

Each employee should complete the screening questions before coming to the site each day starting Tue 6/9.

How the screening app works.

- The screening can be done on any web connected device (computer, tablet, smart phone)
- You will login with your 5 digit site badge # found on your employee badge (see screen captures below)
- Limit is one entry per day
- There are currently 2 questions asked. These are the same as the questions currently being asked in NFE.
 - Have you had symptoms of or tested positive for COVID-19 in the last 14 days? (NO/YES)
 - Have you had close contact with anyone who has tested positive, and is still an active case for, COVID-19 in the last 14 days? (NO/YES)
- If you answer NO to both of those questions you will see a Green Check on the results screen
- If you answer YES to either of those questions
 - you will see a Red X
 - HR and/or site security will be notified
 - You will be instructed NOT to enter the site, and will be contacted by HR within 24hrs for follow up.
- Access the app at <https://as-app-sunypoly covid.azurewebsites.net/>
 - Remember to bookmark for future reference

Other information

- You do not need to print out or save the result, nor show it to security.
- If you are not able to use the web app you may answer the screening questions at the site screening in NFE rotunda
- The screening is for employees coming onto the site, whether it is for an entire shift, or for a shorter time.
- If you not able to use the web app you may answer the screening questions at the site screening in NFE rotunda
- The Albany site temperature screening process at NFE rotunda for all who come the site will remain in place for the foreseeable future.
- For employees and tenants, on-site question screening will discontinue once any bugs are worked out the web app process (estimate ~1wk trial period).
- Only NY CREATES (incl RF, FSMC, FRMC) & SUNY Poly employees will use this app. Other businesses will screen their own employees.
- This will only be used on the Albany Nanotech/Fuller Road campus.
- Visitors will be required to answer the screening questions at the NFE rotunda. (only business-essential visitors are currently permitted)
