcoholic Beverages* approval. Wildcat Hospitality (Aramark) and University Police must also be notified at least 6 weeks prior to the event to obtain a liquor license and to work with event sponsor on the mitigation checklist.

Alcohol Risk Mitigation Checklist: In compliance with New York law, alcohol must be served in a controlled manner and not be freely accessible. Alcohol may not be served to anyone under the age of 21, or to anyone who is visibly intoxicated.

- Limiting consumption: As a general guideline, one standard alcoholic beverage per person per hour should be planned for to any individual attendee 21 and older.
- Sectioning off the alcohol in a controlled area to avoid under age access.

- Ensure University Police knowledge of event with alcohol and UP may need to add additional presence as needed.
- Ensure higher price points if attendees are paying and restrict "happy hour" or "Bogo" incentives.
- Drinking games or any activities that encourage or contribute to the overindulgence or abuse of alcohol are prohibited.

- Ensure non-alcoholic drinks available in adequate quantity for free. Food must be available in equal or greater proportions.
- Promote safe ride promotion.
- Ensure Aramark Servers have completed the SERV Safe Alcohol training are following Serve Safe guidelines which include understanding alcohol laws, checking identification/providing wristbands, evaluating intoxication levels and dealing with difficult situations.
- BYO (Bring Your Own) events are prohibited. Individuals are not permitted to bring their own alcoholic beverages to an event. Refer to tailgating policy for exception.
- Alcoholic beverages may be served and consumed only at the location specified (not taken to another location).
- Kegs are prohibited (no “open taps” are permitted).
- Promotional materials need to promote the main activity, not the consumption of alcohol.
- Only one drink at a time will be dispensed per person.

Meal Swipes

A meal swipe is used for entrance to the Dish, our all-you-care-to-eat dining facility. Depending on the meal plan a student has selected, they will receive a select number of meals per week or per semester.

Dining Dollars

Depending on the meal plan a student has selected, they will receive a select amount of declining balance dollars (Dining Dollars). Dining dollars are preloaded to your student account at the beginning of the semester and act as a "preloaded gift card" that can be used at any dining location on campus. Run out of dining dollars? Dining dollars can be refilled anytime throughout the semester by visiting wildcathospitality.campusdish.com. Dining dollars roll over from the fall to the spring semester but expire at the end of the academic year and are non-transferable.

Meal Exchange

Meal exchange is the ability to use meal swipes at select retail locations on campus. One meal swipe can be exchanged for a listed combo available at the select retail locations. The number of meals exchanges available per week depends on the meal plan a student purchase.

GET Mobile

GET is a place where students (and parents) can manage their campus card accounts. Students have 24/7 availability to monitor their meal swipes, declining balance dollars, and Wildcat Dollars by visiting [GET - Login - SUNY Polytechnic Institute Utica \(cbord.com\)](http://GET - Login - SUNY Polytechnic Institute Utica (cbord.com)) or by downloading the GET mobile app. Students or their designees (parents, grandparents, aunts, uncles or friends) can also add funds to their Wildcat Dollar account by visiting [GET - Login - SUNY Polytechnic Institute Utica \(cbord.com\)](http://GET - Login - SUNY Polytechnic Institute Utica (cbord.com)).

- Block 50 Plan – 50 meal swipes and \$175 dining dollars
- Block 25 Plan – 25 meal swipes and \$150 dining dollars

The full amount of meal swipes and dining dollars are loaded to your account at the start of the semester (or when purchased), and students use them as needed. If you run out during or meal swipes during the semester, you can always purchase a plan again. Commuter students can also purchase residential meal plans if it better fits their needs! Excess financial aid can be used to pay for a commuter meal plan and can be purchased through the Auxiliary Services office. Dining dollars included in commuter meal plans may NOT be used for vending, the campus store, or off-campus vendors. Dining dollars roll over from the fall to the spring semester but expire at the end of the academic year and are non-transferable.

Dining Hall Policies

Students may eat as much as they want, but please utilize our re-usable program for taking food out of the Dish dining facility. See more information on this program [here](#). We also ask for your cooperation in leaving equipment such as utensils, plates, and glasses at the dish return in the dining facility.

Sick Trays & Bag Meals for Residential Students

Should you require an extended modified diet, our chef will work with you to ensure your nutritional needs are met. Box meals are provided for class conflicts only. Please bring your class schedule to the dining service office at the beginning of the semester to arrange for a box meal. A copy of the box meal policy is available at the dining services office, Campus Center, Room 115C.

Withdrawals, Terminations, and Refund of Board Plan

Students registering and occupying a room for two weeks or less who move out for a college approved reason will receive a pro-rated refund for board based on the number of weeks (a partial week is considered a full week) on the meal plan. For this purpose, weeks are defined as beginning on Sunday and ending the following Saturday at midnight. Any student who occupies a room after the Saturday following the second full week of classes is responsible for the entire semester's board charge. Exceptions may be made when a student withdraws or enters active military service or due to circumstances beyond his or her control.

All regulations and provisions herein shall remain in effect unless changed or modified by official written notice.

Residential Policies & Procedures

SUNY Polytechnic Residential Life & Housing Central Office

Hilltop (315) 792-7810

reslife@sunypoly.edu

The mission of Residential Life and Housing at SUNY Polytechnic is to promote a residential experience that advances each resident's personal growth and development and inspires lifelong community engagement. The staff members in the Office of Residential Life and Housing are guided by principles that support a safe, healthy and well-maintained

living and learning environment.

The residential program is fully staffed with a professional team, nationally recruited and selected through a search process. These professionals have a combination of professional degrees and experience in higher education student life. Our student residential life staff members are selected through a rigorous process and are attentive in supporting residents. The Residential Life and Housing staff members work with the residential students to develop programs, activities, and services that enhance the high quality of campus life at SUNY Polytechnic Institute.

Residential students and their guests are considered adults who are responsible for conducting themselves in accordance with state and local laws as well as with the institution's alcohol and drug policy. Residential students and their guests are required to abide by the following policies and procedures.

Abandonment of Personal Property

The Department of Residential Life & Housing, Facilities, and/or University Police, without liability, have the right to dispose of any personal property left on the campus premises five (5) calendar days after the end of the housing contract, termination of the housing contract, or after the end of the last day of the semester if not returning. Personal property left in or on the grounds of the residence halls after the end of the contract term or termination of the contract may result in a removal charge of \$100.00 per item. Personal property left at other campus locations after the end of any semester may result in a \$100.00 per item removal charge. Bicycles left on residential complexes including indoor or outdoor bike racks, affixed to trees, left in bike storage or abandoned on the grounds, without express written permission from the Director of Residential Life and Housing, are subject to this policy.

Alcohol Policy

Residential students who are 21 years of age or older may possess limited quantities of alcoholic beverages. They may serve alcohol to resident and non-resident guests provided the guests are at least 21 years of age. Residential student hosts will be responsible for ensuring that intoxicated guests are not served alcohol and for compliance with residence hall alcohol and guest policies. The sale of alcohol to any person is strictly prohibited.

In accordance with the established regulations, possession and consumption of alcoholic beverages is permitted by students over the age of 21 in the private living areas of the residence suites in Mohawk and Adirondack complexes. In Oriskany and Hilltop residence halls, residential students 21 years of age and over may possess/consume alcoholic beverages only in their own residence hall bedrooms. Residential students 21 years of age and over may possess/consume beverages in private rooms, but only if those rooms or suites have at least one assigned occupant who is 21 years of age and over. In all residential complexes, alcoholic beverages are prohibited in main lounges, recreation rooms, floor lounges, hall corridors, laundry rooms, and any other area that is not a private student room or the private suites of Adirondack and Mohawk.

Compliance with all requests of University Officials for proof of legal drinking age is required. If there is reasonable suspicion to believe that alcohol may be in bottles, cups or other containers, University staff reserve the right to approach students and request to inspect the drink, as well as hold students accountable for violations under the provisions of this policy.

Bulk Dispensers: The possession or use of kegs, beer balls, beer taps, alcoholic punches, or any form of alcoholic bulk dispensers is prohibited in the residence halls. The possession or use of grain alcohol and drinking funnels is prohibited. Responding police officers will confiscate these items for disposal.

Displays: Residential students may not collect/display empty beverage containers of any kind (including cans, bottles, boxes and bottle caps) in their room (also see Trash Removal).

Games with Alcohol: Alcohol games such as, but not limited to, beer pong, quarters and other games that promote excessive drinking of alcohol are prohibited from being played. Any type of drinking pong, including pong with non-alcoholic beverages, is prohibited.

Guest and Visitor Alcohol Policy: Non-residents and visitors of SUNY Polytechnic residential students are not permitted to bring alcohol to the SUNY Polytechnic campus, regardless of the age of the guest.

Hosting Violations (Alcohol)

Residential students are responsible for ensuring that the amount of alcohol in their room/suite is in compliance with quantity limits (see Quantity Limits) and that the ages of any guests or visitors who consume alcohol in their room or suite are over the age of 21. Residential students who violate this policy may be subjected to more elevated or extended sanctions under the Student Code of Personal Conduct (also see Hosting).

Outdoor Locations: Alcohol is permitted to be consumed by assigned residents of the complex who are over the age of 21 only in the outdoor, enclosed quad areas of the Hilltop, Adirondack and Mohawk complexes. The Vice President for Student Affairs/Dean of Students, designee, and/or Chief of University Police retain the right to disallow this privilege at any time if adherence to institutional policy or laws, noise disturbances or trash is deemed problematic. Advertised and group events that include alcohol are not permitted anywhere in the residential areas, including in the quads. Alcohol is not permitted anywhere on the outside grounds at Oriskany residence hall. Glass containers of any kind are not permitted outside at any residential complex.

Quantity Limits: Each residential student of legal drinking age is limited to the possession of one of the following amounts of four kinds of alcoholic beverages:

- no more than one 12-pack of beer (16 ounce maximum); or
- no more than one 12-pack of wine coolers (16 ounce maximum); or
- no more than one liter of distilled alcohol; or
- no more than one liter of wine.

Violations (State Laws Enforced): Course of action is determined by the nature of the violation. Refer to Student Code of Personal Conduct, Article VI, F, for sanctions.

- Under 21 Years of Age: Possession and/or consumption of alcoholic beverages by persons under the age of 21 is strictly prohibited on the SUNY Polytechnic campus and is a violation of Section 65c New York state law.
- All persons are prohibited from selling, serving or purchasing alcohol for those under the age of 21. This is a violation of Section 260.20, New York state penal laws.

Appliances

Permissible appliances vary by residence. A list of appliances that are permitted, as well as those that are prohibited, are available at <https://sunypoly.edu/student-life/housing-dining/residential-life-housing/utica-residential-life/what-should-i-bring.html>. Each residence hall with corresponding policies is listed on the left of the page.

Lists of prohibited items are for reference only and is not intended to include every possible item that is prohibited in the residence halls. If something is not listed, please contact reslife@sunypoly.edu for clarification.

Refrigerators and microwaves that are permitted under residential policy must be plugged directly into wall outlets. These appliances can never be plugged into power strips or extension cords of any kind, even if they grounded.

Bicycles/Motor Vehicles/Snowmobiles

The storage of bicycles and motor vehicles in student rooms, suites, or means of egress (exits) is prohibited. Motor vehicles, including motorcycles and snowmobiles, may not be driven on sidewalks. Snowmobiles are permitted and may be parked in parking lots and driven directly to designated snowmobile trails only. Snowmobiles at SUNY Poly must be registered with University Police and parked in a legal parking space when not in use. Non-university owned ATVs are not permitted on university grounds.

Cancellation of Housing & Dining – Withdraw or Mid-Semester or Mid-Year License Termination Additional financial charges may be applicable if the license termination process is not followed by a student and approved by the Director of Residential Life and Housing (also see Housing and License Agreement). There are actions that need to happen both prior to withdrawal and at the time of withdrawal/termination.

Before withdrawing from SUNY Polytechnic, a student must at the earliest possible date request termination of their housing and dining license by notifying the Office of Residential Life & Housing using the Housing and Dining License Cancellation Request found in their Housing and Dining Self Service. Failure to request and receive approval to terminate the license in the prescribed manner will result in full charges or additional charges for room rental, dining services, moving and storage.

Upon withdrawal from SUNY Poly, a student must officially check out of housing and dining by:

- removing all belongings and cleaning the assigned room;
- contacting a Residential Life staff member to complete the checkout process;
- signing the Room Condition Report; and
- turning in all residence hall keys to the Office of Residential Life and Housing.

Refund eligibility date (if applicable) will not begin until the resident completes all of the above. Please see the license for refund terms and eligibility.

Notice to the Registrar of course withdrawal does not constitute notice of housing and dining license request for termination. Residential students withdrawing from SUNY Polytechnic must vacate the residence halls and remove all personal belongings from its premises by midnight (12:00 a.m.) of the date on which the withdrawal becomes effective. Student Financial Services will mail any check resulting from an eligible refund, if applicable, to a withdrawing resident's permanent mailing address on file, if requested.

Permission to terminate the license in the absence of withdrawal from SUNY Polytechnic courses is requested by submitting a Housing and Dining License Cancellation Request with required documentation should be submitted at least 30 days prior to the proposed date of termination. The Housing and Dining License Cancellation Request is also used to request mid-year release from the Housing and Dining License. The Director of Residential Life and Housing or designee will approve or forward the request to the License Exemption Committee for further review. The License Exemption Committee may consult with or refer the Request for License Cancellation to The Wellness Center or Accessibility Services or Title IX, if the request for cancellation pertains to a medical need or ADA/Title IX Accommodation. The only other considerations for release from the license are given to documented extreme individual circumstances that are beyond the control of the student and which did not exist or could not have been known at the time the license was signed by the student.

Students registering and occupying a room for two (2) weeks or less from the start of classes who officially withdraw from the institution and are approved for termination of housing and dining as outlined above, will receive a pro-rated refund for room and dining based on the number of days since the official residence hall opening date. Any

student who occupies a room after the Saturday following the second full week of classes is responsible for the entire semester's dining and room charges. Exceptions may be made when a student withdraws to enter active military service or due to extenuating circumstances beyond his or her control. Exceptions to the refund policy will be reviewed and approved by the License Exemption and Cancellation Committee.

Students who are disciplined and suspended, expelled or otherwise removed from campus housing are not eligible for a housing refund regardless of when the action/discipline occurs.

Students may continue to receive a billing statement and late fees following withdraw from courses and the residence hall if fees are still posting to the account. Students are still required to pay any fees not refunded pursuant to the Housing and Dining license.

Cannabis

Though New York law has recently changed regarding cannabis, the use, possession or sale of marijuana remains strictly prohibited on the SUNY Poly campus. No person is permitted to be in possession of any type of cannabis or derivatives and all are prohibited from being in possession of drug paraphernalia in campus buildings, including residence halls. Students who are in violation of this policy, will be documented and referred to Community Standards. Sanctions for those found responsible for violations of cannabis and related policies range from probation to expulsion. For more information, review violation #11 in the Student Code of Conduct.

Care of the Facilities

The furnishings and equipment have been provided for the enjoyment, convenience, and safety of all residential students. Residential students are responsible for the care and cleanliness of their suite or room and for abiding by institutional policies in maintaining these facilities. Tampering with or damaging the facilities are not permitted and includes the windows, screens, and provided furniture. Personal furniture is not permitted. Residential students are responsible for their guests or visitors and may be held responsible for their actions. Theft or vandalism is prohibited.

Commercial Activity

No commercial activity may be conducted in or from any residential facility unless approval has been provided under the guidelines of the campus Sales and Solicitation Policy (see below).

Computer Network Access

The SUNY Polytechnic data network is a state-of-the-art high-speed infrastructure that supports a broad range of academic, administrative and student computing requirements. SUNY Polytechnic maintains several documents that directly address a constituent's use of our computer services and corresponding data network. Included are the "Computer and Network Resources Statement of Responsibility," "Computer Software Policy," "Computer Use Policy," "Dormitory Connection Policy," "Instructional Computing Guide," and "Web Policy." They are available online at <https://sunypoly.edu/its/policies.html>. Students should also be aware that the policies outlined in the Student Handbook and Residence Hall License are additionally enforced. Students should pay particular attention to the "Academic Integrity Policy" and the "Student Code of Personal Conduct" policies and procedures.

Condition of Suites & Rooms

Room and suite inventory forms (Room Condition Reports or RCRs) must be completed on the day of move in. Instructions

will be given during move in). Residential students who choose not to complete inventory forms on the day of move in will not be permitted to appeal damage charges as it will be assumed that the suite/room was in perfect condition.

Common area damage is considered damage that occurs in areas where more than one student has access. Access is defined as having keys to, or card access to, a specific area of the residence halls (e.g., bathroom, living room, hallway, lounges, laundry rooms). Common area damage can include the vestibule and stairway of each building. Common area damage will be assessed to all students who have access to the damaged area only after efforts are made to determine the responsible party. Students are responsible for themselves and their guests.

Students may not act to repair any damage to SUNY Polytechnic property by attempting to make a repair themselves, allowing a friend or family member to make the repair or by contracting a third party to make the repair.

Consolidations

Any residential student who resides alone in a double or triple room will be required to consolidate into a double or triple room with at least one additional roommate, if the single occupancy of a double or triple occurs within the first four weeks of the fall or spring semester.

Damages

Students are financially responsible for damage beyond normal wear to: (a) the room; (b) public areas of the residence hall; and (c) SUNY Polytechnic provided furnishings. Damages also include failure to clean and care for provided amenities including but not limited to suite/room bathrooms, carpets, upholstery, etc. Pre-announced inspections are made during the academic year for the purpose of checking on cleanliness, safety and use of SUNY Polytechnic property. Appropriate charges will be assessed based on conditions found at the time of checkout with residential life staff, as well as during facility staff inspections after residence halls are closed for the semester. If damage occurs in public areas, either the individual, if known, or the group in the immediate living area will be charged. When reasonable to assess and repair, damages that occur during the academic year will be billed and repaired at the time of occurrence. Residential students with outstanding damage bills will have their records placed on hold and be unable to register or change classes until bills are paid in full.

Students will be provided written notice of damage charges and will be granted 10 days to submit an appeal. Residential students who do not complete either the check-in and check-out room condition reports will be ineligible for the appeals process.

Decorations

Fire regulations prohibit the blocking of free entry to and from the suite and bedrooms. Do not place decorations on or hang anything from the ceilings. Materials on the ceilings may also impede the activation of smoke and heat detection equipment. Wall and ceiling decorations will increase the speed of fire spread. Wall decorations should be non-combustible and pursuant to NYS Building Code (Section 806.2) may not cover more than 10% of a specific wall area to which the decoration is attached. This allows for the equivalent of approximately one (1) standard poster-sized (~2.5" x 3.5') wall hanging per wall in a single bedroom. Larger single wall hangings (e.g., large flags or banners) are not permitted. The room and/or suite door decorations should be limited to the same dimensions as room walls and should not cover the entire door. Room and suite door decorations may not cover more than 10% of the door surface and may not obstruct room numbers, peepholes, locking hardware, emergency information, or egress. Decorations shall not obstruct or be attached to smoke detectors, sprinklers, fire alarm devices, exit signs, emergency lighting, HVAC vents, or other life-safety equipment. Natural boughs and trees are prohibited. Residential students are required to adhere to safe practices when displaying electrically illuminated lights or decorations (see "Displays" for additional information). Electrically powered string-style lights are permitted as long as they are NRTL-

approved (e.g., UL Listed) and are not affixed to the walls, ceiling or furniture with adhesive. String lights cannot be used as extension cords to power other equipment and cannot be daisy-chained (linked one to another). LED string lights should be used instead of incandescent lights.

LED strip lights and other lights that affix to the walls or ceiling via adhesive are prohibited in all residential facilities. Residential students are discouraged from using adhesive hooks and other “Command Strip-type” products, as those products may damage the walls upon removal. Residential students are charged for a full wall or full room patch and paint if they choose to use these products and damage occurs upon removal by the student or by facilities staff. Small pins and thin nails are preferable to unintentional damage caused by the removal of “Command Strips.”

Delivery to Residences - Non-SUNY Poly Food Vendors

Residential students are permitted to purchase food deliveries from outside services. Students must direct delivery staff to meet them at the front door of their residence to receive food and groceries. Outside vendors may not enter the building to deliver food for students.

Dining

All residential students are required to participate in one of the residential meal plans offered by campus provided dining services. All new incoming first-year students are required to be on the Unlimited Meal plan for the duration of their first year on campus. The Dining License is in effect for the entire academic year when classes are in session (also see Housing License & Agreement). Auxiliary Services administers the meal plans on behalf of SUNY Polytechnic. Changes to the selected meal plan are accepted until 4:00 p.m. the first Friday of classes each semester. After this date, mid-semester meal plan changes are not accepted. Meal plan changes are administered by Auxiliary Services. **Students with dietary restrictions who require accommodations should connect with Student Accessibility Services at sas@sunypoly.edu or (315) 792- 7170 to discuss their needs.**

Disability and Accessibility/Medical Request for Adjustments

SUNY Polytechnic is committed to upholding and maintaining all aspects of the federal Americans with Disabilities Act (ADA) of 1990 and Section 504 of the Rehabilitation Act of 1973. Students with documented disabilities may be eligible for housing accommodations. Registering with the Student Accessibility Services (SAS) office is required and is an interactive process which includes providing documentation and meeting with department staff. Students should contact SAS at sas@sunypoly.edu or (315) 792-7170 to discuss their needs.

Displays

Residential students are permitted to display any posters or other items in their private rooms or suites that do not violate fire codes or SUNY Polytechnic policies on harassment and discrimination. Displays in the exterior windows or doors that face the public are not permitted. Fire and safety regulations also prohibit displaying any items in the windows or over / around doorways which would interfere with an emergency exit or rescue. Students with questions about this policy may contact the Director of Residential Life and Housing.

Disruptive Behavior/Endangerment

Disruptive behavior, including physical abuse, assault, harassment, threats and excessive noise which may include loud playing stereos or musical equipment and unruly behavior is prohibited (also see Quiet Hours/Courtesy Hours). Behaviors that compromise the peace, safety, and/or health of other residential students or compromise the educational mission of SUNY Polytechnic are prohibited (also see Student Code of Personal Conduct).

Residential students who act to create or contribute to unsafe or hostile environments may be required by Director of Community Standards to participate in review or assessments as recommended by the Care Team (see Care Team). A referral may also be made to the Title IX Coordinator, if appropriate.

Drugs

The possession or use, without a physician's prescription, of any drug defined as a controlled substance by federal, state, or local laws is strictly prohibited on the SUNY Polytechnic premises. Controlled substances are defined in broadest terms to cover narcotics, depressants, stimulants, and hallucinogens. Drugs or drug-related paraphernalia may be confiscated and used as evidence (also see Student Code of Personal Conduct).

Emergency Contact

Residential students are required to enter an emergency contact person in the Banner student database. A parent or legal guardian is most often the ideal contact, especially if the student is in a condition to require medical intervention that includes insurance coverage. If a SUNY Poly student is transported from the campus to a hospital, emergency room, or medical facility via ambulance, the emergency contract is notified by the Vice President for Student Affairs/Dean of Students or designee. They may also contact the emergency contact and/or parent or legal guardian if reliable information indicates the student is in an emergency situation and at imminent risk of harm. If the student does not provide an emergency contact and is significantly harmed or at eminent risk of harm, the Vice President for Student Affairs/Dean of Students or designee may choose to default to a parent or legal guardian as denoted in the BANNER student database, as the emergency contact.

Emergency Notifications

RAVE Alert is the university's primary notification system for emergencies and weather-related cancellations. All students and employees are automatically enrolled using their SUNY Poly email, but are also strongly encouraged to add their mobile phone number to receive text and voice alerts. [Learn how to enroll in text and voice messages on the University Police webpage.](#)

Exemptions from the Residency Requirement

All students with the admission classification of first year student and who are not qualified for an exemption are required to live on campus for their first two (2) years at SUNY Polytechnic. Students who transfer to SUNY Polytechnic with first year student or second year status must reside on campus until the conclusion of their second year as an enrolled full-time student. Exemptions from the residency requirement may be granted for extenuating circumstances, which may include: residency with parent/parents or legal guardian at a permanent home address within thirty (30) miles from campus (residence must have been the permanent home of the parent or legal guardian for a minimum six months prior to enrollment); student has dependents; student is legally married; student has verification of prior military experience; student is twenty-one years of age prior to August 1, for the Fall semester they are entering; or other special circumstances. Students may apply for an exemption by submitting the Residency Requirement Exemption Application.

The exemption request process is initiated with completion of the Request for Release from License Application in The Housing Director (or applicable housing management system), Housing and Dining Self Service. The Director of Residential Life and Housing will review requests and will approve it or will forward the request to the License Exemption Committee for additional review. The Director and/or Exemption Committee may consult with or defer the Request for License Exemption/Termination to the Wellness Center or Accessibility Services if the request for license exemption or termination pertains to a medical need or ADA Adjustment. Failure to: (1) pay the balance of a

student account; (2) officially check in to the room; or (3) use the housing accommodations provided does not release a student from the obligations created by signing/accepting the terms of the Housing and Dining License.

Facilities and services provided by SUNY Polytechnic include:

Bedroom furniture: bed, desk chair, window blinds, mattress, dresser, desk, closet, lamp/light, wireless LAN connection, wall-to-wall carpeting.

Fire Safety

Residential students are required to abide by all applicable fire regulations. SUNY Polytechnic is required by the NYS Fire Code to conduct a minimum of three fire drills in the residence halls per academic year, with one drill occurring within the first 10-days of the beginning of classes, one drill occurring between September 1 and December 31, and one drill between the hours after sunset and before sunrise. When a fire alarm rings all residents must immediately vacate the building. Failing to do so during an alarm will result in disciplinary action. Residential life and housing or college staff may enter residential student suites and rooms to verify compliance. Tampering with fire equipment including but not limited to activation of fire alarm system due to prohibited activity (e.g., covering detectors, hanging items from sprinkler heads, painting or placing stickers on fire system components), removing any fire safety equipment, unnecessary use of fire extinguisher, and/or non-compliance with fire regulations may result in disciplinary and/or civil action. Open flames including but not limited to the presence or use of candles, potpourri burners, and incense (that can be ignited or burned) is prohibited. Gas or propane grills or compressed gas containers, charcoal, internal combustion engines, or tires may not be operated or stored in the residence halls or suites. Flammable materials (e.g., spray paints, solvents) shall not be stored in residence halls or suites.

Each semester, health and safety inspections are completed by Residential Life and Housing staff. In addition, the State Fire Marshall with a representative of the Environmental Health and Safety office conducts annual Fire Safety inspections of all buildings on campus including residence halls. Residential students are given at least 24 hours' notice prior to inspections (also see Right of Inspection/Health & Safety Inspections). When applicable, financial penalties assessed to the campus by the NYS Office of Fire Prevention and Control for violations caused by students will be charged to the account(s) of the student(s) responsible.

As outlined in the Student Code of Conduct, actions that cause or attempt to cause a fire or explosion, falsely reporting a fire, explosion or an explosive device, tampering with fire safety equipment, inappropriate/ or unauthorized activation of the fire alarm system or failure to evacuate SUNY Poly buildings during a fire alarm are prohibited. Residential students who cause a false alarm via any of these actions, including possessing or utilizing an

item prohibited in these Residential Policies and Procedures (or who allow guests or visitors to do the same) may face conduct changes as well as residential restrictions and/or loss of privileges as imposed by the Director of Residential Life and Housing and/or designee.

Fire Equipment (Covered Smoke Detectors)

Tampering with fire safety equipment, including covering a smoke detector, is considered a very serious violation at SUNY Poly. Students put fellow community members at risk when tampering with a smoke detector, smoking, or igniting any substance in any building. If it is determined or observed that a smoke detector has been covered for any period of time, regardless of the reason, charges will be issued by Community Standards. Students found responsible for covering a smoke detector may receive a sanction of Residence Hall Suspension, which can be for one semester up to one full calendar year. Residence Hall Suspension results in immediate dismissal and the student will be restricted from the residence halls. Students who receive Residence Hall Suspension will be responsible for all assessed charges for room and board with no refunds. For more information, review violation #14 in the Student Code of Conduct.

