Women Who Mean Business 2019

Networking and Mentoring Program

Thursday, April 4

5:30 – 7:30 pm

Hage & Hage, LLC, 283 Genesee St., Utica, NY 13501

This signature event brings together established female leaders within our community across all industries to provide female students from SUNY Polytechnic Institute with a vibrant, supportive network and help them to establish and cultivate personal and professional growth.

We invite you to participate in the speed networking event to lend your wisdom and expertise to the next generation of female leaders on their way to graduation from SUNY Polytechnic Institute.

We hope students will learn the value of female collaboration and mentorship through a round of speed networking between our community leaders and a select group of SUNY Poly's finest female students.

Please confirm your participation by Friday, March 22 by emailing Andrea LaGatta at andrea.lagatta@sunypoly.edu

Cocktails and hors d'oeuvres provided

**Mentoring • Networking
Empowering • Inspiring**
