

Dear SUNY Poly Alumni and Friends,

On behalf of the SUNY Poly Alumni Association and Foundation, I am writing to extend my heartfelt best wishes for the health and safety of you and your families during these unprecedented and challenging times.

We recognize that many of our alumni and friends across our country and beyond are also being greatly impacted by this pandemic, and we want you to know that you're in our thoughts.

Please know that SUNY Poly is working hard to do its part, prioritizing the health and safety of our students, faculty, staff, and surrounding communities. SUNY Poly's most current information can be found on our [COVID-19](#) information website, which is being kept up-to-date as new information becomes available each day.

Out of an abundance of caution, our development team is currently working remotely, however, we are available to connect with. Please feel free to contact us directly or by emailing us at alumni@sunypoly.edu at any time.

As a member of our SUNY Poly family, we want you to know that we are all working together to make the best decisions possible during this uncharted time. We know that we will all get through this together and will be stronger than ever.

From all of us at SUNY Poly, please stay safe and take care of each other.

Sincerely,
