

The SUNY Poly Foundation is a not-for-profit corporation established in 1967 for the purpose of encouraging philanthropic support from individuals, corporations, foundations and other organizations for the purpose of providing scholarships to honor high-achieving students, assist faculty and staff in enhanced learning, strengthen our endowment for the future and advance campus development.

As you know, the College has changed through the years. But one thing has remained the same: our commitment to providing all SUNY Poly students with a tremendous education.

Giving at SUNY Poly

Where does my gift go?

The Annual Fund provides unrestricted dollars that strengthen the institution, by supporting scholarships that make a lasting impact on the lives of our students. With the support of our annual donors, the SUNY Poly Foundation was able to award 319 scholarships, totaling more than \$433,000 to deserving students during the 2016-17 academic year.

How does my gift make an impact?

Each year, hundreds of Annual Fund donors help make the SUNY Poly student experience a reality. Since 1967, alumni, parents, faculty and staff, and friends have created opportunities for SUNY Poly students by supporting the College's Annual Fund. Gifts range in size – when added together, they help make up the difference between the cost of education and the price of tuition. Every gift matters.

Lynn Rosen '78

Alumni Donor

"I've chosen to support the SUNY Poly Foundation since my graduation in 1978 because giving reminds me how I enjoyed the academic and social opportunities while a student, my degree from SUNY Poly (then Upper Division College) enabled me to advance in my career, and now that I am retired it's a great way to stay in touch while giving something back."

Nicolas VonDollen '19

Scholarship Recipient

"My academic success has always been incredibly important to me, and with a scholarship, I not only feel the incredible incentive to work my best, but I am also given the determination to be involved, and to achieve great things."
