

Setting Up a Preceptor in Typhon

1. Go to Student Log-In Page: <https://www3.typhongroup.net/np/data/login.asp?facility=3223>
2. Select "Other Login Types".

NPST

ADVANCED PRACTICE

Student Data Entry Login

Account Number:

User Login:

Password: [Forgot login or password?](#)

[Other Login Types](#)

[Suggested Browser Settings](#)

3. Select "Preceptor/EASI Login".

[Administrator Login](#)

[Sub-Administrator Login](#)

[Student Data Entry Login](#)

[Preceptor/EASI Login](#)

4. Enter preceptor's email into "Email Address". Then select "Forget Password?"

ADVANCED PRACTICE

Preceptor/EASI Login

Account Number:

Login Role:

E-mail Address:

Password: [Forgot password?](#)

rea is not for students. All students should login at:
[Student Data Entry Login](#)

[Suggested Browser Settings](#)

5. Typhon will send the preceptor and email with a temporary password. The preceptor will reset their password and return to the login page and attempt to login with new password.

If the email address doesn't work, let Clinical Coordinator know and have a secondary preceptor email address ready.
