The AAAB and the Alumni Association office work together to promote a sense of community among all members of the SUNY Poly family: past, present, and future.

The student-paid alumni fee directly supports alumni programming and events coordinated by the Alumni Association. All current students are encouraged to participate in student-oriented alumni activities, including homecoming events during Wildcat Weekend, professional networking receptions, alumni speakers, and other programs designed for Alumni Association members. cial assistance. Freshman and transfer applicants meet specific academic and economic criteria. First-year EOP students also participate in a 10-day summer program designed to reinforce student success; the program includes academic, enrichment, and social programming. Additionally, EOP first-year students also complete First Year Seminar (FYS) as a group. Due to the size of SUNY Poly's EOP program, preference is given to transfer candidates previously enrolled in EOP; the Higher Educational Opportunity Program (HEOP); the Search for Education, Elevation and Knowledge Program (SEEK); the College Discovery Program; or a similar academic and financial support program.

A limited amount of graduate opportunity program funding is available for students accepted into one of our graduate programs. Students must have been an undergraduate EOP or HEOP student. Please contact the EOP office for information.

Student Academic Advising (Albany)
Nano Fab East, Fourth Floor
518-437-8686
Student academic success is a priority at SUNY Poly. In order to facilitate a smooth transition from high school and transfer programs, CNSE has a Director of Academic Advisement and four first year advisors who are available to new students throughout the year. All advisors are members of the SUNY Poly faculty and all of these faculty members teach at the Albany location. Academic advisement includes technical advisement for course planning and registration as well as mentorship for research opportunities, internships, and prestigious national award competitions. The key to effective academic advisement is good communication between advisor and advisee. Students are assigned an advisor prior to orientation and they work with that advisor during their first year. After the successful completion of one year at CNSE, students obtain a faculty advisor in one of the two CNSE colleges who is also a faculty member and subject expert. The Director of Academic Advisement is available to all students throughout their undergraduate career. Students are encouraged to get to know their academic advisor early in their first year and to maintain regular contact with him or her.

Student Services staff work with the Director of Advisement to assist students with the registration process and serve as a point of contact for on-line registration activity, such as course add, change, drop, late registration, cross registration and blackboard access.

The office will also provide support and assistance to students as they interface with Student Affairs areas, including health and wellness, counseling, CSTEP, career services, disability services, residence life and student conduct. The office will also serve as the liaison between CNSE’s administration and the CNSE Undergraduate Student Association, the CNSE Graduate Student Association, and the various clubs and other activities sponsored by those two associations.

Student Services is responsible for coordinating all undergraduate and graduate admissions decisions for the colleges and works closely with the CNSE Council on Student Recruitment in CNSE’s institutional governance.

The office will assist with orientation and other recruitment/retention related programs and is responsible for students’ site and lab access badging and the coordination of new student safety training during orientation.
Tour Guides/Student Ambassadors
Each year, the admissions office recruits student volunteers to participate in the tour guide program. Once a student has demonstrated dedication and commitment as a tour guide, the student may be promoted to student ambassador. Ambassadors and tour guides are selected during the fall and spring semesters assisting with campus tours/group visitations, open house, etc. Ambassadors and tour guides provide valuable information to prospective students and families about SUNY Poly programs, student life, sports and campus facilities. SUNY Poly student ambassadors and tour guides represent the entire SUNY Poly community. Although disclosure of a disability is always voluntary on the part of the student, the exact nature of the disability is maintained as confidential by the disability services director unless otherwise requested by the student.

Students with disabilities are invited to contact the disability services office to discuss their interest in using accommodations after being accepted to SUNY Poly. Students with disabilities may request accommodations at any time and it is recommended that students consider contacting the disability services director as early as possible in the semester.