Guests & Visitors Defined

All residential facilities have guest and visitation policies and required registration. This policy is intended to protect the rights of all residential students in a suite and to support the academic mission of the residence halls. The required registration form can be found in the housing and dining portal and on the residence life website under policies and rates.

SUNY Polytechnic Institute residential students are permitted to have guests and visitors under the following guidelines:

Guests

- a. A “guest” is defined as a currently enrolled SUNY Polytechnic student who is not a residential student of the building, he/she is visiting.
- b. SUNY Polytechnic student guests are required to be registered with Residential Life if visiting a residence, and are considered an overnight guest, if they are in residence between the hours of midnight and 9:00am. They must be registered as an overnight guest, for any length of time between these hours, via the Online Residential Guest or Visitor Registration Form.
- c. SUNY Polytechnic student guests who are not a resident must be escorted at all times by a resident of the building they are visiting, regardless of the time of the visit.

Visitors

- a. A “visitor” is defined as an individual who is not a SUNY Polytechnic Institute student who is visiting a current student of SUNY Polytechnic Institute. Formerly enrolled students of SUNY Polytechnic Institute, alumni of SUNY Polytechnic Institute, family members and friends, including students of other colleges and universities are considered non-student “visitors.”
- b. At all times, all visitors must be registered with the Residential Life Office prior to entering a residential complex, through the Online Residential Guest or Visitor Registration Form. The hosting student must have permission from their roommate(s) in order for an overnight guest and/or visitor to stay in the room.
- c. Visitors with vehicles must obtain parking permits from University Police before parking anywhere on campus, including at the residences. Registered visitors and overnight guests are required to park in designated parking located in E, F, and J lots.

Guest and Visitor Policies & Expectations

- a. The consent of roommates must be obtained before guests or visitors are invited to visit any residence. Due to shared space and shared restrooms, all roommates and suitemates retain the right to reject guests

and visitors over the opportunity for the other residents to host guests and visitors.

- b. Residential students may not host overnight guests or visitors for more than three consecutive nights or more than six nights in any one calendar month, in total. This total applies to all overnight guests or visitors the student hosts and is not a per guest total. Roommates and suitemates do NOT have the right to allow extension of overnight privileges. Roommate and suitemates who knowingly allow another resident to exceed the guest or visitation policy may also be subject to conduct charges for violations of residential policy.
- c. A residential student may host no more than two guests and/visitors at one time.
- d. Persons who have been suspended or dismissed from SUNY Polytechnic Institute or the residence halls via sanctions issued through the Student Conduct System or who are persona non grata via University Police are not permitted in Hilltop, Oriskany, Adirondack or Mohawk residential facilities at any time without prior permission from the official who issued the persona non grata order or the issuer's designee.
- e. Residents' hosts are responsible for the conduct of their guests and visitors and are advised to make their guests familiar with college policies and must escort guests and visitors AT ALL TIMES. Residents will also be held financially accountable for any damage caused by their guests and visitors. Residents will be charged via the Student Code of Personal Conduct for failure to escort guests and visitors. A resident may be charged with violations of the guest policy if:
 - 1. The resident provided access to guest or visitor and failed to escort him/her inside the complex
 - 2. It is determined that a host failed to escort a guest or visitor inside the complex
 - 3. It is determined that a resident knowingly failed to report an unescorted guest or visitor
- f. Guests and visitors under 18 years of age must be accompanied by a legal guardian at all times while in the residence hall. Underage siblings are not permitted to stay overnight or be in residence halls without a parent or legal guardian at any time.
- g. Prospective student visits and overnight visits must be officially scheduled with Admission or the Athletic Department. Required paperwork, including signature of the parent or legal guardian of the prospective student, must be filed with the Office of Residential Life and Housing 24 hours in advance of a prospective student entering a residence hall with their host. The student host is responsible for confirming that all roommates and/or suitemates approve of use of the room and/or suite as a host site for prospective students and for notifying roommates and/or suitemates of a prospective student overnight visit in advance. No other guests or visitors are permitted overnight when students are hosting a prospective student in the room (ORK, HTP) or suite (ADK/MOH).
- h. Babysitting/childcare of a minor under the age of 18 for any length of time is not permitted in the residence halls.
- i. For social gatherings, maximum Mohawk and Adirondack suite occupancy has been established at 20 persons, including the assigned suite residents.
- j. Students are responsible for the actions of their guests and visitors and must accompany them at all times, for the duration of the visit. Students are responsible for informing their visitors of SUNY Polytechnic Institute rules and regulations.
- k. No student or their overnight guest or visitor may sleep overnight in public areas, including lounges.
- l. With the exception of family move in assistance, guests and visitors are not permitted during the early arrival period that occurs prior to the first day of classes. Guests and visitors are not permitted during break periods, for those students who are approved to remain in residence. Guests and visitors are not permitted in the residences during the final examination period at the end of each semester.
- m. The use of residence hall laundry facilities is for residents only. Theft of laundry services will be taken seriously. Non-residents who use laundry facilities, as well as the resident who provided access to the laundry room, will be charged with theft of services and other charges as appropriate via University Police and the Student Code of Personal Conduct.
- n. The Residential Guest and Visitor Registration Form is available online at <https://www.sunypoly.edu/student-life/housing-dining/residential-life-housing/residential-life/policies-rates.html> under Important Forms/Policies. Student guests must be registered between midnight and

9am, visitors must be registered at all times.

- o. Visitors and overnight guests are required to park in designated parking located in E, F, and J lots.

Hosting

Residential students who host guests and/or visitors in their room in instances when violations of policy, local, state or federal laws occur may receive both conduct charges and loss of residential privileges. Examples of hosting violations include but are not limited to; alcohol consumed by underage roommates/suitemates/guests/visitors in the resident host's room, regardless of who provided the alcohol, allowing non-student visitors of any age or underage student guests to bring alcohol into the residence and/or room, student guests age 21 or over exceeding the quantity limits, the presence and/or use of illegal drugs in the room regardless of who provided them, the tampering of fire equipment in the room, including covering the smoke detectors.

In addition to student conduct proceedings, residential students who host guests or visitors who violate any SUNY Poly policies, local, state or federal laws may lose residential privileges including but not limited to; the ability to host future guests and visitors, the ability to stay in residence over breaks and the ability to be a late stay or early arrival regardless of purpose (including athletic practice or competition, individual travel limitations, employment, research or any other business) loss of room selection priority for the following year and/or immediate or deferred reassignment to another residential locations. Loss of residential privileges are at the discretion of the Director of Residential Life and Housing and may be assessed immediately and in addition to or in conjunction with conduct sanctions.

Housing License & Agreement

All students living on campus are required to sign a SUNY Polytechnic [Housing and Dining License](#) for a space, not a specific room. The housing license is for the entire academic year and cannot be canceled during this period as long as the student is registered full time for classes without being granted a release or an exemption. Consult the license for further information regarding release and exemptions (also see Exemptions from the Housing License). First year students and second year students, including transfer students, are required to live on campus unless commuter approval or special off-campus exemption is requested and approved prior to the start of the academic year.

Keys/SUNY Poly Cards

As the SUNY Poly card serves as a key for entry, residential students are required to carry their SUNY Poly card at all times

SUNY Poly cards (proximity cards used to access residences) are provided for residential students as a matter of convenience and security. The unauthorized use or reproduction of a key/SUNY Poly card for any college room or facility is prohibited. Allowing another person to use keys or SUNY Poly cards for building or room access for any reason is misuse and is prohibited. Lost keys/SUNY Poly cards must be reported immediately so that room and building access, meal, and Wildcat Point services are immediately revoked from the card (see SUNY Poly Card, Lost Stolen or Damaged SUNY Poly Cards).

The loss of a residence room key will result in the re-keying of the individual room, all other rooms in the suite, and all affected mailboxes. The resident is responsible for associated charges of \$150.00 per lost key (also see Security Policy).

Residential Life staff are minimally available to provide lock out services, and University Police will not provide access to buildings or rooms when keys are not carried. Students must carry their SUNY Poly Card and keys at all times they

will require access to their buildings and rooms (also see Lockouts - Room, Suite or Building).

Kitchens

Mohawk and Adirondack complexes provide minimal kitchenettes with stoves in the common area lounges. Oriskany Hall and Hilltop Hall offer full kitchens with full appliances. Residents of Oriskany also have a kitchenette available on their designated floors. Kitchens and kitchenettes are designed for students to supplement and enhance their meal plans, not to replace them. Students are expected to take exceptional care in using these kitchens in a safe manner. Students who misuse the kitchens or fail to clean up after cooking and/or eating will be subject to loss of the privilege of using the kitchens and/or other disciplinary actions.

1. Stove top (pan) or deep frying is prohibited.
2. Students are not permitted to add any cooking or baking appliances to the kitchens, including counter appliances.
3. Cooking and baking processes must be actively supervised at all times. Users may not leave microwaves, stovetops or ovens unattended for any amount of time.
4. Use only microwave safe cookware, utensils and containers in the microwave. Metal cannot be used in microwaves.
5. If an exhaust fan system is in place/available, turn it on to begin before cooking to maintain air movement out of the room.
6. Follow instructions related to adding water, timer setting, power settings, cover removal or use, stirring, etc.
7. For microwave ovens, set the timer according to instructions. Immediately stop cooking and unplug the microwave if smoke or fire occurs.
8. When preparing microwave popcorn, do not rely on the popcorn setting for the time indicated on the bag, as all microwaves vary. Turn off the microwave as popcorn popping slows down.
9. If the food does catch fire or start to smoke – turn burners off, or cancel the cook process and shut off the unit immediately (unplug the microwave if safe to do so)
10. If fire alarm activates, shut down the food preparation and leave the room according to the fire evacuation procedures for the building. Report the fire alarm cause to University Police or other first responders/campus staff.
11. If a fire starts inside the building, follow fire evacuation procedures.
 - *Stop all activities
 - *Notify all persons can evacuate the area – assist others if possible or necessary
 - *Follow EXIT signs to the nearest safe exit
 - *Use the stairs; not the elevator
 - *move away from the building
 - *Do not re-enter the building with an “all clear”

Laundry

Laundry facilities are available in each residential complex. Laundry facilities do not require coins or cards, as the service is included in the residential room rate. Laundry facilities are accessible 24 hours a day and are for residents only. Residents who provide access to and use of laundry services to non-residents will be charged with theft of services and any other applicable charges. Laundry equipment (washers and dryers) should never be moved without assistance from the Facilities Department staff to ensure electrical, gas and exhaust piping are safely connected.

Lockouts (Room, Suite or Building)

Lockouts caused by student loss of a key or keycard or failure to carry a key or keycard when exiting a space are not considered an emergency. A student who is locked out of their room can only be re-admitted to the room by Residential Life staff members. University Police Officers and Facilities staff members will not key into any student's room for the purpose of resolving a lock out. One professional staff member serves on-call and depending upon their

availability, it may take up to 3 hours for the on-call staff member to respond to a lock out.

Lofting & Bunking of Beds

Residence hall beds may not be lofted or bunked. Students are permitted to rise their beds utilizing bed risers manufactured for this purpose. Risers added by the student are used at their own risk and may not raise the bed more than seven inches.

Noxious or Offensive Odors

A noxious or offensive odor is any aroma of such intensity that it becomes disruptive to others. Nearly any aroma can become noxious or offensive when it is overwhelmingly strong. Some examples might include incense, cigarette, cigar, or pipe smoke (Note: smoking and vaping are prohibited in all buildings and within 25 feet of all entrances or windows); perfume, air freshening spray, or large amounts of dirty laundry or garbage. Residential students are urged to use courtesy and good judgment about this potentially annoying concern. Residential life and housing staff members may ask residents to take corrective action if complaints about odors are received.

Occupancy (Maximum Occupancy per Fire Code)

In accordance with the residence hall guest policy and applicable fire/safety regulations, SUNY Polytechnic has determined the maximum temporary occupancy (not overnight) for residence halls to be as follows:

- Each residence hall suite in Mohawk and Adirondack to be 20 persons (including those who are the residents and including bedrooms and the bathroom). Suite residents are responsible for ensuring that this maximum occupancy is not exceeded. No resident is eligible to host more than 2 guests at any one time (see Guest and Visitor Policies and Expectations).
 - Each single bedroom in Adirondack, Mohawk and Oriskany complexes to be five persons.
 - Each single bedroom with bathroom in Hilltop Hall to be five persons.
 - Each double/triple bedroom in Adirondack, Mohawk and Oriskany complexes to be nine persons.
 - Each double/triple bedroom with bathroom in Hilltop Hall complexes to be nine persons.

Residential students are advised to seek insurance for personal belongings. Liability for risk, injury and/or damage to personal property are expressly assumed by the student.

Pest Control

Residential students experiencing infestation problems with any pest must immediately report the problem to their residence hall Assistant Director/Residence Director. Photographs of the pest(s) may be requested to identify the type of pest. All students must comply with the requirements of the pest control program as they are communicated to them in response. Residents may not refuse to follow a pest treatment program and must properly prepare for any University official or pest control officer acting to inspect or manage a pest report. Residents may not remove any pest control device placed by the institution or by a company contracted by the institution. Note that bug and insect pesticide cannot be applied to a residential space if a specimen of the pest is not available.

Pets

Except for non-carnivorous freshwater aquarium fish, pets are not permitted to visit or be kept in the residence halls. Fish must be kept in aquarium tanks of less than 10 gallons. Specially trained service animals for disabled persons and approved emotional support animals are not classified as "pets" under this policy. Please consult the Director of Student Accessibility Services for questions regarding emotional support or service animals in residence in accordance with the Fair Housing Act and approved via review under the Americans with Disabilities Act (ADA).

3D Printing services are provided in the CGAM Additive Manufacturing Lab in Donovan Hall (G160). 3D printers or other devices or activities that may release harmful contaminants are prohibited in the residence halls.

Machine Tools, Power Tools

Use of power tools, machine tools, heat guns or other activities involving powered equipment is prohibited in residence halls. Use of these tools may be prohibited on the outdoor grounds surrounding the halls or in hall parking lots if the Chief of University Police or Director of Environmental Health and Safety deems their use to be a risk to people and property, including vehicles. Students who wish to use machine or power tools on the residential grounds or in parking lots should seek prior approval for their use and application.

All prohibited materials, devices, objects, and animals will be confiscated by staff or University Police. SUNY Polytechnic is under no obligation to return confiscated items to students who bring them into the residence halls. Appropriate action will be taken in response to discovery of prohibited items under applicable laws and/or College rules and regulations. The list of prohibited items may be updated at any time by the Office of Residential Life and Housing upon written notice.

Outdoor Grills

Student-owned portable grills are prohibited. Installed Residence Hall grills (e.g., Mohawk and Adirondack) are under the supervision and approval of the Residential Life and Housing Office. Use of the equipment must be approved by the residential life staff as required. Residential Policies and Procedures limiting fuel and grill use apply to all Residence Hall areas and buildings. Environmental Health & Safety guidance regarding grill use should be followed. Charcoal is the only approved fuel for the residence hall grills. Wood fuel is prohibited. Bonfires, campfires, or other types of open burning fires are prohibited near the residence halls, or without approval on any other part of the campus.

Drones

Use of drones on campus is limited and must follow campus policies. Drone flights inside or near residence halls are prohibited unless specifically approved by the Drone Use Safety Committee. Contact the Environmental Health & Safety office for more information.

Electric Personal Transportation Devices

Electric and gas-powered personal transportation devices (e.g., mopeds, scooters, hoverboards, Segway's, e-skateboards, e-bikes, etc.) are not permitted to be used inside any residence hall. Storage and/or charging in residential student rooms, hallways, lobbies or any location not designated for such storage is prohibited. Students with accessibility needs, who require electric mobility devices (like a scooter) should obtain an accommodation through the Student Accessibility Services office. The accommodation request should be made in writing prior to

bringing the electric mobility device to campus.

Charging of electronic transportation devices may be hazardous activity given the size of the batteries for these devices. Damaged or defective batteries can overheat, catch fire, or explode. Owners of these devices should be sure to follow the National Fire Protection Association's guidance:

1. Only purchase and use devices, batteries, and charging equipment that are listed by a nationally recognized testing lab and labeled accordingly.
2. Always follow the instructions from the manufacturer.
3. Only use the battery and the charger that were designed for, and came with, the device.
4. Do not keep charging the device or device battery after it is fully charged.
5. Only charge one device or device battery at a time to prevent overloading the circuit.
6. Keep batteries at room temperature when possible. Do not charge them at temperatures below 32°F (0°C) or above 105°F (40°C).
7. Do not store batteries in direct sunlight or inside hot vehicles, and keep them away from children and liquids.
8. Store e-bikes, e-scooters, and batteries away from exit doors and anything that can get hot or catch fire.
9. Only have device repairs performed by a qualified professional.
10. Do not put lithium-ion batteries in the trash. Recycling is always the best option. Take the batteries to a battery recycling location or contact your local waste department for disposal instructions.
11. Stop using the device if you notice any of these problems with the battery: unusual odor, change in color, too much heat, change in shape, leaking, smoking, or not keeping a charge.

Quiet Hours/Courtesy Hours

The Residential Life and Housing Office has outlined specific quiet hours and continuous courtesy hours, which are designed to support an environment conducive to study and sleep.

Students who reside in the SUNY Poly residence halls agree to conform to standards of considerate behavior. Respect for the privacy of others and compliance with an environment conducive to study and community living are expected. At all times each resident is expected to be courteous of others by monitoring noise levels so others are not disturbed and by responding immediately and respectfully to requests to be quieter. Other students should not have to ask any one student to lower noise levels on a continuous basis, and ongoing failure to comply with the requests of neighbors and staff to keep noise within private rooms is not acceptable.

Students are under a continuous, 24 hours a day, 7 days a week obligation to be considerate of other students. Disruptive behavior, including noise that extends beyond the resident's individual bedroom, is prohibited. This includes noise from a stereo, speakers placed in a window or any other noise disruptive to students in other rooms. The right of any student to sleep and study always supersedes the desire of other students to create loud noise or entertain guests or visitors. No suite, floor or building is permitted to eliminate the courtesy hours or shorten the quiet hours.

Quiet Hours

Sunday through Thursday, 11 p.m. to 8 a.m.

Friday and Saturday, Midnight to 8 a.m.

Courtesy hours exist at all other times and are a minimum condition to allow residential students the right to study and sleep. During finals weeks, 24-hour Quiet Hours are in effect and cannot be changed. Each resident is expected to initially confront any noise problem that is of concern and to call upon the staff if assistance is needed.

Recreation & Weightlifting Equipment

Students are prohibited from playing sports or rough-housing in the halls as this is not conducive to the indoor learning environment and may cause damage inside the building. Prohibited recreation indoors includes, but are not limited to, tossing, bouncing, or kicking a ball or Frisbee, roller blading, biking, using a scooter or skateboard, using nerf guns, water guns or water balloons.

Residential students are prohibited from engaging in outdoor recreation activities in the vicinity of the residence hall area if the activity presents a danger to personal safety or property or a disruption to the academic living environment. Residents are urged to be respectful of others and to use good judgment when participating in outdoor recreational activities near the residence halls.

Adirondack and Mohawk Hall outdoor spaces have charcoal grills available for residential use. Assigned residents of the complex may utilize the grills. Storage of charcoal and/or lighter fluid within the residence hall is prohibited.

The use or storage of athletic free weights and weight benches in the residence halls is prohibited.

Reporting Repairs

Residential students are responsible for immediately reporting needed repairs for their suite or room and all fixtures, furniture, fire and safety equipment, and effects therein to residential life and housing staff. Prompt notification is required to prevent serious problems from developing. Students are prohibited from doing their own repairs in SUNY Polytechnic-owned housing. Spackling, painting, and any other repairs are prohibited. Repairs and other facility need/requests are submitted by the student through our housing management system on the housing portal.

Right of Inspection/Health & Safety Inspections

SUNY Polytechnic reserves the right of authorized employees to enter residence hall suites at any time to ensure the safety and well-being of members of the college community and the good condition of SUNY Polytechnic property, and for the following purposes: housekeeping, maintenance, damage inspection, occupancy and vacancy determination, emergencies, investigation of suspected violations of the Student Code of Conduct and/or the Housing and Dining License and for announced health and safety inspections (also see Fire Safety).

The Vice President for Student Affairs/Dean of Students or designee may determine that a room safety or welfare check of a student is warranted, if sufficient, reliable information indicates a student may be in danger or is suspected missing and is also not responding to requests at the door for entry to the room. No staff member may enter a student's room for a safety check without permission from the Vice President for Student Affairs/Dean of Students, designee, or the Chief of University Police. All safety/welfare checks will be conducted by at least two people, which will include a combination of Residential Life staff, a member of the Care Team and/or a University Police Officer.

University staff and University Police may enter a student's room at any time, without notice, if they have sufficient information to believe there is an imminent threat to life safety occurring in the room.

At the close of the residence halls and during breaks, the Residential Life and Housing and Facilities staff will enter rooms to check for plugged-in appliances, trash, open windows, lights, unlocked doors, etc. Each semester the residential life and housing staff will conduct health and safety inspections at all residences. Rooms are inspected for illegal or inappropriately used electrical appliances and/or health and safety hazards, including assessing cleanliness. Any violation will result in disciplinary action against the resident and confiscation of prohibited items (also see Prohibited Items). Inspection periods will be announced a minimum of 48 hours in advance. It is preferred that students be present during inspections. If residential students are unable to be present following attempts to

reschedule a convenient time for all, staff will enter rooms in pairs. When conducting health and safety inspections, and before entering a resident's premises, Residential Life and Housing staff will knock and announce themselves. Items in plain view that are specifically prohibited or pose an immediate danger to the room, safety or life will be removed.

Students will be given written notice of the outcome of the inspection, and given 24 to 48 hours to address violations, including cleanliness concerns.

Sales & Solicitation

Solicitation and/or sales by residents or outside agents are not permitted in the residence halls. This includes advertising of candidates in residence – candidates have designated locations for their PR postings. This includes circulation of petitions for legislation, SGU action items or candidate petitions for office. The posting of any advertisement or non-college related material must be authorized by the Center for Student Involvement in accordance with the Campus Posting Policy, and then approved by the Assistant Director/Residence Director. When approved, Resident Advisor staff will post signs in approved locations. For more information, please refer to the Campus Posting Policy.

Screens & Windows

The removal, loss, or damage of a window or screen from student rooms or suites is prohibited and may result in installation/replacement charges and disciplinary action. The throwing of objects from windows and the placing of any objects outside the window, including airdrops, speakers, banners, flyers, and other equipment, is prohibited.

Security

SUNY Polytechnic has provided each residence with various security systems which are designed to enhance the safety of the residential students. However, security and safety are a shared responsibility between SUNY Polytechnic and students residing in the residential facilities. Therefore, residential students are required to comply with policies in order to maintain the security of the buildings.

Residential students are required to keep their room/suite and exterior building doors locked at all times when they are not present or are sleeping. Residential students are strongly advised to insure all of their personal property against loss, damage, and/or theft by appropriate individual or family insurance coverage.

Residential students and their guests will be subject to conduct referral if they attempt to bypass the residential security systems in any of the following manners;

- A. Entering or leaving a residence hall via a window or unauthorized door.
- B. Entering a secured area behind someone (also known as "tailgating") in order to obtain access to an area not authorized

Snow Removal

In order to keep parking lots, open to traffic, emergency snow removal procedures are enacted in the Utica site residence hall parking lots during the winter months. Residential students may be required to move vehicles from the parking lots in the residence hall area during the snow removal process. Vehicles that are not moved may be ticketed and/or towed away for impoundment. (Note: The student is responsible for applicable charges). Residential students will be notified by advance posting for snow removal. Failure to comply with snow removal directives may result in student conduct charges.

Summer Occupancy

This license is in effect for students who request and are approved for housing for the summer session of 2024. Summer housing is offered only to students on campus for an approved academic purpose, and the student must be a full-time residential student in the proceeding spring and following fall semester. Students requesting summer housing will be reassigned to campus suites designated for that purpose. In addition to students, conference guests may occupy certain residence hall rooms during the summer months. Therefore, summer students may be subject to special policies and regulations related to conference groups housed on campus. In addition, students may be required to move to accommodate maintenance work in the residence halls. Fire and safety regulations and health regulations prohibit the cooking of meals in the residence hall suites, including during the summer months. Students may prepare light snacks within rooms and suites, and utilize assigned complex kitchens for cooking. All residential students not approved for a break stay must vacate the residence halls by 3:00 p.m. the day after the last day of fall finals.

Surveillance Cameras

Cameras may not be installed in Private Areas of the Campus. Private Areas are identified as areas including residence hall/suite bedrooms, bathrooms, shower areas, living room, common areas within the suite/apartment, locker and changing rooms, and areas where a reasonable person might change clothing.

Tobacco Free/E-Cigarette/Non-Smoking Policy (Residential Facilities)

The purpose of the non-smoking policy is to limit exposure of the SUNY Polytechnic residence hall community to the second-hand effects of tobacco use and to reduce the risk of fire in and around the residence halls. Tobacco is defined as all tobacco and tobacco-derived products intended for human consumption, including but not limited to cigarettes, e-cigarettes, cigars, hookah or water-pipe devices, pipes, smokeless products, clove cigarettes, bidis, kreteks, cannabis, smokeless tobacco (chew) and snuff.

Smoking and the use of e-cigarettes can activate fire alarms systems in all dormitories (or other campus buildings) and is prohibited. E-cigarettes produce enough vapor to activate smoke alarms. Many fire alarms occur annually due to smoking and the use of e-cigarettes. Activation of smoke alarms results in evacuation of the building. Multiple false alarm evacuations may cause people to respond slowly or not at all when a real fire emergency is occurring. In addition, University Police and the Maynard Fire Department respond to these alarms whenever they occur. These firefighters put their lives on the line when they respond and are here to protect our community.

Significant and increasing disciplinary action will result from the activation of fire alarm systems due to prohibited

smoking and use of e-cigarettes.

Cleaning and maintaining e-cigarettes indoors can also trigger the fire alarm. PLEASE DO NOT perform maintenance on your e-cigarettes indoors.

- Absolutely no tobacco products or smoking of any product or drug will be permitted inside any residence hall room, suite or building (including entry canopy).
- Smoking or vaping of any product is not permitted within 25 feet of residential buildings.
- Students are responsible for the proper disposal of waste associated with tobacco use in campus-provided receptacles.
- Students are responsible for notifying their guests of the tobacco/smoking policy and ensuring they are abiding by the policy.
- Damage/cleaning charges, restitution to the fire department for response services as well as conduct charges may apply to students who choose to violate the tobacco policy.
- Hookahs and similar devices hold ashes that are a fire risk even when not lit. These items are prohibited from the residence halls.
- This policy stresses the rights of residential students to enjoy a tobacco-free environment in the residence halls. It relies on the cooperation of the entire college community. It is the responsibility of all members in the college community to observe the tobacco policy and to direct those who choose to use tobacco products to do so only in the designated smoking areas.

Trash Removal

Residential students are responsible for taking their trash to the designated dumpsters in a timely manner. Personal room trash must be taken directly to the building dumpsters and may not be deposited in the common trash cans of kitchenettes or lounges in any facility. Bottles and cans should be returned immediately and not stored in the residence hall suites (also see Alcohol Policy: Displays). Residential students who do not dispose of their trash in designated containers may be referred for disciplinary action. Residential students should review notices outlining the program. Trash cannot be placed in hallways, stairways, lobbies or outside for any length of time.

Winter Break Occupancy

Residence halls will remain open during the fall and spring semesters. Residence halls are officially closed during the winter break between fall and spring semesters. Residential students housed during break periods must be on the campus for an academic purpose that has been approved by the Director of Residential Life and Housing. Residential students approved for winter break stay must pay an additional pro-rated charge determined by SUNY Polytechnic, payable in advance. Specific accommodations for the winter break are limited and break housing may not be offered in the resident's regularly assigned room. Break stays, including early arrivals, may include policies that are specific to the time period prior to opening and which restrict privileges, particularly in the absence of staff or when staff are in training.

