

ARTICULATION AGREEMENT
between
Mohawk Valley Community College and SUNY Polytechnic Institute

This agreement provides graduates of Mohawk Valley Community College's (MVCC) Associate of Applied Science (A.A.S.) degree program with transfer paths to the Bachelor of Professional Studies (B.P.S.) degrees at the State University of New York Polytechnic Institute (SUNY Poly). Degree paths are as follows: **A.A.S. degree in Health Information Technology** to the **B.P.S. degree in Health Information Management**

Objectives of the Agreement:

1. To guarantee admission of transfer students from MVCC who satisfy the criteria described in this agreement.
2. To attract qualified students to MVCC and SUNY Poly.
3. To provide specific information for transfer students who wish to pursue a baccalaureate degree.
4. To encourage academic coordination between MVCC and SUNY Poly.

Agreement:

1. SUNY Poly agrees to accept MVCC graduates from A.A.S degree stated above who meet the admissions criteria at their term of transfer for the B.P.S. degrees indicated at SUNY Poly, which is currently a 2.75 GPA.
2. Students who have followed the Advisement Plans attached to this agreement will receive the agreed upon hours of transfer credit towards the hours required for the B.P.S. degree. Credits remaining to complete the identified B.P.S. degrees will be available in partnership with MVCC and SUNY Poly.
3. Students will maximize transfer credit by following the attached Advisement Plans. Any deviation from the suggested electives outlined in the plans may affect transfer credits and time to B.P.S. degree completion.
4. Both MVCC and SUNY Poly agree to encourage qualified students to participate by providing information and assistance to prospective transfer students. MVCC will list the agreement in its college catalog and website, and make information available to advisors and students.
5. Both colleges may publicize the articulation in the appropriate college publications, bulletins and college websites.
6. The terms of the articulation will remain in effect until March 2023 or amended by mutual agreement; Advisement Plans will be reviewed annually and appropriate curriculum changes made do not affect the terms of this agreement. This agreement is effective upon signature.