**Faculty Advisor**

Every student is assigned a faculty advisor. Your advisor will help you plan your program of coursework and help you find answers to questions about personal academic goals, requirements, and regulations. Each student should share responsibility in the advising process by taking the initiative in seeking advisement and developing a working relationship with their advisor. To do this effectively, each student should:

1. Learn the academic advisor’s name and office location as soon as possible.
2. Become familiar with curriculum, departmental, program, and graduation requirements, which can be found in the catalog, on our website, etc.
3. Consult with the advisor prior to making any changes in the academic program and/or schedule (e.g., adding or dropping courses, summer courses, etc.).
4. Consult with the advisor if experiencing academic or personal problems affecting academic performance.
5. Consult with the advisor when considering a change of curriculum or program, transfer to another college, or withdrawal from SUNY Poly.
6. Meet with the advisor at least twice during each semester – early in the semester, to be followed by a second meeting just prior to advanced registration.
7. Discuss class requirements and grades with advisor, and schedule a meeting to get academic advice when needed.
8. Accept final responsibility for decision-making after consulting with the advisor.
9. Keep all scheduled appointments made with the advisor. Questions related to advisors and scheduling appointments with your advisor should be referred to your academic department.

Measles: Two dates of immunization given after 1967, at least 4 days prior to the 1st birthday
Mumps: One date of immunization given at least 4 days prior to the 1st birthday
Rubella: One date of immunization given at least 4 days prior to the 1st birthday

Meningococcal Meningitis

NYS Health Law §2167 requires that all on- and off-campus students provide the date of the meningococcal immunization given within the past ten (10) years or completion of the Meningococcal Information Response Form indicating acknowledgement of meningococcal disease risks and refusal of the meningococcal meningitis immunization signed by the student (or student’s parent/guardian if under 18 years old).

Health History and Physical Examination within the last two (2) years

Mandatory for all students registered for twelve (12) or more credits. The student may only receive clinical services at the health and wellness center after the health history and physical examination has been submitted. Full-time students will not be permitted to register for another term until this health requirement has been met. A health history and physical exam must be on file for all students to be seen by the clinical staff.

Medical Insurance

The health and wellness center provides health care services to students REGARDLESS of their medical insurance coverage.

SUNY Poly provides a medical insurance policy for those students who do not have medical insurance. The medical insurance fee provides a medical insurance policy for student use at health care providers/facilities off campus. The entire policy, including benefits, cost (premium and deductibles), exclusions and limitations is available online: sunypoly.edu/health_wellness.

All full-time students and full-/part-time nursing students must possess some type of medical insurance.

• Domestic Medical Insurance Policy - All domestic students taking twelve (12) or more credits and nursing students regardless of credit hours are automatically enrolled AND billed for medical insurance designated by SUNY Poly UNLESS you complete the electronic waiver your first semester at SUNY Poly and EACH FALL SEMESTER thereafter, PRIOR TO ATTENDANCE.

Completion of the waiver for the fall semester remains effective for that entire college year (fall and spring semesters). Completion of the waiver in the spring semester removes the insurance fee ONLY FOR THAT SPRING SEMESTER.

You MUST complete the waiver once each college year NOT to be charged the medical insurance fee.

If you have other medical insurance (e.g., under a parent’s policy, through employment, etc.) that provides coverage you MUST complete the online medical insurance waiver at healthwaiver.sunyit.edu. Your insurance information will be reviewed and if deemed complete and appropriate, you will NOT be enrolled nor billed for health insurance designated by SUNY Poly.
Part-time students may purchase the medical insurance by contacting the health and wellness center by the first day of EACH semester they wish the insurance to be effective.

- International Health Insurance Policy - the State University of New York requires that all international students entering the country for study or research, or any U.S. student studying abroad in a SUNY-sponsored program, purchase a SUNY-designated medical insurance policy. Medical insurance information is mailed upon admission and students are automatically billed.

**Campus Meal Plans (Utica)**  
All students living on campus are required to have a combined room and board plan. Currently there are three weekly meal plans.  

**Basic Meal Plan:** Three basic meal plans are offered depending on the individual needs of each resident student. These meal plans entitle the student to a total number of meals per week and a fixed number of points that can be spent per semester to supplement their allotted meals per week. For purposes of tracking meal plan usage, the meal plan week begins on Monday and ends on Sunday. Points can be spent at any time during the semester. Unused points will rollover from the fall semester to the spring semester. Unused points expire at the end of the academic school year and are non-refundable.

The three meal plans offered are:  

a. 19 meal plan - (default meal plan if no plan is chosen) entitles you to use up to 19 meals per week and 175 meal plan debit points per semester.  
b. 14 meal plan - entitles you to use up to 14 meals per week and 250 meal plan debit points per semester.  
c. 10 meal plan - entitles you to use up to 10 meals per week and 400 meal plan debit points per semester.  