Wireless Equipment

Tampering with or removing any wireless device or equipment is strictly prohibited.

Calendar of Residence Hall Occupancy

Calendars of Occupancy and Calendars for Wildcat Hospitality/Dining Services are available at

<https://sunypoly.edu/student-life/housing-dining/residential-life-housing/dates-deadlines-for-residential-students.html>

All regulations and provisions herein shall remain in effect unless changed or modified by official written notice.

University Police

Kunsela Hall, Room B126 (Utica), (315) 792-7222

University Police provide patrol, investigative, and emergency services to the campus. University Police officers are police officers in the State of New York with authority to enforce New York state vehicle and traffic laws, New York state penal laws, investigate criminal complaints, and make arrests.

In an emergency, students can either call the number above or use outdoor emergency call boxes (marked with blue lights) or indoor red emergency telephones to call the office. As part of their service mission, University Police officers will escort students to campus buildings or parking lots, provide emergency first aid, and provide emergency vehicle assistance. Campus programs are scheduled to educate students about personal safety, sexual assault, drug and alcohol abuse, and crime prevention. The office also provides vehicle registration and assists on safety-related issues with environmental health and safety services.

University Police maintain a daily log that records all crimes reported. The log reports the nature, date, time and general location of each crime, and the disposition of the complaint, if known. The log is open to the public. A request for information can be made in writing to the chief of University Police. The chief will review the entry with the requester and information will be released that does not interfere with a current investigation or violate the confidentiality of a victim.

University Police Annual Security Report

This report is filed as required by the federal "Crime Awareness and Campus Security Act" (hereafter referred to as the Jeanne Clery Act). The purpose of this report is to provide our faculty, staff and students with campus safety information including crime statistics and procedures to follow to report a crime. The report is prepared by the chief of University Police and is electronically available in the University Police section of the SUNY Poly website, sunypoly.edu/university_police/safety. Any questions regarding this report should be directed to room B126 of Kunsela Hall, University Police, or telephone (315) 792-7222. A copy of the SUNY Polytechnic Institute campus crime statistics as reported annually to the U.S. Department of Education will be provided upon request by University Police. Information can also be obtained from the U.S. Department of Education website at ope.ed.gov/security.

Emergency Call Boxes

Emergency call boxes are strategically located throughout SUNY Poly for use by the public to be able to contact University Police for emergencies, as well as general assistance. Emergency call boxes have blue lights for identification at night and in inclement weather.

The campus also utilizes red emergency telephones inside each of the campus buildings, providing additional means in which to contact University Police for services or emergencies. The University Police website provides a complete listing of the locations of these important communication devices.

RAVE-ALERT Emergency Notification System

Students, faculty and staff are encouraged to sign up for RAVE-Alert, a university-wide emergency notification system. At SUNY Poly, those who sign up will receive important information via email, text and voice messages in the event an emergency situation arises on campus. RAVE-Alert will be used in conjunction with other existing and new communication and alert procedures to keep all those on campus safe in the event a serious situation occurs.

To take part in RAVE-Alert, students, faculty and staff can click on the following link, <https://sunypoly.edu/university-police/emergency-information.html>

Parking Regulations & Vehicle Registration

All vehicles parked on campus must display a current parking decal and be registered with the University Police department. SUNY Poly has established parking and traffic regulations which motorists must follow along with New York State traffic laws. A brochure containing campus and parking regulations is available at the University Police department.

Reporting Suspicious or Disruptive Persons

SUNY Poly's University Police department, Residential Life and Housing office, and Facilities department have developed a comprehensive approach toward making the campus a safe and secure place for students. Outdoor emergency call boxes, indoor red emergency telephones, closed circuit video monitors, and electronic door locks in residence halls have been added to increase campus safety. Students who observe a suspicious person on campus or feel threatened in any way should immediately contact the University Police department.

SUNY Poly Card

SUNY Poly card should be kept in its **original condition**, and treated with care. The card is equipped with both a prox chip and magnetic strip. If a hole is punched in or the card is defaced (using stickers, marker, etc.), a replacement cost of \$25.00 will be charged for a new id card.

The SUNY Poly Card also features a prepaid spending account, Wildcat Dollars, offering you a safe and convenient way to make cashless purchases. In addition, financial aid recipients may authorize up to \$700 of excess financial aid to be added to their Wildcat Dollars account. The SUNY Poly Card is welcome as a form of payment at our campus store (as well as our online bookstore for course materials), Student Center food court, Hilltop Market, and all vending machines on campus. It's also good at participating off-campus vendors in the Utica area and Grubhub. Visit <https://get.cbord.com/sunypoly> for a complete list of participating locations.

The Wildcat Dollars account enables students to manage spending while at college without having to carry cash, coins or other cards. There are no costs or fees to participate. Students have 24/7 online account access at <https://get.cbord.com/sunypoly> where they can check the balance in their Wildcat Dollars account, their food service meal plan debit points account, and where they can review their account transaction history, add value to their Wildcat Dollars account and more. Students or their designees (parents, grandparents, aunts, uncles or friends) can add value to their Wildcat Dollars account as needed by check, credit/debit card, or authorizing excess financial aid. Funds transferred by credit or debit card are available instantly, check deposits are accessible on the business day the check is received in the Auxiliary Services office, and financial aid is available within two hours of the online request done through the student's Banner web account.

The balance in the Wildcat Dollars account will carry over from semester to semester. If the Wildcat Dollars were paid for with cash, check or credit card, a partial or full refund of any unused balance can be requested by submitting a written request to the Auxiliary Services Office in Kunsela Hall, Room B112 (ca@sunypoly.edu). The written request must include your name, Campus Card ID (U#) number, home address and balance to be refunded. If submitted via email, the request must be sent from your SUNY Poly email address.

1. General Policy Statement

It is the policy of the State University of New York (SUNY) to issue identification cards to students at its campuses. SUNY Poly requires all students to carry a valid SUNY Poly identification card, and to present or surrender the card to authorized Campus officials upon request as specified in this policy, in order to help ensure the safety of students and

the entire campus community.

2. Specific Policy and Procedure Requirements

A. Presentation or Surrender of Card Upon Request; Confirmation of Student Identity

The identification card (including digital identification cards) must be presented or surrendered upon request of a duly authorized University official, including but not limited to residence hall staff, University Police, Student Affairs staff, and students, contractors, or other staff authorized by the University to supervise campus events, activities, and residence halls.

Individuals may be required to reveal their faces to confirm identity when needed to maintain campus safety or security. Upon request, students must show all identifying information shown on the card and/or surrender the card to the requesting official.

Intentional refusal to present or surrender a student identification card upon request by a University official; alteration or falsification of data on an identification card; creation and/or distribution of falsified identification cards; using an identification card to impersonate others; or refusal to reveal one's face to confirm identity; are violations of this policy and may result in disciplinary action.

Students may be referred for discipline for alleged violation of this Policy.

B. Main Purposes and Uses of The SUNY Poly Card

Students are issued an official campus identification card, the "SUNY Poly Card" with their photograph and student identification number. This card is required to access essential services and facilities on campus including the residence halls and dining facilities, library, fitness center, and more. The card is used to access the dining plan and features a prepaid spending account. The card is also used as a way to identify students and establish their identity, as described in this policy, in circumstances involving possible student conduct code or policy violations, that implicate the health or safety of the student or other individuals or involve the maintenance of public order.

C. SUNY Poly Card Terms and Conditions

SUNY Poly Card users agree to the following terms and conditions when they are issued and receive a SUNY Poly Card:

1. The SUNY Poly Card is the campus identification card and is the property of SUNY Poly. Use of the card to fraudulently identify any individual, other than the issued cardholder, is prohibited.
2. Fraudulent use of the SUNY Poly Card to gain unauthorized campus access or to illegally obtain goods and services is prohibited. Student card holders are subject to policies, procedures and charges for misuse of the SUNY Poly Card as outlined in the Student Code of Conduct and in the Residential Policies and Procedures.
3. The SUNY Poly Card is not transferable to any other person.
4. The SUNY Poly Card holders are responsible for reporting a lost, stolen or damaged card immediately via <https://get.cbord.com/sunypoly>. If unable to access and submit the form, contact University Police immediately by visiting the department in Kunsela or calling 315-792-7111.

D. Lost, Stolen or Damaged SUNY Poly Cards

Students must immediately report lost or stolen cards via <https://get.cbord.com/sunypoly>. This will inactivate the card

so no one else can use it. If a card was stolen, also file a SUNY Poly Card Report with University Police, Kunsela Hall B126 or call (315) 792-7222, 24 hours a day, 7 days a week.

E. SUNY Poly Card Replacement Process: Card Replacement for Resident Students and Commuter Students During Business Hours:

When a card is lost during business hours, Monday through Friday 8:30am to 4:30pm, go to Auxiliary Services, located in the Wildcat Den (Campus Store) in Kunsela Hall. A lost or stolen card will be replaced at that time. A replacement card will be issued - the replacement card fee is \$25. When the new card is issued, the student will need to go to University Police, Kunsela Hall, to have it re-activated for key/card access for residence halls, labs and other locations.

F. SUNY Poly Card Replacement Process: Card Replacement for Resident Students After Business Hours/Weekends

After hours, resident students may obtain a temporary card that will be activated for the purpose of residence hall access until noon on the next business day. University Police, Kunsela Hall, will issue the temporary card. The temporary card must then be permanently replaced by noon the next business day. The Wildcat Den opens at 8:30am, Monday through Friday. For a permanent card, go to Auxiliary Services, located in the Wildcat Den (Campus Store) in Kunsela Hall. The temporary card will be replaced at that time. A replacement card will be issued - the replacement card fee is \$25.

When the new card is issued, the student will need to go to University Police, Kunsela Hall, to have it re-activated as key/card access. If the student is granted a temporary card and the temporary card is not surrendered at the time a new permanent card is created, there will be an additional \$25 charge. Waiver of the \$25 replacement fee may be granted by the Chief of University Police for extenuating circumstances.

Auxiliary Services, and the University are not liable for any charges or other damages incurred if an ID is lost and used by another.

Information Technology Services (ITS)

Helpdesk (Utica): (315) 792-7440, Helpdesk@sunypoly.edu

SUNY Polytechnic Institute Information Technology Services (ITS) provides services and support for computer and related technologies for both academic and administrative needs. Our mission is to maintain a stable computing environment which emphasizes widespread accessibility, availability and reliability, and to enhance college operation and curriculum development through the use of technology and system integration.

The Helpdesk is located on the ground floor of the Peter J. Cayan Library.

Computer Lab Usage

Every student receives a computer account. This account is used to access the college email system, web systems, computer labs, and network services.

SUNY Poly has a number of computer labs for general student use and specialized applications. For more detailed information, visit <https://sunypoly.edu/its/labs.html>.

Methods of Communication

SUNY Poly's primary methods for student communications are through SUNY Poly email and the SUNY Poly website.

Your SUNY Poly email address identifies you as a member of our campus community and helps faculty and college offices to process your requests and inquiries more efficiently. It is important to check your SUNY Poly email regularly and to use it for all college-related email communications.

The ITS website, sunypoly.edu/its, provides tutorial and online self-help information as well as an online ticketing system that students can use to request technology assistance. To utilize the ticketing system, send requests to helpdesk@sunypoly.edu. Students are encouraged to become familiar with the SUNY Poly website, especially Student Announcements, Cancelled Classes, Current Students, Directories, and the Events Calendar.

The community mailer system is utilized for messaging students, faculty, and staff. Messages about changes in hours and services, operations, and health and safety are sent on an as needed basis. Student announcements are frequently sent and are also viewable at any time from the SUNY Poly homepage.

Laboratory Behavior

Each laboratory has its own functions and tools. No one should be in a laboratory if they do not have approved access and training for that laboratory. Always dress appropriately, and wear safety equipment as required (these requirements are explained in the Environmental Health & Safety and/or Departmental training sessions). Students should listen to directions from the laboratory staff as these staff members have more experience than new students.

Safety is the number one priority in laboratories. It is your responsibility to clean up after yourself. All glassware should be washed and all chemicals labeled and waste properly disposed of as described in the Chemical Hygiene Plan and safety training. This is extremely important for safety but also shows respect for those who use the laboratory.

Lastly, violations of laboratory safety rules, such as allowing untrained people into the laboratory, releasing or discussing confidential laboratory work with unauthorized individuals, abuse of equipment or damage to tools and equipment, or creating dangerous or hazardous situations will be dealt with through the SUNY Poly student conduct process.

Bias Crimes Prevention

Hate Crimes & the Law

It is a SUNY Poly University Police (UP) mandate to protect all members of the SUNY Poly community by preventing and prosecuting bias or hate crimes that occur within the campus jurisdiction.

Hate crimes, also called bias crimes or bias-related crimes, are criminal activities motivated by the perpetrator's bias or attitude against an individual victim or group based on perceived or actual personal characteristics, such as their race, religion, ethnicity, national origin, gender, sexual orientation, gender identity, or disability. Hate/bias crimes have received renewed attention in recent years, particularly since the passage of the federal Hate/Bias Crime Reporting Act of 1990 and the New York State Hate Crimes Act of 2000 (Penal Law Article 485). Copies of the New York law are available from UP.

Penalties for bias-related crimes are very serious and range from fines to imprisonment for lengthy periods, depending on the nature of the underlying criminal offense, the use of violence or previous convictions of the offender. Perpetrators who are students will also be subject to campus disciplinary procedures where sanctions including dismissal are possible.

In addition to preventing and prosecuting hate/bias crimes, UP also assists in addressing bias-related activities that do not rise to the level of a crime. These activities, referred to as bias incidents and defined by the University as acts of bigotry, harassment, or intimidation directed at a member or group within the SUNY Poly community based on national origin, ethnicity, race, age, religion, gender, sexual orientation, gender identity, disability, veteran status, color, creed, or marital status, may be addressed through the State University's Discrimination Complaint Procedure or the campus

conduct code. Bias incidents can be reported to University Police, Human Resources, and/or the Title IX coordinator. If you are a victim of, or witness to, a hate/bias crime on campus, report it to UP by calling (315) 792-7111 in an emergency, using a blue light or red emergency phone, (315) 792-7222 or stopping by UP. University Police will investigate and follow the appropriate adjudication procedures.

Victims of bias crimes or bias incidents can avail themselves of counseling and support services from the campus as follows: Counseling Center, Campus Center, Suite 217, (315) 792-7172.

For information on SUNY Poly security procedures, see sunypoly.edu/university_police/security_policies, or call (315) 792-7222.

More information about bias-related and bias crimes, including up-to-date statistics on bias crimes, is available from University Police, (315) 792-7222.

Child Sexual Abuse Reporting Policy

Any employee, or student of, or volunteer for SUNY Poly who witnesses or has reasonable cause to suspect any sexual abuse of a child occurring on SUNY Poly property or while off campus during official SUNY Poly business or SUNY Poly sponsored events shall have an affirmative obligation to report such conduct to the University Police Department immediately. University Police is located in Kunsela Hall B126 or call (315) 792-7111. Such report should include the names of the victim and assailant (if known), other identifying information about the victim and assailant, the location of the activity, and the nature of the activity. Upon receiving such a report, the University Police Department shall promptly notify the Vice President of Human Resources, Vice President for External Relations and College President along with the Commissioner of University Police at SUNY System Administration who shall report such incidents to the Chancellor for periodic reporting to the Board of Trustees.

In addition, to aid in the prevention of crimes against children on property of SUNY Poly and/or during official SUNY Poly business at events sponsored by SUNY Poly, relevant employees should be trained on the identification of such crimes and proper notification requirements. Vendors, licensees or others who are given permission to come onto campus or to use SUNY Poly facilities for events or activities that will include participation of children shall ensure that they have in place procedures for training, implementation of applicable pre-employment screening requirements and reporting of child sexual abuse.

For purposes of this policy, the applicable definitions of child sexual abuse are those used in the NYS Penal Law in Articles 130 and 263 and Section 260.10, and “child” is defined as an individual under the age of 17.

Academic Integrity Policy

SUNY Poly is committed to academic excellence in a climate of honesty, respect and trust. The mutually respectful exchange of honest ideas is foundational to the intellectual vigor of the SUNY Poly community. Across all of the University’s various settings, faculty and students are encouraged to engage in intellectual pursuits for the betterment of all those involved. The University seeks to maintain and enhance its educational environment through the development, promotion, and enforcement of standards for academic integrity.

Faculty & Students' Responsibilities

Faculty

Faculty are responsible for being aware of the SUNY Polytechnic Institute Academic Integrity Policy and contributing to student development by promoting academic integrity, addressing dishonesty, and assisting in the development of ethical reasoning. Such behavior includes:

- Providing a clear and complete syllabus which describes course expectations, guidelines, and standards of performance, as well as those of the university that concern academic integrity.

- Holding students responsible for knowing these expectations and guidelines.
- Fostering an environment where academic integrity is expected and respected.
- Detecting and properly handling breaches of academic integrity.
- Fostering a classroom environment in which all students are treated with courtesy and respect.
- Creating assessments that are effective evaluations of student mastery of course content.
- Evaluating student work based on its academic merit.
- Giving students timely and honest feedback.

Students

Students are responsible for being aware of the SUNY Polytechnic Institute Academic Integrity Policy and demonstrating behavior that is honest and ethical in their academic work. Such behavior includes:

- Following the SUNY Polytechnic Institute Academic Integrity Policy.
- Following the instructor's rules and processes related to academic integrity as directed in the course syllabus and related course documents.
- Asking the instructor for clarification if the standards of academic performance are not clear.
- Asking the instructor for clarification if the syllabus, assignments, or grading policies seem unclear.
- Helping to foster a campus environment where academic integrity is expected and respected.
- Treating each other with courtesy and respect and helping to foster a classroom environment in which all students are treated with courtesy and respect.

Article I. Definitions

For the purpose of this policy **shall** means an absolute requirement.

Article II. Standards of Academic Integrity

The student's first obligation is to pursue academic objectives conscientiously and honestly. The student is required to conform to all regulations of the State University of New York and SUNY Polytechnic Institute, the department and program in which the student is matriculated, and the classes in which the student is enrolled. The student is expected to complete all academic work, including but not limited to papers, examinations, laboratory reports, and other assignments in compliance with the standards set forth in this code. Academic achievement is ordinarily evaluated on the basis of work produced independently. A student who attempts to obtain credit for work, words, or ideas that are not their own is dishonest. Misrepresentations of facts, significant omissions, or falsifications in any academic work are also violations of this code. Infringement of this code entails penalties ranging from reprimand to dismissal from SUNY Polytechnic Institute. Dishonesty undermines the integrity of academic standards. Misunderstanding the code is not an acceptable excuse for academic misconduct.

Article III - Summary of Academic Integrity Policy

A student's name or other unique identifier on any course exercises (e.g., essay, theme, report, notebook, performance, computer program, course paper, laboratory or practicum or co-op report examination, website, or quiz) is taken as assurance that the exercise is the product of the student's own thoughts and study, and that it is expressed in the student's own words and produced without assistance except as indicated by quotation marks, citations, references and footnotes acknowledging use of printed sources or outside help. In some instances the faculty member or department may authorize students to work together to solve problems, complete projects, or produce written or performed coursework; any such effort must be clearly marked as the product of collaboration. Where collaboration is authorized, instructors may require that students clearly indicate which parts of the assignment were performed independently and which parts collaboratively.

Work from a prior course may be used in a subsequent term when the explicit consent of the current instructor has been secured. Work may be used concurrently in more than one course with the explicit consent of all instructors

involved. Prior work in this manner must be explicitly acknowledged. As a general rule, it is expected that the totality of products incorporating such work in multiple courses will be sufficiently different.

Article IV - Prohibited Behavior

1. Plagiarism: Any piece of work that has been presented as the individual creation of the student is assumed to involve no assistance from any other person. Plagiarism is the use of another person's work, words, or ideas without attribution. It may involve using another person's words without quotation marks, citations, references, and/or footnotes to indicate the appropriate source. Paraphrasing or summarizing the content of another's work is not dishonest as long as the source is clearly identified. Paraphrasing when the source is properly cited does constitute independent work; however the faculty member may still reject it as inappropriate. Plagiarism may also involve misrepresenting the sources that were used. The issue of plagiarism applies to any type of academic work, including but not limited to papers, examinations, quizzes, computer programs, works of art, photography, video, and websites.

2. Inappropriate Collaboration: Collaboration on academic work requires acknowledgment. It is academically dishonest to work with another person to develop, organize, or revise a project (e.g., paper, oral presentation, research project, or take home/on-line examination) without acknowledging that person's help. Specific policies regarding collaborative work, peer review, use of tutors, and editing vary from faculty member to faculty member. It is the student's obligation to check with the instructor concerning any collaborative academic effort.

3. Dishonesty in Examinations (In-Class, Take-Home, or On-Line): An examination must be solely the student's own work, unless otherwise directed by the faculty member. Communication is not allowed between or among students while an examination or quiz is being taken, nor are students permitted to consult books, papers, study aids, or notes without the faculty member's explicit permission. Cheating includes, but is not limited to, copying from another's paper, giving unauthorized assistance to another, obtaining unauthorized advance knowledge of the questions to an examination or quiz, or the use of mechanical marking devices or procedures to achieve false scores on machine graded examinations. Specific policies may vary from faculty member to faculty member.

4. Dishonesty in Papers and Reports: The student is prohibited from submitting any material prepared by or purchased from another person or entity. All written material submitted in fulfillment of course requirements must be the student's original work, unless sources are cited following the accepted protocols for citation of another person's work or ideas.

5. Falsification of Data: The student may not falsify data or distort supporting documentation for coursework or any other academic activity.

6. Copyright Violations: Copyrighted material is the property of the copyright holder and may only be used with appropriate authorization. The student must observe copyright laws governing practices of using printed materials, duplicating computer software, photo duplicating copyrighted materials, and reproducing video and audio cassettes and other audio-visual materials. The Student Code of Conduct prohibits theft or unauthorized use of another's property and requires adherence to federal and state laws.

7. Other Offenses Against the Academic Integrity Policy: In addition to the practices specified above, academic misconduct embraces all other practices that circumvent procedures designed to assure a fair grade. Use of the services of commercial term paper or similar companies is cheating, and a punishable offense. Student groups may not maintain and reuse papers, reports, course exercises, or examinations that have been kept on file from prior years. Falsification of records, whether before or after graduation, is misconduct. Gaining access to a confidential recommendation without permission, after waiving right of access, is a violation of this code. Withholding, altering, or destroying materials needed by other students for course exercises is an offense against the academic code. Lying in the course of an investigation of an academic offense or during a judicial proceeding is a violation of the Student Code of Conduct.

Article V. Adjudication of Charges

1. Faculty member action:

The faculty member must make a judgement of whether the student's action is an error of learning, an error of judgement, or an action of willful intention. In the event of errors of learning or judgement, the faculty member must follow the guidelines for the assignments or course, wherein the corrective actions and/or pedagogical responses must be stated for such errors. In the event of the latter two, the faculty member shall assess an appropriate penalty.

Common penalties may include but are not limited to requiring the student to rewrite or correct a submitted assignment, requiring the submission of a substitute assignment, loss of credit for the assignment, or a failing course grade. The faculty member will communicate the nature of the intended penalty to the student. Notification shall be by means currently specified for official University written communications at the time of adoption of this policy. The faculty member shall then make a written record of the incident, including the evidence, the assessed penalty and whether *the reason why* the incident is believed to be an error in judgment worthy of *penalty* or willful misconduct. This record shall be reported to the Provost by means currently specified for official University written communications (e-mail at the time of adoption of this policy email to provost@sunypoly.edu) within two calendar weeks of discovery of the alleged offense and after notification has been made to the student.

2. Administrative Action:

If there is an allegation of academic misconduct not related to a specific course the Provost shall designate an officer at the lowest practical level of the organizational structure to resolve the issue. That individual shall review the case following the same procedure described in Article IV, Section 1, assuming the role of the faculty member.

3. Procedure

a. Initial review

An initial administrative review shall be conducted to ascertain whether a more severe penalty than proposed by the faculty member is warranted in light of the student's Academic Integrity history; for repeat violations a more severe penalty may be appropriate.

An initial administrative review applies to alleged offenses reported by faculty under Article IV, Section 1 of this policy; it does not apply to offenses reported under Article IV, Section 2. Within one calendar week of notification by a faculty member, the Provost shall designate the head of the academic unit responsible for supervision of the course in which the offense occurred to conduct an initial administrative review. The Provost will provide the unit head with the substance of the faculty member's report, a summary of the evidence presented by the faculty member, and a summary of the student's Academic Integrity history. Within one calendar week of such designation, the unit head will review the case and make a recommendation to the Provost with respect to the penalty. The Provost will transmit this recommendation to the faculty member. The faculty member may consider but is not obligated to follow this recommendation. The faculty member shall communicate this decision to both the student and to the Provost within one calendar week of receipt of the recommendation.

b. Appeal of Misconduct - Action by the Academic Integrity Board

A hearing by the Academic Integrity Board is triggered by either:

a) *An appeal of the final action of the faculty member.* This appeal must be filed with the Provost within two calendar weeks of the final action by the faculty member under Article IV, Section 3 (a). The finding of misconduct is subject to appeal; disagreement with the penalty less than suspension or dismissal is not subject to appeal.

or

b) Any case in which the proposed penalty is suspension or dismissal.

Once an appeal is triggered the Provost shall convene a meeting of the Academic Integrity Board, notifying the faculty member and the student in the manner currently specified for official University written

communications within one calendar week of the trigger. The notification shall outline the procedure. The hearing shall be scheduled within two calendar weeks thereafter. The student may elect to have an advocate present; the student may not have legal counsel present.

At the hearing the faculty member shall summarize the case and present the evidence. The student may respond and present evidence. The proceeding is not a trial, but a forum for both the faculty member and the student to present their understanding of the situation. In cases not involving a proposed penalty of suspension or dismissal the charge to the Board is solely to determine whether the student did commit the infraction as charged; the Board is not empowered to review or comment upon the appropriateness of the penalty. In cases where the proposed penalty is suspension or dismissal the charge to the Board is to determine whether the student did commit the infraction as charged and to recommend a penalty.

The Board has one calendar week to meet separately and submit a written summary of their findings to the Provost whereupon the Provost will send copies to the student and to the faculty member. The report shall include the number of Board members supporting the report, the number opposed, and the number of abstentions; it shall not identify how individual Board members voted. Minority reports may be produced and included as part of the Board report. Upon receipt of the Board report and consideration thereof, the faculty member may impose

the penalty other than suspension or dismissal. While the faculty member is not bound by the recommendation of the Board, there is strong encouragement to follow its recommendation.

If, at the conclusion of the two-week appeal period, no appeal is filed, and the case does not involve suspension or dismissal the faculty member may impose the penalty as determined as a final action.

b. Composition of the Academic Integrity Board

The panel of faculty eligible to serve on the Academic Integrity Board shall consist of all FT academic staff members. The panel of students eligible to serve on the Academic Integrity Board shall consist of twelve students designated by the student government.

As cases are referred to the Academic Integrity Board the Provost shall select five faculty and two students from the respective panels who are available and willing to serve. The Provost shall not select any panel member directly or indirectly related to the case. The people so selected shall select one of their members to act as chair and be responsible for writing the Board's report.

c. Suspension or Dismissal

Where the proposed penalty is suspension or dismissal, the Provost forwards all materials (the initial report, the evidence, the student's Academic Integrity history, and the report of the Academic Integrity Board) to the President for a final determination and action.

d. Time Lines

The Provost may extend the timelines at any step of the process upon showing of good cause, with such extensions reported to all parties prior to the original deadline for that step.

e. Withdrawal Prohibited

Once a charge has been filed against a student, withdrawal from the course is precluded; the student may not escape or evade a penalty by withdrawing from the course.

f. Credit by Exam Prohibited

A student who has received a penalty for an Academic Integrity violation is not permitted to obtain credit or an improved grade for that course through the use of credit by examination (an "EX" course grade). This prohibition does not prevent a student from getting credit through external means such as an appropriate grade on a CLEP exam, or transfer credit (subject to the transfer credit policy) for taking an equivalent course

elsewhere.

