To SUNY Poly's Campus Community:

With Election Day quickly approaching, I wanted to share some information that I hope may be helpful to you. Most importantly, I strongly encourage everyone to exercise your right to vote.

All UUP members should be aware that as per the UUP contract, the Election Day holiday (for UUP represented members) is observed on Friday, November 23<sup>rd</sup>. You will see that your timesheet in TAS has notated 11/23 as your Election Day holiday.

All CSEA, PEF and M/C employees will accrue Election Day as a floating holiday, and employees represented by PBANYS and NYSCOPBA will accrue Election Day as a regular holiday. For more information about official state holidays for 2018 and when they are observed, please see the following link: <https://sunypoly.edu/sites/default/files/human%20resources/Holiday2018.pdf>.

In addition, please feel free to contact Human Resources if you have any further questions about how this may impact your particular work schedule. More information can be found here: <https://sunypoly.edu/human-resources/new-york-state-employees.html>.

I hope that voting will bring you satisfaction in knowing that what you do does make a difference, just as the work you undertake at SUNY Poly as part of our overall academic and research effort is helping this institution to progress while enabling an exciting and positive future.

Sincerely,

Dr. Grace Wang  
Interim President  
SUNY Polytechnic Institute