Note: Meal plans and points are non-refundable and non-transferable.  

Meals are deducted upon entering the dining room. The meal plan week begins Monday breakfast and ends the following Sunday at midnight.  

The meal plan is not transferable; others may not use your meal plan for entrance into the dining room. No refunds will be given for meals not eaten. Meal plans may be changed prior to the beginning of the semester and through the first week of classes only. Meal plan changes for subsequent semesters may be requested at the College Association office. The SUNY Poly Card serves as the dining services access card. The magnetic stripe on the back of the ID contains information about your food service account. You must present your SUNY Poly Card to the food service employee when entering the Campus Center dining hall where it will be checked for eligibility to enter. Entry to the dining hall will not be permitted without a SUNY Poly Card. Please be sure to remember to bring it.

**Commuter Meal Plans**  
Commuter meal plans are available for purchase by non-resident students. Commuters may select from three commuter meal plan options as follows:

Declining Balance Plans  
1. Cost $100 - Receive 100 meal plan debit points  
2. Cost $200 - Receive 200 meal plan debit points  
3. Cost $400 - Receive 400 meal plan debit points  

Commuter meal plans may be purchased at the College Association office in Kunsela Hall A217. A charge for the meal plan will be placed on your student account. Commuters may also choose from the resident dining plans. This is an excellent option for students who will be spending a great deal of time on campus and want the benefits of an extensive set of meal options without having to worry about shopping, cooking and cleaning up. A resident meal plan can be purchased through the College Association.

**Points**  
Meal plan debit points (resident and commuter meal plans) and Wildcat Dollars may be used to purchase meals for yourself, family and friends at the Campus Center dining hall or to purchase menu items in the Student Center food court. Meal plan debit points are carried over from the fall to the spring semester; however, unused meal plan debit points are forfeited at the end of the academic school year. Meal plan debit points may not be replenished for resident meal plans. Instead students may purchase Wildcat Dollars to supplement their meal plans. Wildcat Dollars have the advantage of being fully refund-
Lost Cards
Lost or stolen cards must be reported immediately via sunyit.managemyid.com. This will inactivate the card so no one else can use it. File a SUNY Poly Card Report with University Police. Bring the SUNY Poly Card Report to the College Association office during regular business hours Monday through Friday. A replacement card will be issued - the replacement card fee is $25.

The process for notification of lost or stolen cards during non-business hours is the same with the exception that the student will NOT get a replacement card until the College Association resumes its normal business hours. Resident students may obtain a one-day temporary card for admission to the dining hall. There is a charge of $2.00 per day for the temporary card.

Questions about dining services should be directed to Sodexo Dining Services which manages food service operations on campus. Their primary office is located in the Campus Center, 315-792-7224.

Withdrawals, Terminations, and Refund of Board Plan (Food Service)
Students registering and occupying a room for two weeks or less who move out for a college-approved reason will receive a pro-rated refund for board based on the number of weeks (a partial week is considered a full week) on the meal plan. For this purpose, weeks are defined as beginning on Sunday and ending the following Saturday at midnight. Any student who occupies a room after the Saturday following the second full week of classes is responsible for the entire semester’s board charge. Exceptions may be made when a student withdraws to enter active military service or due to circumstances beyond his or her control.

All regulations and provisions herein shall remain in effect unless changed or modified by official written notice.

Student Employment
Sodexo Dining Services on campus employs nearly thirty students each semester, with an average work schedule of six hours per week. The student manager program is an opportunity to learn more about college dining services and opportunities with Sodexo. Applications are available at the food service office, Campus Center, Room 115C. Please bring along your class schedule when you apply.

Sick Trays and Bag Meals for Resident Students
If you are ill and have to miss a meal, a special “sick tray” can be picked up by a friend with an authorization from health services or the residence hall staff. Should you require an extended modified diet, our chef will work with you to assure your nutritional needs are met. Bag meals are provided for class conflicts only. Please bring your class schedule to the food service office at the beginning of the semester to arrange for a bag meal. A copy of the bag meal policy is available at the food service office, Campus Center, Room 115C.

Dining Hall Policies
You may eat as much as you want but please don’t take food out of the Campus Center dining hall. We also ask your cooperation in leaving equipment such as utensils, plates, and glasses in the dining hall. Replacement expense for china and silverware is very high and it is paid for through your meal plan cost. Please help keep those costs down.