4. Appeal of Grade

After the completion of a misconduct hearing, a student may appeal a grade penalty through the campus grievance procedure. The only grounds for a grade appeal are the student's belief that a grade or grade penalty has been assigned on a capricious basis. A capricious grade is one based on a standard other than performance in a course, on more exacting or demanding standards than were applied to other students in the course, or on standards that depart substantially from those the faculty member previously announced for the course.

5. Access to Records

Due to the extremely sensitive and personal nature of the records in academic integrity cases, it is of the utmost importance that confidentiality be strictly observed. Records associated with academic integrity cases are housed in the Provost's office in physical or electronic format. Access is restricted to the Provost, the administrative assistant (or similar position) providing direct support to the maintenance of the Provost's office, the person designated by the Provost to conduct the initial review under Section 3a of this policy, the Academic Conduct Board, university counsel, the student involved, the faculty member submitting the complaint and such others as may be required by university policy, state or federal law, or by court order. In those cases, involving suspension or dismissal, access is extended to the President and to the administrative assistant (or similar position) providing direct support to the maintenance of the President's office. Persons accorded access to records may not grant access to others outside the scope of this policy.

B. Supplementary Rules – The rules in section I.A. of this policy may be supplemented by additional rules for the maintenance of public order but only to the extent that such rules are not inconsistent with those listed here.

1. The additional campus rules must be approved by the Board of Trustees of the State University of New York and filed with the commissioner of education and the Board of Regents within 90 days of adoption by the Board of Trustees.
 - a. The establishment of supplementary rules for the maintenance of public order does not preclude the establishment of student behavior codes by College Councils in accordance with the procedures described in Board of Trustees policy Student Conduct Regulation Guidelines.
 - b. Hereafter, whenever this policy refers to the Rules for the Maintenance of Public Order it shall also be deemed to include any supplementary rules promulgated hereunder.

C. Applicability of the Rules – The rules and regulations contained in section I.A. of this policy govern the conduct of students, faculty, all other staff, licensees, invitees and all other persons, whether or not their presence is authorized, upon any University campus to which the rules apply. They also apply to the same individuals with respect to any other premises or property, under the control of the University or University campus, and that are used in teaching, research, administrative service, cultural, recreational, athletic or other programs and activities.

1. Charges against any student for violation of the rules in section I.A. of this policy that result from alleged actions upon the premises of any other campus to which these rules apply shall be heard and determined at the campus where the student is enrolled.

D. Communication of the Rules – The rules in section I.A. of this policy as well as any approved additional campus rules for the maintenance of public order shall be provided to all students enrolled in the campuses of the University.

1. Campuses shall promptly communicate with all members of the campus community (administration, faculty, staff and students) on issues related to the rules in section I.A. of this policy as well as supplementary rules adopted and approved by the Board of Trustees.
2. To the extent that time and circumstances permit, such communication shall precede the exercise of the authority, discretion and responsibilities granted and imposed by the rules in this policy. Each campus in matters such as these shall employ such procedures and means, formal and informal, as will promote such communication.

E. Freedom of Speech and Assembly; Picketing and Demonstrations

1. No student, faculty member or other staff member or authorized visitor shall be subject to any limitation or penalty for expressing his or her views or for assembling with others for such purpose;
 - a. peaceful picketing and other orderly demonstrations in public areas of campus grounds and buildings are not subject to interference provided there are no violations of the rules in section I.A. of this policy.
2. In order to provide maximum protection to the participants expressing their freedom of speech and to the campus community, each president shall:

- a. promulgate procedures appropriate to that campus for provision of reasonable advance notice of the date and time of any planned assembly, picketing or demonstrations upon the grounds of the campus; the proposed location of the assembly or exercise; and the intended purpose;
 - i. the procedures and processes shall be reviewed and revised periodically;
 - ii. the procedures and processes for advance notice shall not be made a condition precedent to any assembly, picketing or demonstration; and
 - iii. providing advance notice shall not automatically have permission to use a campus facility or building without also following the appropriate processes for obtaining permission to use campus facilities and buildings.

II. Campus Procedures and Penalties for the Violation of the Rules of Maintenance of Public Order

The Board of Trustees of the State University of New York has adopted campus procedures and penalties for the violation of the rules of maintenance of public order on campuses and other campus properties used for educational purposes pursuant to NYS Education Law §6430, as outlined herein.

A. Procedures and Penalties for Different Categories of Individuals

1. The president shall inform any licensee or invitee who shall violate any provisions of these rules that his or her license or invitation is withdrawn and shall direct him or her to leave the property of the campus. In the event of a failure or refusal to leave the premises the president shall cause the licensee or invitee's ejection from the campus.
2. In the case of any other violator, who is neither a student nor faculty or other staff member, the president shall inform the violator that they are not authorized to remain on the property of the campus and direct them to leave the premises. In the event of a failure or refusal to leave the premises the president shall cause the violator's ejection from the campus's property.

Nothing in this subdivision shall be construed to authorize the presence of anyone at any time prior to such violation nor to affect his or her liability to prosecution for trespass or loitering as prescribed in the penal law.

3. In the case of a student, charges for violation of any of these rules shall be presented and shall be heard and determined in the manner hereinafter provided in section II.3.b. and section II.3.c. of this policy.
 - a. The policy Student Conduct Regulation Guidelines authorized by NYS Education Law §356(3)(g) and codified in 8 NYCRR §500 provides for College Councils to promulgate or review and ratify rules for student conduct subject to supervision of the Board of Trustees of the State University of New York. The rules so established in such local conduct codes are valid only if they are adopted by College Councils in the manner consistent with Trustee policy. The decision to charge a student under such rules in the campus's local conduct code or those rules contained in section I.A. of this policy must be made. Once the choice is made, the campus must completely adhere to and follow the procedures, processes and penalties described for the path elected. A campus cannot charge a student under both the campus local code of conduct and the rules and procedures set forth in this policy.
 - b. Notice, Hearing and Determination of Charges against Students
 - i. Whenever a complaint is made to the president of a violation by a student or students of the rules prescribed in section I.A. of this policy or whenever he or she has knowledge that such a violation may have occurred, he or she shall cause an investigation to be made and the statements of the complainants, if any, and of other persons having knowledge of the facts reduced to writing.
 - ii. If the president is satisfied from such investigation and statements that there are reasonable grounds to believe that there has been such a violation, he or she shall prepare or cause to be prepared charges against the student or students alleged to have committed such violation.
 - iii. The charges shall state the specific offense and section designation of the offense's prohibition and shall specify the ultimate facts alleged to constitute the offense. Such charges shall be in writing and shall be served on the student or students named therein by delivering the charges to the student or

students personally, if possible, or, if not, by mailing a copy of such charges by registered mail to the student or students at their usual place or places of abode while attending campus and also to their home address or addresses, if different.

- iv. The notice of charges so served shall fix a date for a hearing of the charges not less than 10 or more than 15 days from the date of service which shall be the date of mailing where necessary to effect service by mail.
 - v. Failure to appear in response to the charges on the date fixed for the hearing, unless there has been a continuance for good cause shown, shall be deemed to be an admission of the facts stated in such charges and shall warrant such action as may then be appropriate. Before taking such action, the hearing committee, referred to section II.3.c. of this policy, shall give notice to any student, who has failed to appear, in the manner prescribed in section II.3.b.iv. of this policy, of its proposed findings and recommendation to be submitted to the president and shall so submit such findings and recommendations 10 days thereafter unless the student has meanwhile shown good cause for his or her failure to appear, in which case the hearing shall be rescheduled.
 - vi. Upon demand at any time before or at the hearing, the student charged or his or her duly designated representative shall be furnished a copy of the statements taken by the president in relation to such charges and the names of other witnesses who will be produced at the hearing in support of the charges. The provision of the witness names and statements shall not preclude the testimony of witnesses who were unknown at the time of such demand.
 - vii. The president may, upon the service of charges, suspend the student named therein, from all or any part of the campus's premises or facilities pending the hearing and determination thereof, whenever, in the president's judgment, the continued presence of such student would constitute a clear danger to himself or herself or to the safety of persons or property on the premises of the campus or would pose an immediate threat of disruptive interference with the normal conduct of the campus's activities and functions; provided, however, that the president shall grant an immediate hearing on request of any student so suspended with respect to the basis for such suspension.
4. In the case of a faculty member having a continuing or term appointment, charges of misconduct in violation of these rules shall be made, heard and determined in accordance with title D of Part 338 of the Policies of the Board of Trustees [see UUP Bargaining Agreement Article 19.]
- a. Penalties – If a faculty member having a continuing or term appointment, is found guilty of misconduct through violations of the rules in section I.A. of this policy, he or she may be subject to dismissal or termination of his or her employment or such lesser disciplinary action as the facts may warrant including suspension without pay or censure.
5. In the case of any staff member who holds a position in the classified civil service, described in NYS Civil Service Law §75, charges of misconduct in violation of these rules shall be made, heard and determined as prescribed in that section.
6. Any other faculty or staff member who shall violate any provision of these rules be dismissed, suspended without pay, or censured by the appointing authority as prescribed in the Policies of the Board of Trustees.
7. Organizations which operate upon any campus of the University or upon the property of any University campus used for educational purposes shall be prohibited from authorizing the conduct described in section I.A.16. of this policy.
- a. The president at each campus shall be responsible for the enforcement of this section.
 - b. Whenever the president has determined on the basis of a complaint or personal knowledge that there is reasonable ground to believe that there has been a violation of section I.A.16. of this policy by any organization, the president shall prepare or cause to be prepared written charges against the organization, which shall state the rule, and section violated and shall specify the ultimate facts alleged to constitute such violation.

- c. Such written charges shall be served upon the principal officer of the organization by registered or certified mail, return receipt requested, to the organization's current address and shall be accompanied by a notice that the organization may respond in writing to the charges within 10 days of receipt of said notice. The notice of the charge so served shall include a statement that the failure to submit a response within 10 days shall be deemed to be an admission of the facts stated in such charges and shall warrant the imposition of the penalty described in section II.A.7.g. of this policy. The response shall be submitted to the president and shall constitute the formal denial or affirmation of the ultimate facts alleged in the charges. The president may allow an extension of the 10-day response period.
- d. Upon written request, by an authorized representative of the organization, the president shall provide the representative organization an opportunity for a hearing. A hearing panel designated by the president shall hear or receive any testimony or evidence which is relevant and material to the issues presented by the charge and which will contribute to a full and fair consideration thereof and determination thereon. The organization's representative may confront and examine witnesses against and may produce witnesses and documentary evidence on its behalf.
- e. The hearing panel shall submit written findings of fact and recommendations for disposition of the charge to the president within 20 days after the close of the hearing.
- f. Final authority to dismiss the charges or to make a final determination shall be vested in the president. Notice of the decision shall be in writing; shall include the reasons supporting such decision; and shall be served on the principal officer of the organization by mail in the manner described in section II.A.7.c. of this policy within a reasonable time after such decision is made.
- g. Any organization, which authorizes the prohibited conduct described in section I.A.16. of this policy, shall be subject to the rescission of permission to operate upon the campus or upon the property of the campus. The penalty provided in this subdivision shall be in addition to any penalty which may be imposed pursuant to the penal law and any other provision of law, or to any penalty to which an individual may be subject pursuant to this policy or the student code of conduct for the campus.
- h. The Hearing Committee and Its Procedures for Charges against Students
 - i. There shall be constituted at each campus a hearing committee to hear charges against students of violation of the rules for the maintenance of public order entailed to in section I.A. of this policy. Such committee shall consist of three members of the administrative staff and three members of the faculty, designated by the president, and three students who shall be designated by the members named by the president. The president shall appoint a chairperson of the committee.
 - ii. Each such member shall serve until his or her successor or replacement has been designated.
 - iii. No member of the committee shall serve in any case where he or she is a witness or is or has been directly involved in the events upon which the charges are based. In order to provide for cases where there may be such a disqualification and for cases of absence or disability, the president shall designate an alternate member of the administrative staff and an alternate member of the faculty, and the president's principal designees shall designate an alternate student member, to serve in such cases.
 - iv. Any five members of the committee may conduct hearings called by the chairperson and make findings and recommendations as hereinafter provided. At any campus where the president determines that the number of hearings which will be required to be held is, or may be, so great that they cannot otherwise be disposed of with reasonable speed, he or she may determine that the hearing committee shall consist of six members of the administrative staff and six members of the faculty to be designated by him or her and of six students who shall be designated by the members designated by him or her. In such event the president shall designate one of such members as chairperson who may divide the membership of the committee into three divisions each to consist of two members of the administrative staff, two faculty members and two students and may assign charges among such divisions for hearing. Any four members of each such division may conduct hearings and make recommendations as hereinafter provided.
 - v. The hearing committee shall not be bound by the technical rules of evidence but may hear or receive any testimony or evidence which is relevant and material to the issues presented by the charges and which will contribute to a full and fair consideration thereof and determination thereon.

- vi. A student against whom the charges are made may appear by and with representatives of his or her choice. The charged student but not his or her representatives or witnesses may confront and examine witnesses against him or her and may produce witnesses and documentary evidence in their own behalf.
 - vii. There may be present at the hearing: the student charged and his or her representatives and witnesses; other witnesses; representatives of the campus's administration; and, unless the student shall request a closed hearing, such other members of the campus community or other persons, or both, as may be admitted by the hearing committee.
 - viii. A transcript of the proceedings shall be made.
 - ix. Within 20 days after the close of a hearing, the hearing committee shall submit a report of its findings of fact and recommendations for disposition of the charges to the president together with a transcript of the proceedings, and shall at the same time transmit a copy of its report to the student concerned or his or her representative. Within 10 days thereafter the president shall make his determination thereon.
 - x. Final authority to dismiss the charges or to determine the guilt of those against whom they are made and to expel, suspend or otherwise discipline them shall be vested in the president. If the president shall reject the findings of the hearing committee in whole or in part, he or she shall make new findings which must be based on substantial evidence in the record and shall include them in the notice of the final determination which shall be served upon the student or students with respect to whom it is made.
 - c. Penalties – Students found to be responsible for a violation of the rules of public order shall be subject to expulsion or such lesser disciplinary action as the facts of the case may warrant, including suspension, probation, loss of privileges, reprimand or warning.
- III. **Mandates for Enforcement of the Rules for Maintenance of Public Order**
- A. The Board of Trustees of the State University of New York has adopted enforcement policies for the rules and regulations for the maintenance of public order on campuses and other campus properties used for educational purposes pursuant to NYS Education Law §6430 as outlined herein.

Enforcement Program

- 1. The president shall be responsible for the enforcement of the rules in §I.A. of this policy and he or she may designate to other administrative officers' authorization to take action in accordance with such rules when required or appropriate to carry them into effect.
- 2. It is not intended by any provisions herein to curtail the right of students, faculty or staff to be heard upon any matter affecting them in their relations with the campus. In the case of any apparent violation of the rules in section I.A. of this policy by such persons, which, in the judgment of the president, does not pose any immediate threat of injury to person or property, the president may make reasonable effort to learn the cause of the conduct in question. They may make a reasonable effort to persuade those engaged therein to desist and resort to permissible methods for the resolution of any issues which may be presented. In doing so, the president shall warn such persons of the consequences of persistence in the prohibited conduct, including their ejection from any premises of the campus where their continued presence and conduct is in violation of these rules.
- 3. In any case where violation of the rules in section I.A. of this policy does not cease after such warning and in other cases of willful violation of such rules, the president shall cause the ejection of the violator from any premises, which he or she occupies in such violation. The president shall initiate disciplinary action as provided in section II of this policy.
- 4. The president may apply to the public authorities for any aid, which he or she deems necessary in causing the ejection of any violator of these rules.
- 5. The president may request the University counsel to apply to any court of appropriate jurisdiction to restrain the violation or threatened violation of such rules.

Definitions

Organization – includes but is not limited to, recognized campus or student government organizations or clubs, alumni organizations, athletic teams and clubs, fraternities and sororities or any group that has access to and uses campus facilities.

College Policies & Additional Information

Absentee Policy for Student Athletes

During the season, the student athlete may occasionally have to miss classes for scheduled athletic events. In these instances, the student athlete is responsible for notifying the faculty member/instructor of their intention to miss class, arrange procedures for reviewing notes from the class, arrange for turning in required work prior to departure or upon return (as agreed upon by the student athlete and faculty member/instructor, and for fulfilling any other class requirements. An absence due to a scheduled athletic contest does **not** mean the student athlete is excused from completing the work.

It is required that the student athlete submit the Notice of Class Absence sheet to each faculty member/instructor, the first week of classes. This will give the student athlete the opportunity to discuss their schedule with the faculty member/instructor and make any changes that are necessary.

Academic Research Involving Human Subjects (IRB)

Before any research project involving human subjects can be initiated, a review must be conducted by a committee of faculty members (the Institutional Review Board, IRB) appointed to ensure that safe protocols and confidential procedures are followed. Cancellation of Classes Due to Inclement Weather or Other Emergencies

Class cancellations due to weather or emergencies are communicated through the RAVE Alert system, SUNY Poly's website (<http://www.sunypoly.edu>) and social media channels. Local media outlets in the Utica and Syracuse markets are notified as well, and delays and closures should appear on their respective broadcast channels and websites.

Students are encouraged to monitor communications from their instructors, as faculty members may occasionally adjust class schedules, move instruction online, or make other course-specific accommodations. Questions regarding a particular class should be directed to the instructor.

Chosen Name Policy

SUNY Poly is committed to creating a welcoming, diverse, and inclusive campus community for all students, staff, and faculty. SUNY Poly supports that the use of a chosen name will have a positive impact on a student or employee's experience on campus. This policy is intended to align with the SUNY System's guidance and for the purpose of encouraging an environment for personal expression within community standards.

Who does the policy apply to?

This policy applies to undergraduate and graduate students registered at SUNY Polytechnic Institute, whose primary relationship to SUNY Poly is in their role as an enrolled or non-matriculated student in an Associate, Bachelor, Masters, Doctoral, post Bachelor Certificate or Professional level program. This policy also sets forth the process by which SUNY Poly staff and faculty may request a chosen name.

What is a chosen name?

For the purpose of this policy, a chosen name is the **first name** that a person chooses to use in place of their legal name. Last names may not be changed.

What is a legal name?

A legal name is a person's name as recorded on official legal records, such as a birth certificate, social security card, or government issued documents.

If your legal name has changed, please complete SUNY Poly's Change of Name Form and submit it to the Registrar's Office.

How will the chosen name appear on my SUNY Poly ID?

After your chosen name request has been submitted and processed, you may request a new SUNY Poly ID card by visiting the Auxiliary Services Office located in the Wildcat Den. The fee is \$25.00 for a replacement ID card. The chosen name will be displayed on the front of the SUNY Poly issued identification card for students and employees. The legal name will appear on the back of the SUNY Poly identification card. You may not alter the visibility of your legal name on your ID card, such as crossing it out or covering it up.

You are not required to get a new SUNY Poly ID card when you request a chosen name.

How frequently can I change my chosen name?

Chosen name request forms will be reviewed 3 times a calendar year. Forms need to be received by January 1, May 1 or August 1. Approved requests will be updated in all the above-listed areas within two weeks of the deadlines.

May I change my chosen name to any name of my choosing?

A chosen name request is subject to SUNY Poly review and approval. SUNY Poly reserves the right to deny or remove a chosen name request that it determines is being made to misrepresent or avoid legal obligation, or in any other manner that violates SUNY Poly, SUNY, local, state, or federal policy, law rules or regulations. Violations of such policies, laws, rules, or regulations shall be addressed through established procedures.

All requests will be reviewed for approval or denial by the SUNY Poly Chosen Name Committee.

If a request for a chosen name is denied, a student or employee may submit an appeal of this decision to Chief of Staff, Wayne Westervelt. The appeal decision shall be considered final.

Class Attendance

Although SUNY Poly has no formal attendance policy common to all courses, students are expected to attend class regularly. It is the responsibility of the student to notify the instructor if a class will be missed. Generally, a prolonged absence from class is permitted only for an emergency, such as an illness or a death in the immediate family. Students are responsible for any class assignments missed because of absence, regardless of cause. Faculty members are encouraged to provide specific information about attendance requirements in the course syllabus.

Please note that reasonable modifications of attendance policies may be available, when required and appropriate, to students registered through the Office of Accessibility Services or the Title IX Office.

Correction of Education Records

Students have the right to ask to have records corrected that they believe are inaccurate, misleading, or in violation of their privacy rights. Following are the procedures for the correction of records:

Freedom of Expression & Assembly Student Policy & Procedures

PURPOSE

The State University of New York (SUNY) respects and fully supports the rights of free speech guaranteed by the constitutions of the United States and the State of New York. SUNY values the free expression of ideas and supports individuals' right to assemble.

SUNY Polytechnic Institute promulgates this policy to provide meaningful opportunities for members of our community to express their views and to ensure that the time, place, and manner of such expression does not interfere with the safety and security of our campus community or disrupt the regular operations of the campus.

SCOPE

This content-neutral policy is applicable to all SUNY Poly students.

POLICY

SUNY Poly students are guaranteed the rights of free inquiry and expression. Subject to applicable content-neutral policy, students are guaranteed the right to hold public meetings and engage in peaceful and orderly assemblies—including, but not limited to, protests, demonstrations, rallies, vigils, marches, and picketing—in and upon designated public areas of campus grounds and buildings.

SUNY Poly designates the following as public areas for the purpose of peaceful and orderly assemblies:

1. Green/grass area located between Technology Drive and Seymour Road at the campus entrance off of NY State Route 12 South.
2. Green/grass area located between the Wildcat Field House and the Student Center.

SUNY Poly will not interfere with orderly assemblies in designated public areas of grounds and buildings unless participants engage in any of the following:

1. Conduct that prevents the orderly administration of college classes, lectures, meetings, interviews, ceremonies, and other campus events or University operations;
2. Conduct that obstructs the free movement of vehicles or of persons, including, but not limited to in any building or facility, inclusive of blocking hallways and doors;
3. Engage in conduct that could foreseeably cause injury or damage to persons or property;
4. Operation of audio amplification equipment in a manner that conflicts with normal College operations or that is deemed injurious to health and safety, or that is in violation of Town of Marcy ordinances;
5. Constructing or erecting structures, whether or not they are anchored, inclusive of screens and/or objects requiring penetration in concrete or grass, or camp on College grounds without authorization from the Center for Student Involvement and the Facilities Department and indoor and outdoor encampment is generally prohibited ([see campus policies on tents/camping]);
6. Possession and/or ignition of an open flame of any type, including, but not limited to, torches;
7. Assemblies lasting more than one day, duration not to exceed 12 hours in a one-day period, and assemblies between the hours of 10:00PM and 8:00AM are prohibited;
8. Activities that violate the provisions of SUNY Policy 3653, Rules for the Maintenance of Public Order; and
9. Activities that violate the provisions of any other applicable campus policy, including but not limited to: the SUNY Poly Posting Policy, policies and procedures as indicated in the Student Handbook

In addition, the following activities are strictly prohibited:

1. Entry into any private office of an administrative officer, member of faculty, or staff member, or entry into any other college area that is not authorized, without permission;
2. Occupation of a building after it is normally closed and
3. Obstruction of any roadways running through or adjoining the University's campus grounds.

All individuals participating in protests and demonstrations are required to provide a form of University issued or government issued identification upon request from a University official.

SUNY Poly takes compliance with this policy very seriously. Students should expect that violations of this policy will result in disciplinary action under the College's Student Code of Conduct, up to and including interim suspension, suspension, and expulsion.

PROCEDURES

SUNY Poly respects and supports students' efforts to exercise their rights to free speech and assembly. SUNY Poly has designated the Center for Student Involvement, the Office of Conferencing and Events and the Facilities Department to provide the appropriate support for the successful implementation of these events. Following College procedure will ensure a safe and effective assembly activity. The College will make every effort to respond affirmatively to all

requests to engage in assembly activity. However, content-neutral consideration must be given to the time, place, and manner of the assembly activity to ensure the health and safety of the participants and the noninterference with authorized College business, activities, or events.

Services: To help ensure the safety of participants and the protection of the rights of all members of the campus community, the College can provide services to registered student organizations/student requests such as location, safety, crowd control, sound equipment (unless prohibited in certain areas as per Campus rules), site preparation/cleanup, and/or other such facilities or services it deems necessary (“Services”).

Request for Services

1. For assemblies where the need for Services is reasonably foreseeable, event organizers shall, within 5 business days prior to the planned event, submit a written Request for Services, as follows:

A. The written request should contain the name of the sponsor/organizer, the proposed location and any other Services sought, the date and time of the planned assembly, and the number of persons expected to participate.

B. The request should be submitted to The Center for Student Involvement, Student Center, csi@sunypoly.edu

C. A professional staff member from The Center for Student Involvement will promptly respond to the request for Services after receipt of the written request but no later than three (3) business days prior to the proposed date of the planned event.

D. A professional staff member will review the request and work with the sponsor/organizer to accommodate requests and determine a reasonable time, place, and manner for the assembly activity.

E. While every attempt will be made to accommodate all requests, some modifications to the assembly activity request may be required due to the availability of the proposed time and place of the activity. A Student Affairs professional staff member will inform the sponsor/organizer of these modifications and provide guidance as the assembly activity is planned.

F. In the event that the proposed assembly activity is planned in direct response to a current event, the Center for Student Involvement realizes that it may not be possible to submit a request in advance. In such cases, the event organizer should contact the Center for Student Involvement as soon as possible in order to promptly coordinate the assembly activity, where reasonably possible.

2. No Services Required: Assemblies requiring no Services, or for which the need for Services is not reasonably foreseeable or necessary as described above, may take place without any prior notification by the sponsors and/or organizers. However, conformity with the specific campus rules noted above is required. Organizers who are unsure of whether their planned assembly requires Services are encouraged to contact the appropriate office designated in subparagraph (1)(c) above for guidance. Event organizers who do not request necessary services that were reasonably foreseeable as being needed may be subject to discipline.

Hazing Policy Statement

Anti-Hazing Policy Statement

Hazing is abusive, degrading, psychologically damaging, and may be life-threatening. It is unacceptable in all forms and has no place in the SUNY Polytechnic Institute community. Student groups, organizations, and athletic teams are important contributors to a vibrant and positive campus life and are expected to act in accordance with the Student Code of Conduct and to treat others with respect. Hazing by individuals and student organizations is prohibited in any

form both on campus and off campus.

Definitions

1. Hazing

Any intentional, knowing, or reckless act committed by a person (whether individually or in concert with other persons) against another person or persons regardless of the willingness of such other person or persons to participate, that:

- Is committed in the course of an initiation into, an affiliation with, or the maintenance of membership in, a student organization; and
- Causes or creates a risk, above the reasonable risk encountered in the course of participation in the institution of higher education or the organization (such as the physical preparation necessary for participation in an athletic team), of physical or psychological injury. The following are non-exhaustive examples of conduct that causes or creates such a risk:
 - Whipping, beating, striking, electronic shocking, placing of a harmful substance on someone's body, or similar activity;
 - Causing, coercing, or otherwise inducing sleep deprivation, exposure to the elements, confinement in a small space, extreme calisthenics, or other similar activity;
 - Causing, coercing, or otherwise inducing another person to consume food, liquid, alcohol, drugs, or other substances;
 - Causing, coercing, or otherwise inducing another person to perform sexual acts;
 - Any activity that places another person in reasonable fear of bodily harm through the use of threatening words or conduct;
 - Any activity against another person that includes a criminal violation of applicable local, New York State, Tribal, or Federal law; and
 - Any activity that induces, causes, or requires another person to perform a duty or task that involves a criminal violation of local, State, Tribal, or Federal law.

