Learn • Live • Grow • Move
Think • Socialize • Create

MVILR members are a community of life-long learners who enjoy meeting and interacting with others who have similar interests.

Would you like a rich and meaningful life after retirement? Would you like to continue to learn and grow with no homework, exams or grades? Join the members of the Mohawk Valley Institute for Learning in Retirement (MVILR) and partake in a wide range of unique educational, noncredit courses on the beautiful SUNY Poly campus.

MVILR courses range in format from large lectures to small discussions, and include a variety of educational topics. All courses are taught by volunteer facilitators who enjoy sharing their knowledge, talents and interests. Assistance is available for those considering becoming a facilitator.

For your annual membership fee you also can attend and enjoy a variety of special social events, lectures and other activities sponsored by MVILR and SUNY Poly at no additional cost.

Classes are held in SUNY Poly classrooms & at satellite locations, weekdays, 8 weeks in fall and spring and 4 weeks in the winter.