Please do not bring large purses or bags into the dining hall. We cannot be responsible for any lost or stolen property, and recommend, whenever possible, that you leave your bags, books, etc., in your room or car.

As with any dining facility, shirts and shoes must be worn in the dining room and serving area.

The residential life and housing staff work with the residents to develop programs, activities, and services that enhance the high quality of campus life at SUNY Polytechnic Institute.

Resident students are required to purchase a meal plan. A number of convenient meal plans are available for residents. Meals are served in campus facilities at Utica and Albany. Residents can also use meal card “points” in campus dining facilities to purchase meals and items ala cart style.

Residential Life and Housing staff and Facilities staff members prioritize safety and security. The residential facilities are protected by central smoke and fire detectors, and the exterior doors are secured with computerized card readers.

2016-2017 Residential Policies and Procedures
Resident students and their guests are considered adults who are responsible for conducting themselves in accordance with state and local laws as well as with the institution’s alcohol and drug policy. Students residing in CrestHill Suites should note that the facility is under the jurisdiction of the City of Albany Police Department, and any local, state and federal law violations will be addressed by Albany PD. Resident students and their guests are required to abide by the following policies:

Alcohol Policy
Resident students who are 21 years of age or older may possess limited quantities of alcoholic beverages. They may serve alcohol to resident and non-resident guests provided the guests are at least 21 years of age. Resident student hosts will be responsible for ensuring that intoxicated guests are not served alcohol and for compliance with residence hall alcohol and guest policies. The sale of alcohol to any person is strictly prohibited.

In accordance with the established regulations, possession and consumption of alcoholic beverages is permitted by students over the age of 21 in the private living areas of the residence suites in Mohawk and Adirondack Complexes and at CrestHill Suites. In Oriskany residence hall, residents 21 years of age and over may possess/consume alcoholic beverages in their own residence hall bedrooms, only. Residents 21 years of age and over may possess/consume beverages in private rooms, but only if those rooms or suites have at least one assigned occupant who is 21 years of age and over. In all residential complexes, alcoholic beverages are prohibited in main lounges, recreation rooms, floor lounges, hall corridors, laundry rooms, and any other area that is not a private student room or Mohawk, Adirondack or CrestHill suite.

Compliance with all requests of University Officials, including Residence Life staff and University Police, for proof of legal drinking age, is required. If there is reasonable suspicion to believe that alcohol may be in bottles, cups or other containers, University staff reserve the right to approach students and request to inspect the drink, as well as hold students accountable for violations under the provisions of this policy.

Bulk Dispensers: The possession or use of kegs, beer balls, beer taps, alcoholic punches, or any form of alcoholic bulk dispensers is prohibited in the residence halls. The possession or use of grain alcohol and drinking funnels is prohibited. Responding police officers will confiscate these items for disposal.

Displays: Residents may not collect/display empty beverage containers of any kind (including cans, bottles, boxes and bottle caps) in their room. (See also Trash Removal.)

Games with Alcohol: Alcohol games such as, but not limited to, beer pong, quarters and other games that promote excessive drinking of alcohol are prohibited from being played. Any type of pong is prohibited.

Guest Alcohol Policy: Non-resident guests of SUNY Polytechnic residential students are not permitted to bring alcohol to the SUNY Polytechnic campus at Utica or Albany, regardless of the age of the guest.

Outdoor Locations: Alcohol is permitted to be consumed by assigned residents of the complex who are over the age of 21 only in the outdoor, enclosed quad areas of the Adirondack and Mohawk complexes. The director of residential life and housing and/or chief of University Police retain the right to disallow this privilege at any time if adherence to institutional policy or laws, noise disturbances or trash is deemed problematic. Advertised and group events that include alcohol are not permitted anywhere in the residential areas, including in the quads. Alcohol is not permitted anywhere on the outside grounds at Oriskany residence hall or at CrestHill Suites. Glass containers of any kind are not permitted outside at any residential complex.

Quantity Limits: Each resident student of legal drinking age is limited to the possession of the following amounts of four kinds of alcoholic beverages:

- no more than one 12-pack of beer (16 ounce maximum) per resident living within that suite; or
- no more than one 12-pack of wine coolers (16 ounce maximum) per resident living within that suite; or
- no more than one liter of distilled alcohol per resident living within that suite; or
- no more than one liter of wine per resident living within that suite.