This definition is compliant with New York State law. Under New York State Penal Law, a person may be charged with hazing if, during another person's initiation into or affiliation with any organization, they intentionally or recklessly engage in conduct that creates a substantial risk of and/or causes physical injury to another person. A criminal charge of hazing may result in a violation or misdemeanor.

2. Student Organization

An organization at an institution of higher education (such as a club, society, association, varsity or junior varsity athletic team, club sports team, fraternity, sorority, band, or student government) in which two or more of the members are students enrolled at the institution of higher education, whether or not the organization is established or recognized by the institution.

Reporting Incidents of Hazing

SUNY Polytechnic Institute encourages the reporting of incidents of hazing and takes every such report seriously. It will investigate all reports diligently and thoroughly in accordance with the Student Code of Conduct. Individuals found responsible for committing, soliciting, encouraging, directing, aiding, or recklessly permitting hazing to occur will be subject to disciplinary sanction that could include suspension or expulsion.

Any person may report hazing in person, by mail, by telephone or by electronic mail, using the contact information listed for the conduct officer, or by utilizing the online reporting forms.

Private and Confidential Reporting

SUNY Polytechnic Institute will respect the privacy of reporters but cannot guarantee confidentiality for hazing reports. The information you provide to a non-confidential resource will be relayed only as necessary to investigate and/or seek a resolution and/or to comply with other appropriate SUNY Polytechnic Institute policies and procedures, and any federal, state and/or local laws, rules and regulations. SUNY Polytechnic Institute will limit the disclosure as much as possible, even if the institution determines that the request for confidentiality cannot be honored.

Offices and officials who are confidential resources will not report to law enforcement or university officials without a complainant/reporting party's permission, except for extreme circumstances, such as a health and/or safety emergency. SUNY Polytechnic Institute offices that are considered confidential are as follows:

Select staff members assigned to the Wellness Center including licensed mental health counselors and licensed medical staff.

Amnesty Related to Hazing Reports

SUNY Polytechnic Institute recognizes that students are sometimes reluctant to report hazing activity, due to a fear of potential consequences for their own conduct. For this reason, the University has adopted an amnesty policy which states that a student who acts in good faith to report activity that may fall within the definition of hazing and/or a victim who cooperates fully as a witness in the investigation and disciplinary process may not be subject to student conduct sanctions related to their own participation in hazing behavior and other behavior including related to alcohol and/or drug violations, as determined by the University in its sole discretion.

In the event amnesty is granted for self-reported behaviors, if evidence is presented that the student has continued to engage in hazing behaviors or has knowledge of hazing activity that was not reported, they may be held accountable for past behavior. Students who choose to report and request amnesty for their own conduct should know that amnesty does not apply to any criminal or civil action that may be taken by any law enforcement agencies, including University Police.

Investigation Process

After a report is received, SUNY Polytechnic Institute will quickly review the submission and determine the next appropriate actions. If a report is criminal in nature, University Police and/or local law enforcement will be contacted. SUNY Polytechnic Institute will also conduct its own investigation to prevent a recurrence of the alleged hazing and to determine if there are potential violations of the Student Code of Conduct and/or any other applicable processes depending upon the nature of the complaint.

Retaliation

No person may intimidate, threaten, coerce or discriminate against any individual because the individual made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this Hazing Policy and Procedure. Complaints alleging retaliation may be filed with the Office of Student Conduct and/or Human Resources. Any reports of retaliation involving an employee covered by a Collective Bargaining Agreement will be addressed through the appropriate processes.

SUNY Poly is committed to creating a safe and inclusive campus by preventing hazing before it happens. Our education plan includes hazing prevention sessions during Orientation, interactive tabling events throughout the

year, and advanced bystander intervention training for student leaders. These programs highlight our hazing policy, build intervention skills, and promote positive group traditions—empowering every Wildcat to step up, speak out, and build community without harm.

Tailgating Policy

Policy Statement

SUNY Polytechnic Institute and the Athletic Department encourages family, friends, and fans of the Wildcats to support our teams and student-athletes by attending games and cheering them to victory. Additionally, we support our fans in their desire to engage in safe, fun, and family-friendly tailgating activities surrounding our home contests. SUNY Polytechnic Institute is authorized to control its buildings and grounds consistent with the SUNY policies for use of facilities, which prohibit the use of university property or buildings for purposes unassociated with to the regular recognized programs and activities of the University.

Purpose/Scope

The purpose of this policy is to set forth the State University of New York (SUNY) Polytechnic Institute campus policy on tailgating.

16. The University is not responsible or liable for loss or theft of personal property brought into the tailgating locations.

Withdrawal Options and Procedures

Students may withdraw from college or pause their coursework for an extended time for many reasons. During the first two weeks of the semester, a decision to drop a course(es) does not result in a W grade. Please consult the [Academic Calendar](#) for the published last day of the drop/add period. After this date has passed, there is an official academic record of your participation in the course and a W grade will be issued. The drop/add form can be found here: [drop/add form](#).

Withdrawals are often personal and unexpected. SUNY Poly is committed to making withdrawal and or leave of absence and return as smooth as possible. When a previously withdrawn student is eligible to return, staff will provide all resources necessary to help them re-enroll in a new semester.

Staff in either Academic Student Success or on the Care Team assist students with withdrawal and can help determine which withdrawal and/or leave of absence process is the best fit for individual situations. If a student is considering medical withdrawal, it is ideal to direct inquiries to the Care Team, as the Care Team facilitates all medical withdrawals.

Care Team – careteam@sunypoly.edu 315-792-7518

Voluntary Withdrawal Policy

Matriculated students who wish to officially withdraw from one or more courses for which they are currently registered must follow the formal withdrawal procedure by submitting the online form [Add/drop](#) (partial withdrawal) or [withdrawal form](#) (complete withdrawal) found on the Registrar's Forms page.

Essential information that applies to voluntary withdrawals;

- Repeated absence from class in the absence of a submitted and approved add/drop or withdrawal form does not constitute notice of intent to withdraw.
- Once approved, a withdrawal will be in effect as of the day of form submission. (Exceptions for extraordinary circumstances resulting from a medical incident with supporting documentation from provider.)
- It is critical for any student withdrawing from a course or multiple courses to understand the implications for their financial aid. Review of financial aid and account balance due is the sole responsibility of the student requesting withdrawal.
- For the purposes of liability and financial aid, the last day of attendance in courses, as provided by the student's faculty members, will not supersede the date of withdrawal form submission if last day of attendance occurred sooner. A student may owe additional aid and/or financial awards back to the institution if they stopped attending class before submitting a withdrawal request. Financial aid and bursar staff can only provide balance or aid due accurately if the student discloses last day of class attendance in conjunction with submission of a withdrawal form.
- Residential students will have 48 hours from the date of withdrawal submission to move out and check out from the residence halls.
- All student-initiated requests for withdrawal are reviewed with Community Standards, Residential Life, and the Title IX Officer. Request or approval for withdrawal does not cancel conduct or title IX investigations or open conduct or title IX charges.
- Involuntary Leaves of Absence initiated under the SUNY Policy for Student Involuntary Leaves of Absence may be subject to differing policies and processes.

All academic deadlines are published on the academic calendar for the requested term and are published on the registrar's web page. ([Click here for a link](#))

Voluntary Withdrawals

Voluntary withdrawals may be requested by undergraduate and graduate students at any time between the published first day of classes and the published academic calendar's last day to withdraw with a W grade for that semester. Please consult the academic calendar for the last day to withdraw with a W grade. A student who is not registered for more than one year will need to submit a [readmission application](#). If approved for readmission, the student will be required to follow the admission standards in effect at the time of readmission. They will also be expected to complete the graduation requirements in effect at the time of readmission into the program. Financial liability associated with voluntary withdrawal corresponds with the published liability calendar and is calculated as of the day of the submitted withdrawal form.

The [Add/drop](#) form is used to drop or withdraw from one or more classes, but not all of your classes for the semester.

To drop or withdraw from all classes for the current semester, you must complete the [Complete Voluntary Withdrawal Form](#).

Withdrawal Refund Committee

If you leave the University and your bill has been paid, you may be eligible for a full, partial, or no refund, depending on the separation date. Please refer to the refund schedule on the academic calendar. If your bill is unpaid, you may owe money to the University and should contact the Bursars Office at bursar@sunypoly.edu.

The Withdrawal Refund Committee considers cases in which a student must withdraw or drop courses for reasons beyond their control, with extreme financial hardship due to non-refund. Refunds are not granted to students who have failed to follow or were unaware of published withdrawal procedures or deadlines, or are dissatisfied with courses or faculty. Class attendance or non-attendance also is not a consideration. If you feel you have extenuating circumstances for your withdrawal and feel you should be considered for a refund, you may submit an explanation and supporting documentation to the Withdrawal Refund Committee outlining the reasons for withdrawals or dropping courses. Examples of acceptable documentation include copies of medical statements, illness or accident reports, etc. These requests can be submitted through the academic petition form located [here](#).

Be aware that if refunds are granted, refunds are returned to the source(s) of the funds. In many cases, financial aid grants or loan programs will receive the refund, not the student. Thus, you may have to repay financial aid already disbursed.

The Withdrawal Refund Committee meets as needed and is comprised of representation from the Bursars office, Registrar's office, Financial Aid, Auxiliary Services, Wellness Center and Residential Life. You will be advised in writing when a decision is reached. The Committee will not consider any case that involves a protested check or any account that has been turned over to the New York State Attorney General's Office or a private collection agency for collection until the account is cleared. Appeals must be submitted with all documentation within six weeks of the end of the semester in question.

Involuntary Leave of Absence

Summary

This policy provides parameters surrounding involuntary leaves of absence for students. This policy is intended to update SUNY's procedures to support students and campus safety in alignment with the latest U.S. Department of Education's Office for Civil Rights (OCR) and U.S. Department of Justice (DOJ) standards.

Policy

I. Campus Obligations

All State-Operated Campuses will be required to adopt this policy and prominently display it on their individual campus websites. All State-Operated Campuses will also be required to ensure that this is displayed with all other leaves on their websites and provide any links to local policies that may be implicated by taking a leave of absence.

The President must designate an appropriate official or a group of appropriate officials who may evaluate situations that arise under this policy. Some examples of appropriate individuals include but are not limited to the Vice President of Student Affairs, Vice President for Student Affairs, and Provost.

II. Involuntary Leave of Absence

Requiring a student to take a leave of absence is rare and only happens when current medical knowledge and/or the best available objective evidence indicates to the Vice President for Student Affairs at SUNY Polytechnic Institute that there is a significant risk to the student's health or safety, or the health or safety of others in the campus community, or the student's behavior severely disrupts the college environment, where no reasonable accommodations can adequately reduce that risk or disruption.

Consistent with SUNY's [Nondiscrimination Policy](#), SUNY Poly prohibits unlawful discrimination on the basis of any

type of disability or any other characteristic protected by applicable Federal and/or State law in the administration of SUNY's programs and activities.

SUNY Poly offers a range of resources, support services, and accommodations to address the physical and mental health needs of students. However, on rare occasions, a student's needs may require a level of care that exceeds the care that the institution can appropriately provide. Where current knowledge about the individual's medical condition and/or the best available objective evidence indicates that a student poses a significant risk to their own safety not based on mere speculation, stereotypes, or generalizations, or the health and safety of others in the campus community, or where a student's behavior severely disrupts the college environment and the student does not take a voluntary leave of absence, the Vice President for Student Affairs has the authority to place a student on an involuntary leave of absence, after appropriate procedural due process has occurred according to this policy.

Before placing any student on an involuntary leave of absence, the institution will conduct an individualized assessment, consulting with Accessibility Services Office to determine if there are reasonable accommodations that would permit the student to continue to participate in the college environment without taking a leave of absence.

The Vice President for Student Affairs may be notified about a student who may meet the criteria for an involuntary leave of absence from a variety of sources, including, but not limited to, the student, the student's academic advisor, Residential Life staff, an academic department, or a member of the Care Team. If the Vice President for Student Affairs deems it appropriate, the procedures under this policy can be initiated.

III. Process for Placing a Student on an Involuntary Leave of Absence

1. The Vice President for Student Affairs at the Campus will consult with the Accessibility Services Office prior to making a decision to impose an involuntary leave of absence.

2. The Vice President for Student Affairs will issue a notice to the student in writing that an involuntary leave of absence is under consideration. The written notice will include the reason(s) why the student is being considered for an involuntary leave of absence, contact information for the Accessibility Services Office which can provide information about potential accommodations, and a copy of this policy. Campuses must provide clear information about their campus-level accessibility services office, including location of office, whom to contact, services provided, information about how to request reasonable accommodations and supports, and any other pertinent information the campus deems necessary. The notice will also provide contact information (including the name and position) for a neutral or impartial advisor outside of the decision-making process under this policy (the "Advisor"), with knowledge of the campus's involuntary leave of absence process who will serve as a resource to answer any student questions about the process from referral to return to the campus. The Advisor will work with the student throughout the involuntary leave of absence process and any appeals. The Advisor shall be copied on all notices to the student after the student provides consent to have the Advisor as part of their process. In the written notice, the student will be encouraged to respond, and to contact the Advisor before a decision regarding an involuntary leave of absence is made and will be given a specified time period within which to do so. A campus may train one or more employees to serve as an Advisor for when this policy is initiated. If a student utilizes an Advisor as part of this process, the Advisor cannot speak for the student and all administrative procedural rules apply. The student is responsible for self-advocacy and consults with the Advisor.

3. To the extent required by applicable law, the Vice President for Student Affairs must consider potential reasonable accommodations and/or modifications that could eliminate the necessity for an involuntary leave of absence. These may include, without limitation, a voluntary leave of absence and/or academic/housing/dining accommodation(s). The campus must document all such considerations, accommodations, and related decisions.

4. The student may be asked to execute an Exchange of Confidential Information Consent Form providing certain SUNY personnel with temporary authority to obtain information from the student's health care provider(s) regarding issues relevant and appropriate to the consideration of an involuntary leave of absence when there is a need for the campus to have access to that information as part of the interactive process and individualized assessment. Any direct communication with a student's medical provider shall be done through the Wellness Center on campus, which will relay that information to the Vice President for Student Affairs for assessing all information regarding a potential involuntary leave of absence. Access to these records, if SUNY Poly staff are given authority to grant access, shall be limited to personnel directly involved in the deliberation and decision-making process under this policy. Campuses shall establish procedures for the secure storage of this confidential health information that is received at any point in the leave and return processes. If a student refuses to execute this document or to respond within the timeframe set by the Vice President for Student Affairs, the Vice President for Student Affairs may proceed with assessment based on the information in the Vice President for Student Affairs' possession at that time.

5. The Vice President for Student Affairs may also confer, as feasible and when appropriate depending upon the matter, with individuals regarding the need for an involuntary leave of absence. Each case may vary, but conferring individuals can include:

- Representatives from Residence Life;
- Faculty members;
- Academic advisors;
- Department head for programs that lead to professional licensure, as appropriate;
- Representatives from the Campus's Health Center (with appropriate authorization for any providers who have provided services to the student);
- The student's treatment provider(s) or other health care professionals (with appropriate authorization for any providers who have provided services to the student);
- Representatives from the Campus's Counseling Center or equivalent office (with appropriate authorization for any providers who have provided services to the student);
- Member(s) of the Care Team
- Other individuals who may be appropriate in an individual matter.

6. When evaluating whether an involuntary leave of absence is appropriate, SUNY Poly staff will consider specific criteria, such as:

- Whether current knowledge about the individual's medical condition and/or the best available objective evidence indicates that a student poses a significant risk to the health or safety of a member of the campus community;
- Whether a student is unable or unwilling to carry out substantial self-care obligations and poses a significant risk to their own safety, not based on mere speculation, stereotypes, or generalizations; and/or
- Whether a student's behavior severely disrupts the campus environment.

The individualized assessment for each factor, based on reasonable judgment that relies on current medical knowledge to the extent that information is available, or the best available objective evidence, should capture:

- the nature, duration, and severity of the risk or disruption;
- the probability that the risk or disruption will actually occur; and
- whether reasonable modifications of policies, practices, or procedures will appropriately

mitigate risk or disruption, thereby eliminating the need for an involuntary leave of absence.

7. The Vice President for Student Affairs will give significant weight to the opinion of the student's treatment provider(s) identified by the student (with appropriate authorization) regarding the student's ability to function academically and safely at the campus with or without reasonable accommodations. If the Vice President for Student Affairs determines that the information provided by the treatment provider(s) is incomplete, requires further explanation or clarification, or is inconsistent with the other information in the student's record, the Vice President for Student Affairs (with appropriate authorization) may contact the treatment provider(s) to obtain additional information. In certain circumstances, the campus may request the student to undergo an additional evaluation by an independent and objective professional designated by the campus, if the Vice President for Student Affairs believes it will facilitate a more informed decision. The campus should appropriately document the reasoning for such a decision, if warranted.

8. Following the Vice President for Student Affairs—consultations and review of the relevant documentation and information available, the Vice President for Student Affairs shall make a decision regarding whether the student should be placed on an involuntary leave of absence, and shall provide written notice of the decision to the student. This written notice of decision shall include information about the student's right to appeal the decision and information about reasonable accommodations available during the appeal process. The review and notice of decision shall be performed in a reasonable and timely manner.

9. In emergency situations involving an imminent threat of harm to the student or any other member of the campus community, the Vice President for Student Affairs, in the exercise of their reasonable judgment, may require a student to be immediately prohibited from entering the campus or facilities utilized for campus programs or activities while such individualized assessment and review under this policy is taking place. Such students shall receive written notice to this effect as quickly as possible and/or practicable. While this individualized assessment and review is being conducted, every effort shall be made by the Vice President for Student Affairs to reach a decision within seven (7) calendar days, provided that the student responds in a timely manner to requests for information, and if appropriate, evaluation. If there are delays, the campus shall document the reason for such delays in writing.

IV. Decisions on Involuntary Leaves of Absence

1. ***If an Involuntary Leave of Absence is Imposed:*** The written notice of any decision concerning the student shall set forth the basis for the decision; a timeframe for when the student must leave the campus; the student's right to appeal the decision; and information about reasonable accommodations available during the appeal process. This notice shall also set forth when the student may be eligible to return to the campus and the conditions and/or requirements the student will need to satisfy to be eligible for return. This written notice shall also inform the student of their right to reasonable accommodations in the return process and will provide contact information for the appropriate office at the campus that provides accessibility services for students requiring reasonable accommodations. The length of the student's leave will be determined on an individualized basis. The student's advisor, if applicable, shall be copied on all notices concerning all decisions related to the student if the student so designates and consents.

2. ***If An Involuntary Leave of Absence is Not Imposed:*** The Vice President for Student Affairs may impose conditions and/or requirements under which the student is allowed to remain at the campus using the least restrictive appropriate means possible.

V. Appeals

1. Within seven (7) calendar days of receiving the written notice of a decision from the Vice President for Student Affairs, the student may submit an appeal of the decision in writing to the Provost for appeals under this policy. The appeal shall be heard by a three (3) person Board of Appeals consisting of the Provost, Vice President for Diversity, Equity, Inclusion and Belonging and Vice President for Administration and Finance. The decisionmaker who imposes an involuntary leave of absence shall not hear appeals or render decisions on appeals. The individuals chosen to oversee appeals cannot have been involved in the original decision-making process. The written request for appeal must specify the particular substantive and/or procedural basis for the appeal, and must be made on grounds other than general dissatisfaction with the decision of the Vice President for Student Affairs. While the appeal is pending and being heard by the Board of Appeals, the original decision will remain in place. All appeals decisions will be issued within seven (7) calendar days of submission.

2. The criteria for appeal will be limited to the following:

- ***Disproportionate Findings or New Information:*** if there is any information not previously considered that would allow the student to remain with a reasonable accommodation or if there is any new information not previously available to the student that may change the outcome of the decision-making process;
- ***Procedural irregularities:*** if there were any procedural irregularities that materially affected the outcome of the matter to the detriment of the student who appealed the decision.

3. After reviewing the matter fully, the Board of Appeals will issue a written decision affirming, modifying, or reversing the decision to place the student on an involuntary leave of absence. The Board of Appeals' decision shall be final, and no other appeals or grievance procedures are available at the campus level.

VI. Implications of an Involuntary Leave of Absence

1. ***Student status:*** Students on a leave of absence generally retain their admitted student status during the period of the student's leave based on the SUNY Poly's local enrollment policies; however, they are not registered and therefore, do not have the rights and privileges of registered students. Note: a campus may have a local policy regarding how many consecutive semesters a student may be allowed to be away from the campus without enrolling in coursework. A campus also has discretion to set the minimum period of time that a student may not enroll in coursework, which includes online, arranged classes, and internships.

2. ***Housing:*** Consistent with the SUNY Poly policies and procedures, students assigned to a campus residence are subject to the terms and conditions of the Housing License at their campus. Students who leave the campus before the end of a term may be eligible to receive refunds of portions of their housing charges, per SUNY Policy. Campuses shall identify on their website where eligibility criteria are for housing refunds for students in accordance with campus policy.

3. ***Effective date(s) of leave:*** A student must leave the campus within the timeframe set forth by the Vice President for Student Affairs or Board of Appeals, as applicable, in the decision to impose an involuntary leave of absence. The leave will remain in effect until:

- The Vice President for Student Affairs has determined after an individualized assessment the parameters of which shall be set forth in the written decision of the Vice President for Student Affairs or the Board of Appeals, as applicable, that the student is able to return to the campus with or without reasonable accommodations, and
- The student has complied with any campus requirements applicable to all students returning from a leave and all conditions mandated by the Vice President for Student Affairs or Board of

Appeals, as applicable.

Students are not permitted to return mid-semester if placed on a leave of absence. Campuses shall clearly identify and state deadlines for all requests to return, which will align with the start of each academic term per year. This includes short, sprint, and late start sessions within the semester. This also includes online, arranged classes, and internships.

4. **Notification:** At any time while the student is on leave, the Vice President for Student Affairs may notify a student's parent, guardian, emergency contact, or other individual, consistent with the law, if notification is deemed appropriate under the circumstances.

5. **Association with the campus while on leave:** Unless expressly permitted by the Vice President for Student Affairs in writing, or Board of Appeals, as applicable, students on an involuntary leave of absence are not permitted to be present at the campus and are not permitted to engage in any campus-related activities, including on-campus and/or remote employment opportunities.

6. **Coursework taken while on leave:** Consistent with the campus's policies and procedures, academic credit for work done elsewhere may be allowed toward a campus degree. However, students must consult with the Registrar's Office or other appropriate office that handles leaves of absence and their academic department prior to taking any coursework while on an involuntary leave of absence. Campuses shall designate the office that students should consult when taking coursework at another institution while on leave.

7. **Access to Student Accounts while on leave:** Unless expressly prohibited in writing by the Vice President for Student Affairs, students on leave generally may retain their student ID privileges, which will be explicitly defined per campus policy, including their campus email account.

8. **Tuition and Fees:** Consistent with SUNY's and the campus's local policies and procedures, students who leave the campus before the end of a term may be eligible to receive refunds of portions of their tuition. See the [SUNY Tuition Refunds Policy](#) for a schedule of refunds.

9. **Financial Aid:** Campuses shall provide information on any effect an involuntary leave of absence decision may have on that student's financial aid.

10. **Meal Plan:** Campuses shall provide information on what refunds may be available on meal plans within the context of this policy.

11. **Visa Status:** International students (F-1 and J-1 Visa holders) placed on an involuntary leave of absence must speak with the appropriate person at the campus who works with international students regarding their Visa status and the effect an involuntary leave of absence may have on that status.

VII. Request for Return

1. In addition to the general requirements all students must meet when returning to the campus after a leave of absence, as well as any conditions imposed by the Vice President for Student Affairs or Board of Appeals, as applicable, for return from an involuntary leave of absence as outlined in the decision, students seeking to return from an involuntary leave of absence imposed for reasons of personal or community health and safety may be required to submit additional documentation related to the factors set forth in Section III.6 as part of an individualized assessment. The Office for Accessibility Services will work with students to provide reasonable accommodations in the return process as appropriate.

2. A student must make a written request to the Vice President for Student Affairs to return to the

campus. Generally, a student shall not be allowed to return until one full semester has elapsed or until the leave period in the involuntary leave of absence notification has elapsed, and all conditions and/or requirements have been met.

3. The Vice President for Student Affairs may require the student to provide evidence that the student, with or without reasonable accommodations, has sufficiently addressed the issues that previously established the criteria for imposing an involuntary leave of absence as set forth in Section III.6, above. The Vice President for Student Affairs may also ask, confer with, or seek information from others to assist in making this determination. The information sought may include:

- At the student's discretion, documentation of efforts by the student to address the issues that led to the leave;
- Release of academic records to inform treating clinicians (with appropriate authorization);
- Release of treatment information to the extent necessary to determine if the student has sufficiently reduced the risk or disruption that led to the leave (with appropriate authorization);
- Consultation with the Wellness Center and/or counseling center to the extent necessary to determine if the student has sufficiently reduced the risk or disruption that led to the leave (with appropriate authorization); and/or
- Consultation with the Office of Accessibility Services.

4. All returning students must meet the essential eligibility requirements and any technical standards of the campus and, if applicable, the relevant school or department, with or without reasonable accommodations. If the Vice President for Student Affairs determines that the student is ready to return to the campus, the student will be notified in writing of the decision, including the reason for the decision, within a reasonable time after the student has submitted a request for return and required documentation per this policy.

5. A student not permitted to return may appeal the decision to the Board of Appeals under this policy, following the procedures in Section V.

6. Based on the campus's enrollment policies, a student may be disenrolled after a certain period of inactivity. All campuses must ensure that this information is clearly articulated on their website.

VIII. Scope of the Policy and Relationship to Other College Policies

A leave of absence is an administrative process; it is not a disciplinary process.

This policy is not intended to be punitive and does not take the place of disciplinary actions that are in response to violations of the campus's Student Code of Conduct, or other policies and directives, nor does it preclude the removal or dismissal of students from the campus or campus-related programs as a result of violations of other campus policies or school or department protocols.

This policy does not limit the campus's ability to place enrollment holds on students for reasons beyond the scope of this policy.

This policy does not relieve a student of any financial obligations to the campus that were incurred prior to the time the involuntary leave of absence was imposed. Campuses are required to notify students if there might be an effect on the student's financial aid, including returning aid, outstanding balances, potential effects on future aid, and any effects on the New York State Tuition Assistance Program (TAP), the Excelsior Scholarship Program, and any other scholarship, if applicable.

Nothing in this policy limits the power of the campus to take administrative action to ensure the safety of the campus community in accordance with all appropriate laws and policies.

Nothing in this policy prevents the campus from engaging in a temporary suspension under its policies, if necessary, under the circumstances. Any such cases shall be appropriately reviewed per campus policy.

All campuses are required to abide by the Family Educational Rights and Privacy Act (FERPA) and comply with its requirements regarding student privacy.

Nothing in this policy prevents the campus from following the Rules of Maintenance of Public Order, as necessary.

IX. Requests for Reasonable Accommodations

SUNY is committed to providing equal access to all participants in campus processes, including students with disabilities. Students with disabilities should contact the appropriate office at their campus to request accommodations, and campuses shall prominently display this information on their website with this policy.

Members of the SUNY Poly community are encouraged to notify the Vice President for Student Affairs Office if word is received about a student death or serious injury. SUNY Poly has established a protocol to offer assistance to the student or their family.

Policy on Drugs & Alcohol

SUNY Poly prohibits the unlawful manufacture, distribution, possession and/or use of controlled substances or alcoholic beverages on its premises, in its buildings, or at SUNY Poly-sponsored events on or off campus. SUNY Poly must also make a good faith effort to maintain a drug-free workplace, offer drug awareness education, assist students and employees seeking treatment or rehabilitation, notify employees and students of its policy, and implement and enforce the policy. Compliance with the provisions of SUNY Poly's drug and alcohol policies is a condition of attendance at SUNY Poly. Violators of these policies are subject to discipline, up to and including expulsion from SUNY Poly and referral to appropriate law enforcement agency and/or discipline, under the judicial procedures specified in the Rules and Regulations for the Maintenance of Public Order and the Student Code of Personal Conduct, and/or corrective action(s) as SUNY Poly deems appropriate, including satisfactory completion of an approved drug or alcohol rehabilitation program.

Student Academic Grievance Procedures

This document describes the process by which grievances or expressions of concern by students – against members of the faculty or administration – are to be considered and resolved. Department chairs/program coordinators shall serve as a resource for questions or concerns about the process.

A student who believes that he/she has been subject to inappropriate, capricious, or arbitrary treatment by a member of the faculty or administration, shall follow these steps:

1. First, schedule a meeting with the faculty member or administration member to discuss concerns. Every attempt should be made to resolve the potential grievance at this level.
2. If the student believes that the issue has not been resolved, the student should then schedule an appointment with the department chair/coordinator or administrative supervisor who will attempt to facilitate an informal resolution.
3. If this fails, the student may submit a letter of appeal to the dean (or administrative supervisor), which must be sent no later than two weeks after the completion of step 2 and within four weeks of the time the dispute originated.

Upon receipt of a letter of appeal, the dean (or administrative supervisor) shall consult with both the student and the faculty or administration member and formulate a written letter of appeal recommendation. The recommendation shall be completed and issued to the student and faculty or administration member within four weeks of receipt of the letter of appeal.

If the student feels that further deliberation is necessary, they may submit a letter of appeal to the Provost. The Provost shall review the recommendations of the department (or administrative supervisor) to ensure diligence of consideration and deliberation. Within four weeks, the Provost will either affirm the recommendations of the department (or administrative supervisor), or the Provost may choose to make other recommendations. The Provost shall communicate the results of their review to the appropriate parties. In matters of grade dispute, recommendations of a department chair or program coordinator (or administrative supervisor) and the Provost are advisory only and are not binding on an instructor.

Communication with Parents/Guardians

SUNY Poly is guided by the principle that students' involvement in their own education enhances their learning and development. In keeping with this principle SUNY Poly considers its primary relationship to be with its students. This position is consistent with the provisions of the Federal Family Educational Rights and Privacy Act (FERPA), which guarantees the privacy of educational records. All rights accorded under this law transfer to the student, regardless of age at the time of enrollment at a post-secondary educational institution. When SUNY Poly determines that circumstances merit contacting a parent or guardian or feel that a situation cannot be rectified without contacting a parent or guardian, SUNY Poly may do so subject to law and policy.

Notification of Parent, Guardian, or Emergency Contact for Alcohol and Controlled Substance Violations

SUNY Polytechnic Institute is committed to protecting student health and safety while respecting student privacy. In accordance with FERPA and New York State Education Law §6438-d (Beau's law), SUNY Polytechnic Institute maintains the following policy regarding when a parent, guardian, or designated emergency contact may be notified if a student under the age of 21 is involved in certain alcohol- or controlled substance-related incidents.

Purpose

Effective July 1, 2026, and in accordance with FERPA and New York State Education Law §6438-d, this policy establishes the framework under which SUNY Polytechnic Institute may notify a student's parent(s), guardian(s), or designated emergency contact(s) when a student under the age of 21 is involved in certain alcohol- or controlled substance-related violations or incidents.

The purpose of this policy is to:

- Promote student health and safety;
- Ensure transparency regarding notification practices; and
- Clarify how SUNY Polytechnic Institute exercises its discretion under FERPA and applicable New York State law.

Scope

This policy applies to:

- All students enrolled at SUNY Polytechnic Institute who are under the age of 21; and
- Involved in alcohol and controlled substance-related incidents, whether occurring on or off campus, which are addressed through institutional processes.

Policy Statement

SUNY Polytechnic Institute maintains a policy regarding the notification of a student's parent(s), guardian(s), or emergency contact(s) when a student under the age of 21 is involved in certain alcohol- or controlled substance-related violations or incidents.

Notification decisions are made by authorized institutional offices and are guided by considerations of student health, safety, and welfare, as well as compliance with applicable federal and state laws.

Incidents Subject to Notification

A parent, guardian, or emergency contact may be notified when a student under the age of 21 is involved in one or more of the following, including but not limited to:

- Violations of institutional rules or policies related to the use or possession of alcohol or a controlled substance;
- Violations of federal, state, or local laws involving alcohol or controlled substances; and
- Alcohol or controlled substance-related medical emergencies, including:
 - o Hospitalization;
 - o Overdose; or
 - o Other situations presenting a serious risk to the student's health or safety.

Notification Authority and Process

- Notification determinations are made only by designated institutional offices, which may include Student Affairs, the Dean of Students, University Police, Health Services, Counsel's Office, or other authorized officials.
- Individual faculty or staff members do not contact parents, guardians, or emergency contacts unless specifically authorized.
- Notifications are made on a case-by-case basis, considering the totality of the circumstances.

FERPA and New York State Education Law Considerations

FERPA permits institutions of higher education to disclose PII without consent if there is an articulable and significant threat to the health or safety of the student or others, and the disclosure is to parties who need to know to respond.

New York State Education Law §6438-d (Beau's Law) requires transparency in NYS institutions of higher education on its policies involving notice to a parent, guardian, or emergency contact when a student under the age of 21 is involved in one or more of the following, including but not limited to:

- Violations of institutional rules or policies related to the use or possession of alcohol or a controlled substance;
- Violations of federal, state, or local laws involving alcohol or controlled substances; and
- Alcohol or controlled substance-related medical emergencies, including:
 - o Hospitalization;
 - o Overdose; or
 - o Other situations presenting a serious risk to the student's health or safety.

SUNY Polytechnic Institute exercises its authority under FERPA and New York State Education Law in a manner that limits disclosures to information reasonably necessary to address the circumstances presented.

Student Notification

When feasible and appropriate, students will be informed that a parent, guardian, or emergency contact has been or may be notified, unless such notification would compromise health or safety or interfere with an ongoing investigation.

Confidentiality and Privacy

All notifications under this policy are handled with sensitivity and respect for student privacy. Information shared is limited to what is necessary to address health, safety, or welfare concerns. All disclosures made pursuant to this policy are documented.

Training and Awareness

SUNY Polytechnic Institute provides regular training to employees regarding:

- FERPA requirements and exceptions;
- This notification policy; and
- Appropriate reporting and escalation procedures.

An Equal Employment & Educational Opportunity Institution

The SUNY Polytechnic Institute is committed to the principles of equal employment opportunity and affirmative action. SUNY Poly proactively reviews its policies and practices to assure that decisions with respect to every dimension of employment are made without regard to age, color of skin, disability, gender expression and identity, genetic predisposition, marital status, national origin, race, ethnicity, religion, sex, sexual orientation, veteran's status, status as a victim of domestic violence, and all other protected groups and classes under federal and state laws and executive orders. We recognize, too, that achieving equal treatment may require proactive measures to offset obstacles and barriers faced by the groups for whom we seek inclusion. We seek to establish the diversity that will provide all of our students with a learning environment to develop leaders and lifelong learners. Our efforts to attract a diverse student body will be enhanced by attracting diverse staff and administrators. This includes, but is not limited to, admissions, employment, financial aid, and educational services. The policies of the Board of Trustees of the State University of New York also require that personal preferences of individuals which are unrelated to job or academic performance shall provide no basis for judgment of such individuals.

Bias Incident Reporting Policy

It is the responsibility of every student, staff, and faculty within SUNY Polytechnic Institute to help create an environment in which every one of us can thrive without fear of bias. The Bias Incident Response Team (BIRT) responds to reports of bias incidents, creates opportunities for campus wide education to cultivate equity and inclusion, and provides referrals and resources to those affected by bias acts.

What is a bias-related incident?

A bias incident is an action, behavior or communication, or related series of actions, behaviors or communications, that negatively and unfairly targets an individual or group based on social or personal identities such as, but not limited to, race, color, national origin, ancestry, ethnic characteristics, religion, citizenship, age, sexual orientation, disability, pregnancy, gender identity, genetic characteristics, military status class or any combination.

What are some examples of a bias act?

Bias incidents can include, but are not limited to, verbal communications (such as slurs, insults, offensive/degrading language, speech featuring use of offensive stereotypes), written or symbolic expression (such as email, social media postings, graffiti, , chalked sidewalk messages, or displays of symbols) , and behaviors or actions (such as exclusion or shunning), violent acts (such as assault or battery, bodily or facial gestures or movements intended to mock or degrade another person) which feature, or are intended to express, bias toward an individual or group based on their actual or perceived identity or membership in a group associated with their race, color, national origin, religion, ancestry, ethnic characteristics, citizenship, age, sexual orientation, disability, pregnancy, gender identity, genetic characteristics, military status class or any combination (i.e. a “protected category”) .

What bias incidents are covered by this policy?

Bias incidents covered by this policy are those involving the actual or perceived expression or enactment of bias by a SUNY Poly employee or student that negatively affects or could negatively affect another employee or student in the context of their employment, educational, extracurricular residential, or social lives at the college or otherwise negatively affect their ability to participate in any college related program or activity free from the effects of bias.

What is a “hate crime” and is it different from a “bias incident”?

Hate crimes, also called bias crimes or bias-related crimes, are criminal activity motivated by the perpetrator’s bias against an individual victim or group based on perceived or actual personal characteristics, such as their race, religion, ethnicity, gender, sexual orientation, or disability. Hate/bias crimes, in particular, are addressed by the passage of the federal Hate/Bias Crime Reporting Act of 1990 and the New York State Hate Crimes Act of 2000 (Penal Law 485.05). All hate crimes are included in the definition of bias incident, but not all bias incidents are hate crimes. In order for a bias incident to constitute a hate crime, it must include (among other things) the commission of an actual underlying crime by the perpetrator (e.g. a criminal assault). A hate crime will also involve law enforcement and criminal prosecution (although it could also form the basis of a student conduct charge by the Institute’s Office of Community Standards).

How do you report a Bias Incident?

If you feel you are the target of or have witnessed a bias incident against another person, there are several ways to report the incident. You can file a complaint anonymously or you can provide your name, the more information provided to the BIRT team the better equipped the team will be to address the report.

1. Call 911 or University Police
2. Complete an online reporting form at [_ sunypoly.edu/student-life/student-resources](https://sunypoly.edu/student-life/student-resources) ____
3. Reach out to a member of the Bias Incident Response Team.

Dr. Mark Montgomery – montgom@sunypoly.edu

Michele Kilburn – kilburn@sunypoly.edu

Kathie Artigiani – artigik@sunypoly.edu

Brittany Morawiec – englisb@sunypoly.edu

What happens after I file a report?

All reports will be carefully reviewed by the SUNY Poly BIRT, and the response will vary based on the incident, the individual(s) involved, and the amount of initial information provided in the report. Discretion and privacy are prioritized, however, members of the BIRT may consult other staff members if those staff members have expertise or experience that is relevant to resolving the report submitted. Incidents that may require consideration and/or investigation for violations of the student code of conduct may be referred to Community Standards. Incidents that concern the behavior of a faculty or staff member may be referred to Human Resources. Incidents within which a crime may have been committed will be referred to University Police or local law enforcement. In appropriate cases, a reporting individual or an affected individual will be informed about their ability to file an internal complaint of discrimination with the Office of the Director of Affirmative Action and Equal Opportunity.

Some incidents may be addressed initially through meetings or discussions with the person(s) alleged to be responsible for the incident. In all such cases, an effort will be made – in a mediation type approach -- to alert the responsible individual to their behaviors (which may in some cases have been inadvertent or unintentional, or simply lacking in sensitivity or awareness) and their effects upon others, in an effort to raise their consciousness and prevent (or make far less likely) repeated or similar incidents in the future. In some appropriate cases, a simple acknowledgement of the offensive behavior by the responsible party, and the issuance of an apology to the affected person(s), may result, and bring the matter to closure. Incidents may also be addressed through campus wide education, staff/faculty training, or prevention programs. If a report is filed anonymously and there is not enough information provided to address the incident effectively or appropriately, the incident will be assessed to the fullest extent possible but may result in limited action. If the reporting individual requests that an incident not be addressed, the request will be considered but the nature of the report may require Community Standards, Human Resources or University Police to take action or begin an investigation. When the reporting individual chooses to identify themselves and provides contact information, the BIRT will attempt to include them in possible resolution processes when it is reasonable and allowable to do so. Identified individuals who have been impacted or witnessed to a bias incident will always be offered supportive measures such as a referral to counseling, University Police escorts, or support from the Care Team.

What are some things you can do if you are the victim of or witness to a bias incident?

Graffiti – Do not erase it or clean it, call University Police immediately so an officer can document the image, collect any evidence and contact campus facilities to remove the image. Do not wait for University Police to arrive if you feel uncomfortable or unsafe remaining in the area.

Other Property Damage – Do not try to fix or cover up any damage, contact University Police or the On Call Residence Director immediately. If you feel unsafe leave the situation and call University Police when you are somewhere safe.

Harassment and/or Threats – If you feel you are in immediate danger, contact University Police right away and provide them with as much detailed information as possible such as location, date, time, specific words used and names of the perpetrator or witnesses (if known). If you do not feel it is an emergency and/or do not want to contact University Police you can file a Bias Report that will be reviewed by the SUNY Poly BIRT Team.

Physical Attack – Call 911 or University Police immediately.

Sexual Harassment Response & Prevention Policy

Sexual harassment is a form of sex discrimination, which is unlawful in the workplace under Title VII of the Civil Rights Act of 1964, as amended, and the New York State Human Rights Law. Title IX of the Educational Amendments of 1972 also protects students and employees by prohibiting sexual harassment in the provision of educational services.

At SUNY Poly, sexual harassment is prohibited and will not be tolerated. Please see SUNY Poly's Sexual Harassment Response and Prevention Policy at <https://sunypoly.edu/titleix/policies-procedures> for more information, including reporting options.

Introduction: Student Code of Conduct

The State University of New York Polytechnic Institute ("SUNY Poly" or the "College") is dedicated to the advancement of knowledge and learning and to the development of ethically responsible individuals. As such, students and student organizations are expected to uphold appropriate standards of behavior as outlined in the Student Code of Conduct (the "Code" or "Student Code") and to respect the rights and privileges of others. The Student Code applies to students and student organizations. All students and student organizations are expected to conduct themselves in accordance with all federal, state and local laws, and Board of Trustees of the State University of New York ("SUNY") rules, regulations, and policies.

The College President delegates administration of the Student Code of Conduct to the Vice President of Student Affairs, the Director of Community Standards, and their designees. SUNY Poly students are bound by this Student Code of

Conduct, as well as other College policies.

This document provides SUNY Poly's process for investigating allegations of student misconduct and the actions SUNY Poly will take in response to potential violations of the Code. For all conduct determinations, the standard of proof shall be made on the basis of whether there is a preponderance of the evidence that the respondent violated the Student Code of Conduct.

All students at SUNY Poly are provided access to the Student Code of Conduct. This document appears in its entirety in the College publication entitled Student Handbook and is also accessible on the web at <https://sunypoly.edu/student-life/community-standards.html>. Copies of the Student Code are also available at each residence hall, the Office of Community Standards, the Office of the Vice President for Student Affairs, University Police and the Title IX office.

Section Two: Student Conduct System Authority and Jurisdiction

Applicability Policy and Jurisdiction

The Student Code of Conduct is applicable to all SUNY Poly students regardless of the number of credits for which the person has enrolled. Students are responsible for their conduct upon their acceptance of admittance to SUNY Poly and this responsibility continues through the award of a degree.

The student conduct process may be initiated regardless of a student's current enrollment status. This includes conduct that occurs before classes begin or after classes end as well as during the academic year and during periods between terms of actual enrollment.

The Student Code of Conduct applies even if the student withdraws while a conduct matter is pending. The College can proceed with the conduct process following the withdrawal. Should suspension or expulsion take place as a result of the conduct process, these sanctions supersede a student's voluntary withdrawal from SUNY Poly. If a student who has completed degree requirements is charged with a violation prior to graduation or the conferral of the degree, the student will be ineligible to graduate until student conduct action is completed and eligibility to graduate is confirmed. If conduct action results in suspension, the student will be ineligible to graduate until the term of the suspension has been served. SUNY Poly may withhold issuing a degree, diploma or transcript pending compliance with SUNY Poly rules, regulations, or policies or pending completion of the process set forth in this Code of Conduct, including the completion of all imposed sanctions.

The Student Code of Conduct applies to conduct which occurs on SUNY Poly sites, international and exchange programs, and at SUNY Poly sponsored or supervised functions. When a nexus between the behavior and SUNY Poly exists and the College is aware of the behavior, a student or student organization may be subject to action under the Student Code of Conduct.

In cases in which the prohibited behavior occurs off campus, the conduct officer will consult the Vice President of Student Affairs, to determine if conduct action is warranted under the circumstances. SUNY Poly will consider certain factors in its decision to take action for alleged violations of the Student Code of Conduct that occur off campus when there is sufficient information available to conduct a hearing. The factors include but are not limited to:

- The incident involves endangering behavior (which includes but is not limited to physical assault, sexual misconduct, intimate partner violence, stalking, hazing, arson, distribution of illegal drugs or other serious offenses that constitute threat or harm to the personal safety of others); and/or
- The incident involves an alleged Category II violation (as defined herein); and/or
- There has been significant loss of or damage to property; and/or
- Alcoholic beverages are sold or made available to underage persons.

Violations & Law

SUNY Poly's student conduct process may be initiated against a student charged with violation of a law. Generally, proceedings under this Student Code of Conduct will be pursued without regard to pending civil litigation or criminal prosecution.

When a student is charged by federal, state, or local authorities with a violation of law, SUNY Poly will not request or agree to special consideration for that individual because of their status as a student. If the alleged offense is also the subject of a proceeding before a hearing body under the Student Code of Conduct, SUNY Poly may advise off-campus authorities of the existence of the Student Code of Conduct and of how such matters will be handled internally within the SUNY Poly community. SUNY Poly will cooperate with law enforcement and other agencies in the enforcement of criminal law on campus and in the conditions imposed by criminal courts for the rehabilitation of student violators. Individual students and SUNY Poly community members, acting in their personal capacities, remain free to interact with governmental representatives, as they deem appropriate.

Good Samaritan Policy

At SUNY Poly the health and safety of the members of the SUNY Poly community is of primary importance and all students are strongly encouraged to be active bystanders who respond in potentially dangerous situations without fear of reprisal from the College. Therefore, a student or student organization seeking medical treatment or emergency help for themselves or for any other person who is in immediate medical need, will not be subject to student conduct action related to the violation of using or possessing alcohol or other prohibited controlled substances. This policy applies to emergencies both on and off campus. The positive impact of reporting a medical emergency will always hold the highest priority when determining the appropriate response for policy violations. Repeated use of the Good Samaritan policy may be cause for concern for the well-being of the student and amnesty in such cases will be individually reviewed.

Important Note Regarding Procedures that Apply to Prohibited Behavior #16 and #17

On May 19, 2020, the U.S. Department of Education issued a Final Rule under Title IX of the Education Amendments of 1972. In compliance with the Final Rule, which went into effect on August 14, 2020, Category II violations (#16 and #17 below) may be subject to the procedures set forth in SUNY Poly's Title IX Grievance Policy, instead of the procedures set forth within SUNY Poly's Student Code of Conduct. For more information as to when the Title IX Grievance Policy is applicable, please reference SUNY Poly's Title IX Grievance Policy available here:

<https://sunypoly.edu/titleix/policies-procedures>. If an allegation of a Prohibited Behavior #16 or #17 violation falls outside the scope of the violations defined in the Title IX Grievance Policy, the Category II procedure described in this Code (Section Six: Student Conduct Procedures, Part B) may be applicable.

16. Category II Sexual and/or Gender Based Discrimination and Misconduct: Sexual Misconduct Violations (for the prohibited behaviors below SUNY Poly's Affirmative Consent standard shall be used)

a. **Sexual Assault**

- a. **Non-consensual sexual contact (Fondling)** is the intentional touching, either directly or through the clothing, of the genitalia, anus, groin, breast, inner thigh, or buttocks of any person with an intent to abuse, humiliate, harass, degrade, or arouse or gratify the sexual desire of any person.

- c. **Sexual exploitation** is non-consensual behavior that takes sexual advantage of another person, and does not otherwise constitute another sexual misconduct violation. Examples of sexual exploitation include but are not limited to: intentional, nonconsensual tampering with or removal of condoms, other methods of birth control and/or sexual transmitted infection (STI) prevention prior to or during sexual contact in a manner that significantly increases the likelihood of STI contraction and/or pregnancy by the non-consenting party; engaging in sexual activity with another person while knowingly infected with a STI and without informing the other person of the infection; non-consensual videotaping, audio taping, or photographing sexual activity; non-consensual intentional sharing or publication of a sexually explicit still or video image of another person consistent with NYS S.1719C/A.5981; observing others engaged in dressing/undressing or in sexual acts without their knowledge or consent; trafficking people to be sold for sex; and inducing incapacitation with the intent to initiate in sexual activity.

- a. **Dating violence** is any act of violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the reporting individual. Dating violence can occur as a single act, or it can consist of a pattern of violent, abusive, or coercive acts that serve to exercise power and control in the context of a romantic or intimate relationship. The existence of such a relationship shall be determined based on the reporting individual's statement and with consideration of the type and length of the relationship and the frequency of interaction between the persons involved in the relationship.
Two people may be in a romantic or intimate relationship, regardless of whether the relationship is sexual in nature; however, neither a casual acquaintance nor ordinary fraternization between two individuals in a business or social context shall constitute a romantic or intimate relationship. This definition does not include acts covered under domestic violence.
- b. **Domestic violence** is any violent felony or misdemeanor crime committed by a current or former spouse or intimate partner of the victim/reporting individual, by a person sharing a child with the victim/reporting individual or by a person cohabiting or has cohabitated with the victim/reporting individual as a spouse or intimate partner, by a person similarly situated to a spouse of the victim/reporting individual under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred, or by any other person against an adult or youth victim/reporting individual who is protected from that person's acts under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred.

Examples include, but are not limited to, repeatedly following such person(s), repeatedly committing acts that alarm, cause fear, or seriously annoy such other person(s) and that serve no legitimate purpose, and repeatedly communicating by any means with such person(s) in a manner likely to intimidate, annoy or alarm them. 24. Attempting to violate SUNY Poly policy or local, state or federal law.

Section Four: Temporary & Administrative Directives

In certain circumstances, appropriate SUNY Poly officials may issue temporary and/or administrative directives prior to the Administrative or Board Hearing.

Temporary Directives

SUNY Poly utilizes three types of temporary directives; temporary suspension, temporary removal from residence halls, and temporary removal from campus building, SUNY Poly program/event or service.

The Director of Community Standards may implement a temporary directive immediately if they reasonably believe that:

1. The student's continued presence would constitute a danger to the health and/or safety to a member(s) of the SUNY Poly community; or
2. The student's continued presence would constitute a danger to the preservation of SUNY Poly property or premises; or
3. The behavior of the student significantly detracts from the educational environment and/or poses a disruption of normal SUNY Poly operations.

The terms of the temporary suspension and/or removal shall be specified in the temporary directive notice letter issued. A student who has been issued a temporary directive shall be entitled to a prompt review of the need for and/or terms of the temporary directive. The accused/respondent seeking a review shall submit a written request with supporting documentation to the Vice President for Student Affairs.

The decision of the Vice President for Student Affairs or designee, shall be made within two (2) business days of the receipt of the written request and shall be final. The accused/respondent shall be notified of the decision regarding the temporary directive in writing.

Absent a reversal or amendment on appeal, the temporary directive shall remain in place pending the resolution of the administrative hearing or Board Hearing as outlined in Section 5: Student Conduct Procedures.

Temporary Suspension

During the temporary suspension, the student shall be restricted from all SUNY Poly premises, including classes, access to residence halls and other campus facilities. Temporary suspension also includes restriction from attendance at all College sponsored or supervised functions and the temporary loss of privileges for which the student might otherwise be eligible.

Temporary Removal from Residence Halls

During the temporary removal from the residence halls, the student may be removed from campus housing and restricted from buildings and grounds of the residential complexes.

Temporary Removal from Campus Building(s)/Service(s)/Program(s)

Other restrictions may be imposed such as denial of access to a specified campus building, service, program and/or SUNY Poly sponsored or supervised functions. A student may also be restricted from hosting guests on campus for a specified period of time as deemed to be appropriate by the Director of Community Standards.

Administrative Directives

If there is a concern for the well-being of a member of SUNY Poly community, or to prevent disruption to SUNY Poly operations, an appropriate College official may issue an administrative directive. SUNY Poly utilizes three types of administrative directives: cease and desist order, no contact order, and persona non grata status.

The terms of the administrative directive shall be specified in the administrative directive notice letter issued. A student who has been issued an administrative directive, or has requested and been denied an administrative directive, shall be entitled to a prompt review of the need for and/or terms of the administrative directive. Any party seeking a review shall submit a written request with supporting documentation to the Vice President for Student Affairs. The decision of the Vice President for Student Affairs shall be made within two (2) business days of the receipt of the written request and shall be final. The party who submitted the request shall be notified of the decision regarding the administrative directive in writing.

Cease and Desist Order

A Cease-and-Desist Order is a written directive issued between two parties which prohibits contact, either directly or through a third party. A Cease-and-Desist Order is considered mutual in that it applies to both the parties and does not restrict the movement of either party on campus.

A College official under the direction of the Vice President for Student Affairs may issue a Cease-and-Desist Order between any two parties even if there is no investigation in progress and/or no conduct charges pending. A Cease-and-Desist Order can also be issued in cases in which conduct proceedings have concluded and did not result in a finding of responsibility.

A Cease-and-Desist Order shall remain in place until it is amended or withdrawn. Any intentional violation of a Cease-and-Desist Order may be considered a separate violation of the Student Code of Conduct.

No Contact Order

A No Contact Order is a written directive prohibiting contact through any means with a protected person, either directly or through a third party. If the accused/respondent and the protected person observe each other in a public place, it is the responsibility of the accused/respondent to leave the area immediately and without directly contacting the protected person.

In Category II Level II cases (as described in Section Six: Student Conduct Procedures Part B) that are advancing through the conduct process, SUNY Poly shall automatically issue a No Contact Order. If SUNY Poly finds it appropriate, it may make a schedule for the reporting individual and the accused/respondent to use the same College facilities and services, while maintaining the terms of the No Contact Order.

A No Contact Order issued as an administrative directive is considered temporary pending the resolution of the administrative hearing or Board Hearing as outlined in Section Six: Student Conduct Procedures.

In cases in which a respondent is found not responsible following an administrative hearing or Board Hearing, the No Contact Order shall be withdrawn. The student conduct officer or designee may, at their discretion, issue a Cease-and-Desist Order between the two parties.

Any intentional violation of a No Contact Order may be considered a separate violation of the Student Code of Conduct.

Persona Non Grata

A persona non grata letter is an order which prohibits a person's presence from SUNY Poly premises and College sponsored or supervised functions. When the accused is not a member of the College community and presents a threat

to the health and safety of a member of the College community, University Police or other College officials may provide assistance to the reporting individual in obtaining a persona non grata letter, subject to legal requirements and College policy.

Section Five: Student Conduct Process Rights

Each accused/respondent or reporting individual shall have the following rights:

- The right to a prompt response to any complaint. SUNY Poly strives to complete the investigation and conduct process (excluding the appeals process) within sixty (60) calendar days from the date of the complaint, absent extenuating circumstances. Timelines may vary based on the complexity of the case, number of witnesses, and nature of the academic calendar.
- The right to an investigation and conduct process conducted in a manner that recognizes the legal and policy requirements of due process, including fairness, impartiality, and a meaningful opportunity to be heard and is not conducted by individuals with a conflict of interest.
- The same opportunity to be accompanied by an advisor of their choice who may assist and advise the accused/respondent and reporting individual throughout the conduct process and any related hearings or meetings. Participation of the advisor in any proceeding is governed by state and federal law and the Student Code of Conduct.
- The right to receive advance written or electronic notice of the date, time, and location of any meeting or hearing the accused/respondent and reporting individual are required to or are eligible to attend. The accused/respondent will also be provided the factual allegations concerning a violation, a reference to the specific Code provisions alleged to have been violated, and possible sanctions.
- The right to have a conduct process run concurrently with a criminal justice investigation and proceeding, except for temporary delays as requested by external municipal entities while law enforcement gathers evidence. Temporary delays should not last more than 10 days except when law enforcement specifically requests and justifies a longer delay.
- The right to offer evidence during an investigation and to review available relevant evidence in the case file (or otherwise held by SUNY Poly).
- The right to present evidence and testimony at a hearing, when appropriate.
- The right to decline to testify against oneself. Silence will not be considered an admission of responsibility by the hearing body.
- The right to a range of options for providing testimony via alternative arrangements, including telephone/videoconferencing or testifying with a room partition.
- The right to ask questions of the decision-maker and via the decision-maker indirectly request responses from either the reporting individual or respondent and any other witnesses present.
- The right to at least one level of appeal of a determination before a panel, which may include one or more students, that is fair and impartial and does not include individuals with a conflict of interest.
- The right to have access to a full and fair record of a student conduct hearing, which shall be preserved and maintained for at least seven (7) years. To access the file, please contact:
Director of Community Standards, 315-792-7505, Kunsela Hall A221
- The right to choose whether to disclose or discuss the outcome of the conduct process.
- The right to have all non-public evidence obtained during the course of the conduct process protected from public release until final determination, including any appeal determination, if applicable, unless otherwise required by law.

The accused/respondent and reporting individual to Category II Sexual and/or Gender Based Discrimination and Misconduct cases are afforded the following additional rights throughout the student conduct process:

- The right to have their complaint investigated and adjudicated in an impartial, timely, and thorough manner by individuals who receive annual training in conducting investigations and reviewing cases of sexual misconduct, the effects of trauma, impartiality, the rights of the respondent, including the right to a presumption that the respondent is “not responsible” until a finding of responsibility is made, and other issues

including but not limited to sexual misconduct, domestic violence, dating violence, and stalking.

- The right to exclude prior sexual history with persons other than the other party in the student conduct process or their own mental health diagnosis and treatment from admittance in the conduct stage that determines responsibility. Past findings of sexual misconduct, dating or domestic violence, or stalking may be admissible in the student conduct stage that determines sanction.
- The right to simultaneous (among the respondent and the reporting individual) written or electronic notification of the outcome of a conduct proceeding, including the decision, any sanction(s), and the rationale for the decision and any sanctions.
- The right to make an impact statement during the point of the proceeding where the decision maker is deliberating on appropriate sanctions.

Section Six: Student Conduct Procedures

Introduction

SUNY Poly's student conduct procedures have been developed with an emphasis on student involvement and fundamental fairness. The hearing bodies are not courts of law; hence, the formal court rules of evidence and procedures used in the courts do not apply. For a better understanding of the differences between the student conduct process and criminal process, see <http://system.suny.edu/sexual-violence-prevention-workgroup/College-and-Criminal-Resource/>

In order to comply with FERPA and provide an orderly process for the presentation and consideration of relevant information without undue intimidation or pressure, the hearing process for individual students and student organizations are not open to the general public.

Any notices or notifications outlined in the Student Code of Conduct will be sent to the student's SUNY Polytechnic assigned email account, unless extenuating circumstances dictate otherwise as determined by the College. Each student is responsible for monitoring their SUNY Poly email account on a regular basis. The conduct officer or Title IX Coordinator, at their discretion, may utilize additional delivery. Charges against student organizations will be delivered to the president of the student organization.

The student conduct process is divided into two distinct parts: Category I and Category II. Category I procedures provide guidance related to general student conduct cases. Category II provides guidance for Sexual and/or Gender Based Discrimination and Misconduct cases that do not fall within the scope of SUNY Poly's Title IX Grievance Policy (<https://sunypoly.edu/titleix/policies-procedures>). Category II policies and procedures comply with Violence Against Women Act (VAWA) reauthorization, the Clery Act, Office for Civil Rights guidance, and New York State law, including New York Education Law, Article 129-B.

PART A: CATEGORY 1 - GENERAL STUDENT CONDUCT PROCEDURES

Complaint

Any member of the SUNY Poly community may make a complaint or provide information concerning a potential violation(s) of the Student Code of Conduct. Allegations of prohibited behavior may be submitted to any of the following offices:

Office of Community Standards – Student Center S221, (315) 792-7235

Residential Life & Housing – Campus Center, Suite 0202, (315) 792-7810

University Police - Kunsela Hall B126, (315) 792-7222

Advisor

The reporting individual and respondent are permitted to have one advisor of their choice present with them at any investigation meeting, conduct meeting, and/or at a hearing. An advisor may privately consult with and advise their advisee throughout the investigation and conduct process, but may not speak on behalf of the student, question witnesses, disrupt the proceeding, present information to the hearing body, or otherwise directly participate in any investigation or conduct process. An advisor may be any person the reporting individual or respondent chooses. During

all investigation and conduct meetings and hearings, the reporting individual and respondent may request a brief recess to consult with their respective advisor, which may be granted at the discretion of the conduct officer or chairperson of the Hearing Board, unless the recess would be unreasonably disruptive.

Investigation and Notice of Charge

A conduct officer shall investigate the report to determine whether further action is necessary and may bring charges against the accused/respondent if sufficient information exists. All investigations will occur within a reasonable timeframe and every effort will be made to keep investigations private to the greatest extent possible. If the conduct officer determines that there is sufficient information that warrants further action, the conduct officer shall initiate either an administrative hearing or Board Hearing.

A student or student organization charged with an alleged violation of the Code will be provided written notice of the charge(s) and will be required to meet with a conduct officer. Unless circumstances prohibit, the respondent shall be provided notice of the charges within ten (10) business days of the Office of Community Standards receiving documentation. For cases referred to University Police or the Title IX Office, the ten (10) business days begin upon the Office of Community Standards' receipt of the official report from those offices. Written notice of charges includes information about the circumstances surrounding the potential violation including, where available, the date, time, location and factual allegations, as well as a student's rights under SUNY Poly's conduct process. In the notice, the case will be assigned either Level I or Level II status depending on the nature of the violations.

Both the reporting individual and respondent will receive the name of the conduct officer assigned to the case in their notice of charge letter. Within 24 hours of this notice, the reporting individual or respondent may request in writing that the conduct officer be removed on the basis of bias or conflict of interest, and set forth the specific basis for the request with supporting information. The Vice President of Student Affairs will determine whether the challenge has merit and respond to the request in writing within two (2) business days.

Case Level Status

A conduct case in which potential sanctions do not include suspension, expulsion or removal from College housing will be designated as a **Level I case**. Level I cases are resolved through an administrative hearing.

A conduct case in which potential sanctions include but are not limited to suspension, expulsion or removal from College housing will be designated as a **Level II case**. Level II cases are resolved through a Board Hearing.

Student Conduct Hearings

A hearing provides both the reporting individual and respondent the opportunity to present information for review by either a conduct officer or the Board. There are two types of hearings: administrative hearings and Board Hearings.

All hearings will be recorded by the Office of Community Standards. Deliberations held during a Board Hearing shall not be recorded. The reporting individual or respondent to a conduct case may request in writing to review the hearing record. Cameras or other reproduction equipment, other than SUNY Poly's recording device, are not permitted in a student conduct hearing, unless as a result of a preapproved reasonable accommodation.

Administrative Hearing

An administrative hearing is a hearing in which a conduct officer meets with the respondent to review the relevant information, charges, and the student conduct process. During the administrative hearing, the conduct officer will determine whether the respondent violated the Code and will assign sanctions if appropriate.

The respondent is required to schedule an administrative hearing with the conduct officer within five (5) business days from the date of the notice of charge letter. If the respondent needs to reschedule the administrative hearing, the respondent must notify the conduct officer no less than 24 hours prior to the scheduled hearing and request to reschedule. In the event a respondent does not schedule, reschedule, or fails to attend an administrative hearing, an

additional conduct charge of “failure to comply” (Student Code of Conduct Prohibited Behavior #18) may be added.

Should the respondent fail to schedule or attend an Administrative hearing, the conduct officer will give the respondent two (2) additional business days, with written notice, before proceeding. An additional charge of failing to comply may be added to the charge(s). The Administrative hearing will then be held in the student's absence. The student will be assumed to have entered a claim of Not Responsible to each allegation and forfeits their ability to present evidence on their behalf. Findings and sanctions, if applicable, will be based on the information and not upon the accused student's failure to appear. A student may submit a written request with supporting documentation to the conduct officer showing good cause for failing to appear. The conduct officer will review and make a determination as to whether a new hearing will be granted, otherwise, the decision of the hearing shall stand.

Except in the case of a student charged with failing to obey the summons of a hearing body or College official, no respondent may be found to have violated the Student Code of Conduct solely because the student failed to appear before the hearing body.

At the hearing, the conduct officer will ask the respondent if they are responsible or not responsible for the alleged charge(s). If the respondent accepts responsibility, the conduct officer will assign sanctions.

If the respondent does not accept responsibility, the conduct officer will review the case and based on preponderance of the evidence will make a decision, including assignment of sanction(s), when necessary.

The conduct officer will send a letter documenting the outcome and any sanctions imposed within five (5) business days of the administrative hearing, except when additional time is necessary for extenuating circumstances as determined by the Vice President for Student Affairs. The respondent and reporting individual, if any, may appeal the outcome and/or sanctions as outlined in Section Eight: Appeals.

SUNY Poly may place a hold on the records or registration of any accused or respondent who fails to respond to a SUNY Poly investigation or conduct notice or fulfill any sanctions previously issued. SUNY Poly may take other action necessary for resolution of a case prior to the accused or respondent's enrollment in a subsequent semester, transfer or graduation. All pending conduct matters must be resolved prior to a student's graduation, transfer from or continued education at SUNY Poly.

Board Hearing

The Board Hearing will be conducted by a panel (“the Board”) comprised of students, faculty and/or staff which reviews student conduct cases. The Board is appointed by Vice President for Student Affairs/Dean of Students on an annual basis. A quorum of three (3) Board members where one member of the board will be designated as chair by the chief conduct officer. In hearings where neither the respondent(s) nor complainant(s) are faculty or staff one of the board members shall be a student.

Level II cases are resolved through a Board Hearing, except in cases where the respondent accepts responsibility for the alleged violation(s). When a respondent accepts responsibility for a Category I Level II violation, an administrative hearing will be used instead of the Board Hearing.

Prior to the Board Hearing, the respondent is instructed to schedule a pre-hearing meeting with the conduct officer within five (5) business days from the date of the notice of charge letter. If the respondent needs to reschedule the pre-hearing meeting, the respondent must notify the conduct officer no less than forty-eight (48) hours prior to the scheduled meeting and request to reschedule the meeting. In the event a respondent does not schedule, reschedule, or fails to attend the pre-hearing meeting, the conduct officer will move forward with scheduling the Board Hearing.

Under the Board Hearing process, if there is a reporting individual, that individual will also be instructed to schedule in a pre-hearing meeting.

At the pre-hearing meeting, the following information related to the Board Hearing is reviewed:

- **List of Hearing Board members:** The reporting individual and the respondent will be provided with the names of the Hearing Board members and an opportunity to challenge the participation of any board member on the basis of bias or a conflict of interest. A challenge of a Board member must be made in writing to the conduct officer within 24 hours of receipt of the Notice of Hearing and must state the specific reason(s) for the challenge. The conduct officer will determine whether the challenge has merit and notify the reporting individual and the respondent of the decision within two (2) business days. The College reserves the right to change the board composition at any time, with notice and an opportunity to challenge a Hearing Board member's participation.
- **Case specific information:** The conduct officer will provide the reporting individual and respondent with a final opportunity to review the Board Hearing case file, which includes relevant evidence and a list of witnesses if applicable, which will be presented during the Board Hearing, if any. The reporting individual and the respondent shall be permitted to submit additional information, if deemed relevant by the conduct officer, for the Hearing Board case file no later than the three (3) days prior to the hearing. The other party shall be provided the opportunity to review the information prior to the hearing. Other relevant documents, or evidence the reporting individual and/or the respondent submits less than three (3) business days prior to the hearing will be reviewed by the conduct officer who can a) exclude evidence that has not been shared with the other party or b) adjourn the hearing to afford all parties the opportunity to review evidence to be presented c) and/or to conduct further investigation. The conduct officer will make the final decision related to the admissibility of all information and/or evidence.
- **Witnesses:** The reporting individual and the respondent may request that witnesses attend the Board Hearing if it can be shown that such witnesses have relevant information. The Director of Community Standards will be responsible for the notification of witnesses to attend the Board Hearing. The reporting individual and respondent will be permitted to ask questions of the witnesses through the Hearing Board, via the chairperson. All witnesses are subject to the right of questioning by the Hearing Board, and may be recalled at any time during the hearing for additional questions. While character witnesses are prohibited from participating in an administrative or board hearing, written statements prepared by character witnesses will be considered during the sanctioning phase of a hearing. Character witnesses' written statements must be submitted no later than three days prior to the hearing and shall not exceed one page each.
- **Accommodations:** The conduct officer or Hearing Board, for good cause, may accommodate concerns for the personal safety, well-being, and/or fear of confrontation of any party during the Board Hearing by providing separate facilities, using a visual screen, and/or permitting participation by telephone, videotape, or other means as determined by the conduct officer. These alternative arrangements are subject to the rights of both the reporting individual and respondent, and must enable the Hearing Board, respondent, and reporting individual to communicate in real time.
- **Role of the Complainant:** The complainant acting on behalf of the College presents evidence and witnesses pertaining to the case.
- **Procedure for Multiple Students Accused:** In cases involving more than one respondent, the Director of Community Standards will generally conduct the Board Hearings jointly. A respondent may submit a written request for an individual hearing to the Director of Community Standards. If a separate hearing is granted, information obtained in one respondent's hearing may be used at another respondent's hearing provided that each respondent has the opportunity to review and respond to the information.

The conduct officer shall schedule a Board Hearing within ten (10) business days of the pre-hearing meeting unless special periods (e.g., holidays, breaks) dictate otherwise. The reporting individual and respondent shall be notified of the time and place of the Board Hearing at least four (4) business days prior to the hearing. During the hearing the respondent, complainant, and reporting individual, if any, will be given the opportunity to make opening and closing statements, present witnesses, and ask relevant questions. Following the closing statements, the Board will begin their deliberations.

All deliberations are closed and shall include only the Hearing Board members. The chairperson of the Board will serve

as a facilitator during the deliberation. A review of information will be conducted by the Hearing Board to determine the respondent's non-responsibility/responsibility as to each of the charges. The decision shall be made by a majority vote (abstentions are not permitted) of the Hearing Board. A decision of responsibility shall be made only if the allegations contained in each charge have been established by a preponderance of the evidence.

If the Board has found the respondent responsible for one or more violations, the chairperson will then summon the conduct officer. The conduct officer will provide the Board with a student's conduct record, if any, for consideration by the Board for the purposes of issuing sanctions. The conduct officer will be dismissed by the chairperson prior to the start of the deliberations. The Board shall agree by majority vote (no abstentions) on appropriate sanction(s) as outlined in the Sanctioning Guidelines document. The chairperson will communicate the Board's decision regarding the respondent's responsibility and a recommendation of appropriate sanction(s) to the Director of Community Standards. The Director of Community Standards is required to accept the Hearing Board's decision with respect to responsibility/non-responsibility, unless the decision is arbitrary and capricious. Where the respondent is found responsible for one or more charges, the Director of Community Standards is not required to accept the Hearing Board's recommendation of appropriate sanctions. Specifically, the Director of Community Standards may reduce the sanctions recommended by the Hearing Board, but may not increase the sanctions.

Within five (5) business days following the adjournment of the hearing, the Hearing Board's decision will be communicated in writing to the respondent by the Director of Community Standards. Written notification will contain the name of the respondent; whether the respondent has been found responsible or not responsible for the charge(s), the rationale for the decision, and the sanction imposed, if any. If the violation is a crime of violence under the Clery Act (20 U.S.C. § 1092 (f)(1)(F)(i)(I)-(VIII) Part 1) or is a Category II violation, the reporting individual will also receive written notification of this information. College policy neither encourages nor discourages further disclosure of the decision letter by either student. The notification shall also inform both the reporting individual and the respondent of the appeal process, which includes any possible changes to the outcome that may occur before it becomes final, and when the outcome becomes final.

PART B: CATEGORY II: SEXUAL AND/OR GENDER BASED DISCRIMINATION AND MISCONDUCT PROCEDURES

This section sets forth the manner in which allegations of sexual misconduct, domestic violence, dating violence and stalking, that do not fall within the scope of SUNY Poly's Title IX Grievance Policy (<https://sunypoly.edu/titleix/policies-procedures>), will be addressed by the Office of Community Standards in consultation with the Title IX Coordinator.

Students' Bill of Rights

The Students' Bill of Rights, incorporated herein by reference, is distributed annually to students, is made available on SUNY Poly's Title IX website (www.sunypoly.edu/titleix), and is posted throughout campus, including in each campus residence hall and dining hall.

The right to a process in all student judicial or conduct cases, where a student is accused of sexual assault, domestic violence, dating violence, stalking, or sexual activity that may otherwise violate the institution's code of conduct, that includes, at a minimum: (i) notice to a respondent describing the date, time, location and factual allegations concerning the violation, a reference to the specific code of conduct provisions alleged to have been violated, and possible sanctions; (ii) an opportunity to offer evidence during an investigation, and to present evidence and testimony at a hearing, where appropriate, and have access to a full and fair record of any such hearing, which shall be preserved and maintained for at least five years from such a hearing and may include a transcript, recording or other appropriate record; and (iii) access to at least one level of appeal of a determination before a panel, which may include one or more students, that is fair and impartial and does not include individuals with a conflict of interest.

Policy for Alcohol and/or Drug Use Amnesty

The health and safety of every student at SUNY Polytechnic Institute is of the utmost importance. SUNY Poly recognizes that students who have been drinking and/or using drugs (whether such use is voluntary or involuntary) at the time that violence, including but not limited to domestic violence, dating violence, stalking, or sexual misconduct occurs may

be hesitant to report such incidents due to fear of potential consequences for their own conduct. SUNY Poly strongly encourages students to report incidents of domestic violence, dating violence, stalking, or sexual misconduct to College officials. A bystander or a reporting individual acting in good faith that discloses any incident of intimate partner violence, stalking, or sexual misconduct to SUNY Poly officials or law enforcement will not be subject to SUNY Poly's Student Code of Conduct action for violations of alcohol and/or drug use policies occurring at or near the time of the commission of the domestic violence, dating violence, stalking, or sexual misconduct.

Confidentiality: How SUNY Poly Will Weigh the Request and Respond

If a reporting individual discloses an incident to a SUNY Poly employee who is responsible for responding to or reporting a Category II violation, but wishes to maintain confidentiality or does not consent to the College's request to initiate an investigation, the Title IX Coordinator must weigh the request against SUNY Poly's obligation to provide a safe, non-discriminatory environment for all members of the campus community, including the reporting individual.

SUNY Poly will assist with academic, housing, employment, and other reasonable and available accommodations to the reporting individual regardless of their reporting choice. While reporting individuals may request accommodations through several College offices, the Title IX Coordinators will serve as primary point of contact to assist with these measures. SUNY Poly also may take proactive steps to combat prohibited behavior in a general way that does not identify the reporting individual or the situation that was disclosed. Because SUNY Poly is under a continuing obligation to address the issue of sex discrimination campus-wide, reports of Category II prohibited behavior (including non-identifying reports) may also prompt the College to consider broader remedial action such as increased monitoring, supervision or security at locations where the prohibited behavior occurred; increasing education and prevention efforts, including to targeted population groups; conducting climate assessment surveys; and/or revisiting College policies and practices.

SUNY Poly will seek consent from a reporting individual of an alleged Category II violation prior to conducting an investigation. A reporting individual may decline to consent to an investigation and can request confidentiality, even if SUNY Poly has received notice of the incident. The request for confidentiality will be honored unless SUNY Poly's failure to act does not adequately mitigate the risk of harm to the reporting individual or other members of the SUNY Poly community. Honoring a reporting individual's request for confidentiality may limit SUNY Poly's ability to meaningfully investigate and pursue conduct action against the accused.

When weighing an individual's request for confidentiality, SUNY Poly will review the available information and consider many factors to determine whether to proceed despite that request. These factors include, but are not limited to:

- Whether the accused has a history of violent behavior or is a repeat offender;
- Whether the incident represents escalation in prohibited behavior on behalf of the accused from previously noted behavior;
- Whether there is increased risk that the accused will commit additional acts of violence;
- Whether the accused used a weapon or force;
- Whether the reporting individual is a minor;
- Whether SUNY Poly possesses other means to obtain relevant evidence such as security footage or physical evidence;
- Whether the report reveals a pattern of perpetration at a given location or by a particular group;
- Whether the prohibited conduct was committed by multiple respondents;
- Whether the respondent has admitted to the conduct.

In cases in which the Title IX Coordinator grants the reporting individual's request for confidentiality, the alleged incident will be documented with the Title IX office. If a future pattern develops, SUNY Poly has the right to re-examine the incident.

When the Title IX Coordinator has sufficient information to demonstrate SUNY Poly has a responsibility to address the prohibited behavior, SUNY Poly may move forward with a full investigation and conduct process. SUNY Poly will not

require a reporting individual to participate in any investigation or conduct proceeding. SUNY Poly will inform the reporting individual prior to starting a full investigation and will take immediate action as necessary to protect and assist them.

Report/Complaint

Any member of the SUNY Poly community may make a complaint or offer information concerning a potential Category II violation of the Student Code of Conduct. A student may make a report against another student, an employee, a student organization or group, or a third party. The procedure SUNY Poly utilizes to address these reports may vary, depending on who the report is against.

Allegations of prohibited behavior may be submitted to SUNY Poly's Title IX Coordinators or the Director of Community Standards:

*Students who wish to speak **confidentially** about an incident may contact a confidential resource as designated in SUNY Poly's Options for Confidentially Disclosing document available at <https://sunypoly.edu/titleix/policies-procedures>*

Privacy vs. Confidentiality

SUNY Poly offices and employees who cannot guarantee confidentiality will maintain a reporting individual's privacy to the greatest extent possible. The information a reporting individual provides to a non-confidential resource will be relayed to the Title IX Coordinator. SUNY Poly will limit any disclosure as much as possible, even if the Title IX Coordinator determines that a request for confidentiality cannot be honored.

The Role of the Title IX Coordinator

The Title IX Coordinator is responsible for the investigation of Category II violations as outlined in the Student Code of Conduct. The Title IX Coordinator(s) will collect and review the information available. The Title IX Coordinators are not advocates or advisors, but will assist both the reporting individual and respondent by providing information about support and advocacy services and available accommodations. The Title IX Coordinator does not serve as a member of the Administrative or Hearing Board that determines if the complaint is substantiated.

Advisor

The reporting individual and respondent are permitted to have one advisor of their choice present with them at any investigation meeting, conduct meeting, and/or at a hearing. An advisor may privately consult with and advise their advisee throughout the investigation and conduct process, but may not speak on behalf of the student, question witnesses, disrupt the proceeding, present information to the hearing body, or otherwise directly participate in any investigation or conduct process. In cases being processed under the Title IX Grievance Procedure, the advisor is permitted to ask the other party and any witnesses' all relevant questions and follow-up questions during the live hearing. An advisor may be any person the reporting individual or respondent chooses. During all investigation and conduct meetings and hearings, reporting individual and respondent may request a brief recess to consult with their

respective advisor, which may be granted at the discretion of the conduct officer or chairperson of the Hearing Board, unless the recess would be unreasonably disruptive.

Accommodations

SUNY Poly will take steps, where necessary, to support the parties throughout the investigation and conduct process, including implementing appropriate temporary or administrative measures, as outlined in Section Four: Temporary and Administrative Directives. SUNY Poly will also take appropriate action to support the respondent throughout the process.

SUNY Poly may grant reasonable and available accommodations that effect a change in academic, housing, SUNY Poly employment, transportation and other applicable arrangements in order to address safety concerns, separate the reporting individual and respondent, prevent retaliation, and avoid an ongoing hostile environment. Accommodation requests can be made to the Title IX Coordinator or Director of Community Standards, and are subject to their review and approval.

As the investigation and conduct process for a Category II case is advancing, the Title IX Coordinator may, at their discretion, put restrictions in place when providing an accommodation. These restrictions may include, but are not limited to, altering a student's academic schedule, restricting parties from attending class/classes, re-assigning parties to a different class section, allowing parties to attend their scheduled class but with restrictions, restricting parties from certain areas of campus, restricting parties from campus but allowing parties to fulfill class requirements via internet, restricting or altering the dates/times/locations/hours permitted to work, scheduling the use of specific spaces (i.e. dining halls), restricting attendance at SUNY Poly sponsored or supervised functions, graduation or other ceremonies.

A student who has been issued a directive as a result of an accommodation shall be entitled to a prompt review of the need for and terms of the directive. Any party seeking a review shall submit a written request with supporting documentation to the Vice President for Student Affairs. The decision of the Vice President for Student Affairs shall be final.

Retaliation

No member of the SUNY Poly community shall retaliate, intimidate, threaten, coerce or otherwise discriminate against a person who reports a Category II violation, files a complaint, serves as a witness, or assists or participates in the investigation or conduct process in any manner. Participants who experience retaliation should report the incident to the Title IX Coordinator, Director of Community Standards, or Vice President for Student Affairs. Any substantiated act of retaliation may result in sanctions or other student conduct action as outlined in the Code, College policies, and/or the conduct procedures pursuant to the applicable collective bargaining agreements.

Investigation

A preliminary investigation of a report may precede a full investigation. During the preliminary investigation, the Title IX Coordinator will provide the reporting individual with information about the investigation and conduct process and will seek the reporting individual's consent to investigate (as outlined in the Confidentiality: How SUNY Poly Will Weigh the Request and Respond portion of this section). The Title IX Coordinator will interview the reporting individual and collect information relevant to the incident.

In cases in which (1) the reporting individual elects to file a formal complaint or (2) the reporting individual requests confidentiality but the College has determined it has a responsibility to address the prohibited behavior, the Title IX Coordinator will review the information and determine if there is sufficient information available to move forward with the conduct process. If adequate information was obtained in the preliminary investigation to give reasonable cause to believe a Category II violation may have occurred, the Title IX Coordinator will proceed with a full investigation.

Notice of Potential Conflict: If a full investigation is being pursued, both the reporting individual and respondent will receive notification in writing, of the name of the Title IX Coordinator assigned to the investigation of the case. Within

24 hours of this notice, the reporting individual or respondent may request in writing that the Title IX Coordinator be removed on the basis of bias or conflict of interest, and set forth the specific basis for the request with supporting information. The Vice President of Student Affairs or designee, will determine whether the challenge has merit and respond to the request in writing within two (2) business days.

The preliminary review of a complaint, including any temporary or administrative directives to be put in place, will generally be completed within 20 days of receipt of the complaint. The subsequent, comprehensive review and investigation of the complaint, including interviews and gathering of evidence, will generally be completed within 40 days of receipt of the complaint.

The full investigation will not begin until the reporting individual files a formal complaint with the Title IX Coordinator. In cases in which the reporting individual has requested confidentiality but SUNY Poly has determined an obligation to address the prohibited behavior, the full investigation will not begin until written notification of this determination has been issued to the reporting individual.

After the Title IX Coordinator understands the nature and scope of the complaint, they will send notice to the accused that a complaint has been filed and will include the date, time, location, and factual allegations concerning the violation(s), as well as the respondent's rights and other information about the investigation and conduct processes. The respondent will be instructed to contact the Title IX Coordinator within 48 hours of receiving the notice to schedule an initial interview. If the respondent fails to contact the Title IX Coordinators within 48 hours of the notice, the Title IX Coordinator may proceed with the investigation.

The Title IX Coordinator will meet with the reporting individual and accused separately when conducting the investigation. Both the reporting individual and respondent will be asked to provide any relevant documentation or supporting information (including but not limited to text messages, phone logs, video or audio recordings, photographs, social media posts or messages, letters, emails) and identify potential witnesses relevant to the complaint.

The Title IX Coordinator will interview witnesses deemed relevant to the complaint and will collect and review documentation and evidence provided by the witnesses.

Production and Review of the Investigation Report

Where a full investigation is being pursued, the Title IX Coordinator will produce a written investigation report, which both the reporting individual and the respondent will be provided an opportunity to review in draft form. The report will include a summary of the statements of each person interviewed, the relevant documentation, and other information reviewed by the Title IX Coordinator. The reporting individual and respondent will be permitted to provide clarifying comments to the portions of the report in which their own statements are summarized. They will also be permitted to respond to the content of the report and to propose questions to be asked of the witnesses and the other party to the complaint. The Title IX Coordinator will review the comments and questions submitted by the reporting individual and the respondent, if any, and will determine whether the report should be modified and/or if further investigation is necessary.

All information and documentation provided by either the reporting individual or the respondent, or by a witness(es) interviewed in the course of an investigation, may be included in the final investigation report and shared with the reporting individual, respondent, and appropriate College officials.

Once the investigation is complete and a final report is generated, the report is provided to the Director of Community Standards. The Director of Community Standards will review the report and determine if conduct action will be taken. If conduct action is pursued, the Director of Community Standards will provide the accused with notice of applicable charges and shall initiate an Administrative or Board Hearing.

Notice of Charge

A student or student organization charged with an alleged violation of the Code will be provided written notice of the charge(s) and will be required to meet with a conduct officer. Unless circumstances prohibit, the respondent shall be provided notice of the charges within ten (10) business days of the Office of Community Standards' receipt of the final investigation report from the Title IX Coordinator. Written notice of charges includes information about the circumstances surrounding the potential violation including, where available, the date, time, location and factual allegations, as well as a student's rights under SUNY Poly's conduct process. In the notice, the case will be assigned either level I or level II status depending on the nature of the violations:

- a. **Category II Level I** - A Category II conduct case in which potential sanctions do not include suspension, expulsion or removal from College housing will be designated as a Level I case. Cases involving an allegation of sexual harassment, sexual exploitation or non-consensual sexual contact may be assigned a Level I status, which would be resolved through an administrative hearing. The conduct officer will review the severity of the alleged conduct for sexual harassment, sexual exploitation, and non-consensual sexual contact cases and determine whether, based on the information obtained through the investigation, the case should be elevated to a Level II charge.
- b. **Category II Level II**- A Category II conduct case in which possible sanctions include but are not limited to suspension, expulsion or removal from College housing will be designated as a Level II case. Any case involving an allegation of non-consensual sexual intercourse, dating violence, domestic violence, or stalking will be automatically assigned Level II case status. These cases are assigned to a Board Hearing, except in cases in which the respondent accepts responsibility. If a respondent accepts responsibility for a Category II Level II violation, an administrative hearing will be used instead of the Board Hearing.

Both the reporting individual and respondent will receive the name of the conduct officer assigned to the case in the notice of charge letter. Within 24 hours of this notice, the reporting individual or respondent may request in writing that the conduct officer be removed on the basis of bias or conflict of interest, and set forth the specific basis for the request with supporting information. The Vice President of Student Affairs or designee, will determine whether the challenge has merit and respond to the request in writing within two (2) business days.

Student Conduct Hearings

A hearing provides both the reporting individual and respondent the opportunity to present information for review by either a conduct officer or the Board. There are two types of hearings: Administrative Hearings and Board Hearings. All hearings will be recorded by the Office of Community Standards. Deliberations held during a Board Hearing shall not be recorded. The reporting individual or respondent to a conduct case may request in writing to review the hearing record. Cameras or other reproduction equipment, other than SUNY Poly's recording device, are not permitted in a student conduct hearing, unless as a result of a preapproved reasonable accommodation.

Administrative Hearing

An administrative hearing is a hearing in which a conduct officer meets with the respondent to review the relevant information, including the final investigative report prepared by the Title IX Coordinator, charges, and the student conduct process. During the administrative hearing, the conduct officer will determine whether the respondent violated the Code and will assign sanctions if appropriate.

The respondent is required to schedule an administrative hearing with the conduct officer within five (5) business days from the date of the notice of charge letter. If the respondent needs to reschedule the administrative hearing, the respondent must notify the conduct officer no less than 24 hours prior to the scheduled hearing and request to reschedule. In the event a respondent does not schedule, reschedule, or fails to attend an administrative hearing, an additional conduct charge of "failure to comply" (Section Three: Prohibited Behavior, #18) may be added.

Should the respondent fail to schedule or attend an Administrative Hearing, the conduct officer will give the respondent two (2) additional business days, with written notice, before proceeding. An additional charge of failing to comply may be added to the charge(s). The Administrative Hearing will then be held in the student's absence. The student will be

assumed to have entered a claim of Not Responsible to each allegation and forfeits their ability to present evidence on their behalf. Findings and sanctions, if applicable, will be based on the information and not upon the accused student's failure to appear. A student may submit a written request with supporting documentation to the conduct officer showing good cause for failing to appear. The conduct officer will review and make a determination as to whether a new hearing will be granted; otherwise, the decision of the hearing shall stand.

Except in the case of a student charged with failing to obey the summons of a hearing body or College official, no respondent may be found to have violated the Student Code of Conduct solely because the student failed to appear before the hearing body.

At the hearing, the conduct officer will ask the respondent if they are responsible or not responsible for the alleged charge(s). If the respondent accepts responsibility, the conduct officer will assign sanctions.

If the respondent does not accept responsibility, the conduct officer will review the case and based on preponderance of the evidence will make a decision, including assignment of sanction(s), when necessary.

If the respondent has been found responsible for one or more violations, the reporting individual and the respondent each shall have the opportunity to provide an impact statement prior to the conduct officer's deliberation on appropriate sanctions. Impact statements outline the reporting individual's or respondent's thoughts or opinions regarding an appropriate sanction. The conduct officer is not bound by these statements in determining sanctions. The conduct officer will send a letter to the respondent and the reporting individual documenting the outcome and any sanctions imposed within five (5) business days of the administrative hearing, except when additional time is necessary for extenuating circumstances as determined by the Vice President for Student Affairs. The respondent and reporting individual may appeal the outcome and/or sanctions as outlined in Section Eight: Appeals.

SUNY Poly may place a hold on the records or registration of any accused or respondent who fails to respond to a SUNY Poly investigation, conduct notice, or fulfill any sanctions previously issued. SUNY Poly may take other action necessary for resolution of a case prior to the accused's or respondent's enrollment in a subsequent semester, transfer or graduation. All pending conduct matters must be resolved prior to a student's graduation, transfer from or continued education at SUNY Poly.

Board Hearing

The Board Hearing will be conducted by a panel ("the Board") comprised of students, faculty and/or staff which reviews student conduct cases. The Board is appointed by Vice President for Student Affairs/Dean of Students on an annual basis. A quorum of three (3) Board members where one member of the board will be designated as chair by the chief conduct officer. In hearings where neither the respondent(s) nor complainant(s) are faculty or staff one of the board members shall be a student.

Level II cases are resolved through a Board Hearing, except in cases in which the respondent accepts responsibility for the alleged violation(s). If a respondent accepts responsibility for a Category II Level II case, an administrative hearing will be used instead of the Board Hearing.

Prior to the Board Hearing, the respondent is instructed to schedule a pre-hearing meeting with the conduct officer within five (5) business days from the date of the notice of charge letter. If the respondent needs to reschedule the pre-hearing meeting, the respondent must notify the conduct officer no less than 48 hours prior to the scheduled meeting and request to reschedule the meeting. In the event a respondent does not schedule, reschedule, or fails to attend the pre-hearing meeting, the conduct officer will move forward with scheduling the Board Hearing.

Under the Board Hearing process, if there is a reporting individual, that individual will also be instructed to schedule in a pre-hearing meeting.

At the pre-hearing meeting, the following information related to the Board Hearing is reviewed:

- **List of Hearing Board members:** The reporting individual and the respondent will be provided with the names of the Hearing Board members and an opportunity to challenge the participation of any board member on the basis of bias or conflict of interest. A challenge of a Board member must be made in writing to the conduct officer within 24 hours of receipt of the Notice of Hearing and must state the specific reason(s) for the challenge. The conduct officer will determine whether the challenge has merit and notify the reporting individual and the respondent of the decision within two (2) business days. The College reserves the right to change the board composition at any time, with notice and an opportunity to challenge a Hearing Board member's participation.
- **Case specific information:** The conduct officer will provide the reporting individual and respondent with a final opportunity to review the Board Hearing case file, which includes the final investigative report prepared by the Title IX Coordinator, with supporting documentation as applicable. The reporting individual and the respondent shall be permitted to submit additional information, if deemed relevant by the conduct officer and/or Title IX Coordinator, for the Hearing Board case file no later than the three (3) days prior to the hearing. The other party shall be provided the opportunity to review the information prior to the hearing. Other relevant documents or evidence the reporting individual and/or the respondent submits less than three (3) business days prior to the hearing will be reviewed by the conduct officer and/or Title IX Coordinator who can a) exclude evidence that has not been shared with the other party, b) adjourn the hearing to afford all parties the opportunity to review evidence to be presented, and/or c) conduct further investigation. The conduct officer and/or the Title IX Coordinator will make the final decision relating to the admissibility of all information and/or evidence.
- **Witnesses:** The reporting individual and the respondent may request that witnesses attend the Hearing Board if it can be shown that such witnesses have relevant information. The Director of Community Standards will be responsible for the notification of witnesses to attend the Board Hearing. The reporting individual and respondent will be permitted to ask questions of the witnesses through the Hearing Board, via the chairperson. All witnesses are subject to the right of questioning by the Hearing Board, and may be recalled at any time during the hearing for additional questions. While character witnesses are prohibited from participating in an administrative or board hearing, written statements prepared by character witnesses will be considered during the sanctioning phase of a hearing.
Character witnesses' written statements must be submitted no later than three days prior to the hearing and shall not exceed one page each.
- **Accommodations:** The Title IX Coordinator, conduct officer, and/or Hearing Board, for good cause, may accommodate concerns for the personal safety, well-being, and/or fears of confrontation of any party during the Board Hearing by providing separate facilities, using a visual screen, and/or permitting participation by telephone, videotape, or other means as determined by the Title IX Coordinator. These alternative arrangements are subject to the rights of both the reporting individual and respondent, and must enable the Hearing Board, respondent, and reporting individual to communicate in real time.
- **Role of the Complainant:** The complainant acting on behalf of the College presents evidence and witnesses pertaining to the case.
- **Procedure for Multiple respondents:** In cases involving more than one respondent, the Director of the Office of Community Standards will generally conduct the Board Hearings jointly. A respondent may submit a written request for an individual hearing to the Director of Community Standards. If a separate hearing is granted, information obtained in one respondent's hearing may be used at another respondent's hearing, provided that each respondent has the opportunity to review and respond to the information.

The conduct officer shall schedule a Board Hearing within ten (10) business days of the pre-hearing meeting unless special periods (e.g., holidays, breaks) dictate otherwise. The reporting individual and respondent shall be notified of the time and place of the Board Hearing at least four (4) business days prior to the hearing.

During the hearing the respondent, complainant, and reporting individual, if any, will be given the opportunity to make opening and closing statements, present witnesses and ask relevant questions. Following the closing statements, the Board will begin their deliberations.

All deliberations are closed and shall include only the Hearing Board members. The chairperson of the Board will serve as a facilitator during the deliberation. A review of information will be conducted by the Hearing Board to determine respondent's non-responsibility/responsibility as to each of the charges. The decision shall be made by a majority vote (abstentions are not permitted) of the Hearing Board. A decision of responsibility shall be made only if the allegations contained in each charge have been established by a preponderance of the evidence.

If the Board has found the respondent responsible for one or more violations, the respondent and the reporting individual each shall have the opportunity to make an impact statement before the Board prior to the Board's deliberation on appropriate sanctions. Impact statements outline the reporting individual's or respondent's thoughts or opinions regarding an appropriate sanction. The Hearing Board is not bound by these statements in determining sanctions. After impact statements are made, the respondent, reporting individual, and their respective advisors are dismissed.

The chairperson will then summon the conduct officer. The conduct officer will provide the Board with a student's conduct record, if any, for consideration by the Board for the purposes of issuing sanctions. The conduct officer will be dismissed by the chairperson prior to the start of the deliberations. The Board shall agree by majority vote (no abstentions) on appropriate sanction(s). The chairperson will communicate the Board's decision regarding the respondent's responsibility and a recommendation of appropriate sanction(s) to the Director of Community Standards. The Director of Community Standards is required to accept the Hearing Board's decision with respect to responsibility/non-responsibility, unless the decision is arbitrary and capricious. Where the respondent is found responsible for one or more charges, the Director of Community Standards is not required to accept the Hearing Board's recommendation of appropriate sanctions. Specifically, the Director of Community Standards may reduce the sanctions recommended by the Hearing Board, but may not increase the sanctions.

Within five (5) business days following the adjournment of the hearing, the Hearing Board's decision will be communicated in writing to the reporting individual and the respondent concurrently by the Director of Community Standards. Written notification will contain the name of the respondent; whether the respondent has been found responsible or not responsible for charge(s) of a Category II violations; the rationale for the decision, and the sanction imposed, if any.

College policy neither encourages nor discourages further disclosure of the decision letter by either party. The notification shall also inform both the reporting individual and the respondent of the appeal process, which includes any possible changes to the outcome that may occur before it becomes final, and when the outcome becomes final.

Section Seven: Sanctions

In keeping with SUNY Poly's values, any sanction(s) imposed is for the purposes of educating students and student organizations about the seriousness of their action(s), deterring subsequent violations, and promoting civility and positive growth, while maintaining the safety and integrity of SUNY Poly.

SUNY Poly recognizes that not all violations of the Student Code of Conduct are the same. As a result, SUNY Poly reserves the right to impose differing sanctions. When considering appropriate sanctions the conduct officer or the Board will consider the following information:

- the nature and severity of the conduct;
- the respondent's prior conduct history;
- the impact of the conduct;
- how the College has sanctioned similar incidents in the past; and
- whether the respondent has accepted responsibility.

SUNY Poly's Sanctioning Guidelines, which are utilized by the hearing bodies in order to ensure consistent and fair sanctions, are available for review at <https://sunypoly.edu/student-conduct/sanction-guidelines.htm>. Sanctions become effective once the conduct officer issues notice of the outcome and sanctions to the respondent and/or student organization. The imposition of sanctions will normally be deferred while appeals are pending, though temporary directives will continue until there is a final outcome. The Vice President of Student Affairs or designee, may

suspend the conduct officer's/Hearing Board's determination or make such other interim modifications to the determination as may be appropriate in their judgement. Failure to complete a sanction may result in a registration, transcript, and/or diploma hold being placed on the student's account.

When there is a finding of responsibility one or more of the following sanctions may be imposed:

- A. **Disciplinary Warning:** An official communication that the Code has been violated and more severe disciplinary action may follow if the respondent is found responsible for further violations.
- B. **Disciplinary Probation:** A higher level sanction issued due to the serious nature of the violation. Probation shall be for a designated period of time. If the respondent is found to be in violation of any College policies during the probationary period, heightened sanctions may be imposed. At the discretion of campus offices and programs, respondents on disciplinary probation may be ineligible for employment and/or participation in certain activities.
- C. **Final Probation:** A final notice to the respondent that may be imposed, depending on the severity of the violation when a respondent a) violates the Code while on disciplinary probation, and/or b) fails to complete previously imposed sanctions. At the discretion of campus offices and programs, students on final probation may be ineligible for employment and/or participation in certain activities.
- D. **Deferred Residence Hall Suspension:** A final notice to the student that indicates a further violation of the Code may result in residence hall suspension or residence hall expulsion. This sanction is used when the respondent is found responsible for multiple violations of the Residence Hall policies, fails to complete previously imposed sanctions, or adhere to previously imposed conditions.
- E. **Residence Hall Suspension:** A disciplinary sanction in which the respondent is removed from campus housing and restricted from the buildings and grounds of the residential complexes for a defined period of time, after which the student is eligible to return. Conditions for readmission shall be specified in the outcome letter. The respondent will be responsible for all assessed charges including room and board.
- F. **Hall Expulsion:** A disciplinary sanction which results in the permanent removal of the student from campus housing and permanent restriction from the buildings and grounds of the residential complexes. The respondent will be responsible for all assessed charges including room and board.
- G. **Change in Residence Hall Assignment:** A written directive to relocate to an alternative residence hall assignment.
- H. **Suspension:** A disciplinary status that results in the respondent's temporary separation from the College for a specific amount of time. A suspended respondent is assigned persona non grata status (See Section Four: Temporary and Administrative Directives) for the duration of the suspension. If needed, conditions for readmission shall be specified in the outcome letter. Respondents who are suspended during an academic semester will be withdrawn from all coursework with a (W) grade and be responsible for all assessed charges including tuition, fees, room and board. Suspension from the College will result in a notation on the respondent's academic record. (See Section Seven: Sanctions, Transcript Notation).
- I. **Expulsion:** A disciplinary status, which is the permanent separation of the student from SUNY Poly. An expelled student is assigned persona non grata status (See Section Four: Temporary and Administrative Directives). Respondents who are expelled during an academic semester will be withdrawn from all coursework with a (W) grade and be responsible for all assessed charges including tuition, fees and room and board. Expulsion from the College will result in a notation on the respondent's academic record. (See Section Seven: Sanctions, Transcript Notation).
- J. **Loss of Privileges:** A disciplinary status in which the respondent is denied specific privileges for a designated period of time. Loss of privileges may include, but are not limited to:
 - 1. A restriction from possessing particular items on campus;
 - 2. A restriction from a particular College building, facility, or space;
 - 3. A restriction from a particular social event or membership in a student organization;
 - 4. A restriction from hosting visitors and/or guests;
 - 5. Deactivation of a student organization, including SUNY Poly recognition, for a specified period of time;
 - 6. Other restrictions as assigned.
- K. **Restitution:** Payment for loss, damage, or injury. This payment may take the form of monetary reimbursement or the cost for appropriate service or compulsory program.
- L. **Community Restitution:** Service to SUNY Poly, service to the greater community or other related discretionary

assignments subject to prior approval of the conduct officer.

- M. **Behavioral and/or Mental Health Assessment**: By a specified date, a respondent must complete a behavioral and/or mental health assessment and follow through with all recommendations made as a result of the assessment.
- N. **Behavioral Agreement**: A plan established by the conduct officer that clearly defines behavioral expectations and standards that the respondent is required to abide by.
- O. **Discretionary Sanctions**: Other related sanctions that meet the approval of the conduct officer, that include but are not limited to:
 1. Letter of apology;
 2. Essay or research paper on assigned topic;
 3. Program presentations;
 4. Substance abuse education program;
 5. Educational/training program or workshops.
- P. **No Contact Order**: A written directive prohibiting contact with another protected person, either directly or through a third party. If the respondent and the protected person observe each other in a public place, it is the responsibility of the respondent to leave the area immediately and without directly contacting the protected person.

Transcript Notation

A respondent's transcript will be subject to conduct notation for all cases in which the sanction imposed is expulsion

or suspension from SUNY Poly. This includes, but is not limited to, cases in which a respondent is found responsible for an act of violence that meets the reporting requirements found in the Clery Act at 20 U.S.C. § 1092 (f)(1)(F)(i)(I)-(VIII) Part 1. The notation will state that the respondent was “*suspended after a finding of responsibility for a Code of Conduct violation*” or “*expelled after a finding of responsibility for a Code of Conduct violation.*” The date the sanction was imposed will also be noted on the transcript.

An accused student who withdraws from SUNY Poly while an investigation is pending or after being charged with a Code violation will not be exempt from conduct action. If a student withdraws during a preliminary review or investigation, a hold may be placed on the student’s account which will prohibit the student from registering for classes and/or being able to obtain an official transcript until the case is resolved.

If a respondent withdraws from SUNY Poly while conduct charges are pending and declines to complete the conduct process, SUNY Poly shall notate on the respondent’s transcript “withdrew with conduct charges pending.”

An appeal seeking removal of a transcript notation for a suspension should be submitted, in writing, to the Vice President for Student Affairs or designee with written documentation showing rehabilitation or other good cause for transcript notation removal. The decision of the Vice President for Student Affairs or designee on whether to remove the notation is final. If the appeal for the removal of the transcript notation is granted, the notation shall not be removed prior to one year after conclusion of the suspension. If a finding of responsibility is vacated for any reason, any such transcript notation shall be removed.

A transcript notation of expulsion is a permanent notation of the transcript and shall not be removed.

Section Eight: Appeals

An appeal is a request for a review of an outcome of a student conduct case. An appeal does not rehear a conduct case, but rather, determines if the conclusion reached in the original hearing is valid based on specific grounds.

Request for an Appeal

A student may submit a request for an appeal in writing to the Office of Community Standards. The grounds for filing an appeal are limited to the following:

- a. The rights of the respondent(s), student organization(s) or reporting individual(s) were violated in the student conduct process as outlined in Section Six: Student Conduct Procedures;
- b. New evidence is discovered that was not available at the time of the Administrative or Board Hearing was held;
- c. The evidence presented does not support the decision;
- d. The sanction(s) imposed were not appropriate for the violation.

A student’s request for an appeal must include specific reference to the grounds on which they are filing the request and must include supporting information. A request for an appeal must be submitted to the Office of Community Standards no later than close of business on the fifth (5th) business day following the date the notice of outcome was issued. Failure to appeal within the allotted time will render the original decision final and conclusive.

Procedures for an Appeal

If the appeal request is timely and meets the aforementioned grounds, an Appellate Board will be convened within five (5) business days of receipt of the request for an appeal. An Appellate Board is comprised of three (3) Appellate Board members of which at least one (1) student and at least one faculty or staff member. The Vice President of Student Affairs shall appoint the membership as necessary. One member of the Appellate Board shall serve as the chairperson. Members of the Appellate Board must deliberate in a fair and impartial manner and may not have a conflict of interest. The Appellate Board deliberations are not recorded.

An appeal shall be limited to a review of the record of the conduct hearing, the hearing case file, and the content of the appeal request including any supporting documentation. The appeal will be reviewed based on the preponderance of

evidence standard. The reporting individual and the respondent will generally not have the opportunity to meet with the Appellate Board unless, in the Appellate Board's discretion, a meeting would serve to clarify an issue related to the appeal.

The Appellate Board shall choose one of the following courses of action after review of the information:

- A. Uphold the hearing decision and implement the sanction(s), if any;
- B. Uphold the hearing decision, but change the sanction(s);
- C. Overturn the hearing decision and, if appropriate, implement sanctions;
- D. Grant a new Board Hearing;
 - 1. When a new hearing is granted, the record of the previously conducted hearing will not be introduced or provided to members of the Hearing Board, except, at the discretion of the Hearing Board's chair, to challenge contradictory testimony.

The Appellate Board shall report their decision via letter to the Director of Community Standards within three (3) business days of their review. The Director of Community Standards shall communicate the decision of the Appellate Board to the reporting individual, respondent, or student organization within three (3) business days of receipt of the board's decision. If the Director of Community Standards determines that the Appellate Board's decision is arbitrary or capricious, the Director of Community Standards may send it back to the Appellate Board for further review.

If the reporting individual or respondent submits an appeal request of a Category II case outcome, the non-requesting party will receive notice that an appeal was submitted and will be afforded the opportunity to submit a written response to the requesting party's appeal within five (5) business days of the notification. Should both the respondent and the reporting individual both file an appeal, the appeals will be considered concurrently. Both the reporting individual and respondent of Category II cases will be notified of the appeal decision within thirty days of when the appeal review took place. The decision shall be final.

Final Appeal

A respondent may appeal the decision of the Appellate Board to the SUNY Poly President only when the sanction involves suspension or expulsion. This appeal must be submitted to the SUNY Poly President by close of business on the fifth (5th) business day following the date the Appellate Board decision letter is issued to the respondent by the Director of Community Standards. If the President agrees to consider an appeal, in their sole discretion, they shall be provided and may consider the records of the Appellate Board, Board Hearing, hearing case file and such written submissions and oral arguments as the President requests. The President shall make such determination as they deem appropriate and the decision shall be final.

Section Nine: Timelines for Student Conduct Process

All deadlines and time requirements in the Code may be extended for good cause as determined by the Director of Community Standards and/or the Title IX Coordinator. If there is a delay, notification will be sent in writing to both the reporting individual and the respondent with a new date for future deadlines or events.

Summer Timeline for Cases

During the period between the fall and spring semesters, cases will be handled per the timelines established in Section Six: Student Conduct Procedures.

Generally for Level I Cases, if the incident under review occurred during the spring semester but was unable to be resolved prior to the end of the semester, the conduct officer and/or Title IX Coordinator will contact the student to participate in the investigation process and administrative hearing, when applicable, in person, via phone, or another electronic medium. While the conduct officer will make reasonable accommodations to enable a student's attendance, students are required to attend the investigation meetings and the administrative hearing or may be subject to a hold on their school records and/or registration. In the hearing, the conduct officer will review the complaint, make a determination regarding the respondent's responsibility/non-responsibility, and assign applicable sanctions. The

respondent is able to appeal the decision of the conduct officer as stated in Section Eight: Appeals.

Generally for Level II Cases, if the incident under review occurred during the spring semester but was unable to be resolved prior to the end of the semester, the conduct officer and/or Title IX Coordinator will contact the accused to participate in the investigation process and Board Hearing, when applicable, in person, via phone, or other electronic medium. If the accused does not accept responsibility in a Level II case, the conduct officer will at their discretion convene a Board Hearing at the earliest possible time. Should there be a compelling and legitimate reason, as determined by the Director of Community Standards, that the case cannot be resolved during the summer, a Board Hearing will be held at the beginning of the fall semester. Cases where the accused could potentially be subject to suspension or expulsion may have financial consequences as outlined in Section Seven: Sanctions. For Level II cases in which the accused accepts responsibility, the case will be referred for an Administrative Hearing.

If the student is known to be attending SUNY Poly during the summer session or residing on campus when an incident occurs, the case shall be handled under the procedures that apply during the regular academic year as referenced in Section Six: Student Conduct Procedures. Any appeal of a decision made at this level that does not include suspension or expulsion shall be heard at the beginning of the next academic semester.

Section Ten: Notifications and Records

Notification of Guardians of Student Conduct Action/FERPA

In accordance with the Family Educational Rights and Privacy Act of 1974, SUNY Poly may release information pertaining to individual student conduct cases to appropriate College personnel and to parents/guardians of dependent students. Unless otherwise allowed by FERPA, information from a student's conduct file will not be made available without the student's written consent.

Maintenance of Records

There shall be a verbatim record, e.g., audio recording, of all hearings. The record shall be the property of SUNY Poly and will be retained for seven (7) years from the end of the academic year in which the conduct case was resolved, except in a matter of suspension or expulsion, in which case the record is maintained indefinitely.

Interpretation and Revision

Any question of interpretation regarding the Student Code of Conduct will be referred to Vice President for Student Affairs for final determination. The Student Code of Conduct will be reviewed annually under the direction of Vice President for Student Affairs.

Authorization

Education Law of the State of New York (Section 356) establishes a College Council for each unit of the State University of New York with power to make regulations governing the behavior and conduct of students at each respective campus. This Student Code of Conduct has been reviewed and approved by the College Council of SUNY Polytechnic Institute.

Amendments and modifications to the Code shall take effect upon notice to the SUNY Poly community. Substantive amendments require review and approval of SUNY Poly College Council and/or as mandated by federal or state rules, law or regulations and shall take effect following notice to the SUNY Poly community.

Public Order

In addition to the Student Code of Conduct, all SUNY Poly students are also governed by the Rules for the Maintenance of Public Order on College Campuses. These rules are implemented in compliance with section 6430 of the Education Law and comprise Part 535 of Title 8 of NYCRR. The College reserves the right to decide which set of conduct regulations to use in reviewing an allegation of violation.