**Violations** (State Laws Enforced): Course of action is determined by the nature of the violation. Refer to Student Code of Personal Conduct, Article VI, F, for sanctions.

- **Under 21 Years of Age:** Possession and/or consump-
tion of alcoholic beverages by persons under the age of 21 is strictly prohibited on the SUNY Polytechnic campus and is a violation of Section 65c New York state law.
- All persons are prohibited from selling, serving or purchasing alcohol for those under the age of 21. This is a violation of Section 260.20, New York state penal laws.

**Appliances**
Permissible appliances vary by residence. A list of appli-
cances that are permitted, as well as those that are prohibit-
ed, are available at www.sunypoly.edu/residential_life. Each residence with corresponding policies is listed on the left of the page.

**Bicycles/Motor Vehicles/Snowmobiles**
The storage of bicycles and motor vehicles in student rooms or suites is prohibited. Motor vehicles, including motorcycles and snowmobiles, may not be driven on sidewalks. Snowmobiles are permitted at Utica and may be parked in parking lots and driven directly to designated snowmobile trails only. Snowmobiles in Utica must be registered with University Police. Snowmobiles are not permitted at CrestHill.

Due to lack of availability of indoor or outdoor bike stor-
age, students residing at CrestHill Suites are discouraged from bringing bicycles.

**Care of the Facilities**
The furnishings and equipment have been provided for the enjoyment, convenience, and safety of all residents. Residents are responsible for the care and cleanliness of their suite or room and for abiding by institutional policies in maintaining these facilities. Personal furniture is not permitted. Residents are responsible for their guests or visitors and may be held responsible for their actions. Theft or vandalism is prohibited.

**Commercial Activity**
No commercial activity may be conducted in or from any residential facility unless approval has been provided under the guidelines of the campus Sales and Solicitation Policy.

**Computer Network Access**
The SUNY Polytechnic data network is a state-of-the-art high speed infrastructure that supports a broad range of academic, administrative and student computing require-
ments. SUNY Polytechnic maintains several documents that directly address a constituent’s use of our computer services and corresponding data network. Included are the “Computer and Network Resources Statement of Respons-
bility,” “Computer Software Policy,” “Computer Use Policy,” “Dormitory Connection Policy,” “Instructional Computing Guide,” and “Web Policy.” They are available online at http://its.sunyit.edu/. Students should also be aware that the policies outlined in the Student Handbook and Residence Hall License are additionally enforced. Students should pay particular attention to the “Academic Integrity Policy” and the “Student Code of Personal Conduct” policies and procedures.

**Condition of Suites and Rooms**
Room and suite inventory forms must be completed on the day of move in. Residents who choose not to complete inventory forms on the day of move in will not be permit-
ted to appeal damage charges as it will be assumed that the suite/room was in perfect condition.

Common area damage is considered damage that occurs in areas where more than one student has access. Access is defined as having keys to, or card access to, a specific area of the residence halls (e.g., bathroom, living room, hallway, lounges, laundry rooms). Common area damage can include the vestibule and stairway of each building. Common area damage will be assessed to all students who have access to the damaged area only after efforts are made to determine the responsible party. (Students are responsible for themselves and their guests.)

Students may not act to repair any damage to SUNY Polytechnic property by attempting to make a repair themselves, allowing a friend or family member to make the repair or by contracting a third party to make the re-
pair.

Please note that damages at CrestHill Suites are invento-
rized by the CrestHill Staff and may not be subject to appeal. CrestHill suites are equipped with permanently af-
fixed artwork and decorative items that may not be re-
moved and may not be covered with paper or other flam-
mable materials.

**Consolidations**
Any student who resides alone in a double or triple room will be required to consolidate into a double or triple room with at least one additional roommate, if the single occupancy of a double or triple occurs with the first four weeks of the fall or spring semester.

**Decorations**
Fire regulations prohibit the blocking of free entry to and from the suite and bedrooms. Do not place decorations on the ceilings. Materials on the ceilings may also impede the activation of smoke and heat detection equipment.
Disability/Medical Request for Accommodations
SUNY Polytechnic is committed to upholding and maintaining all aspects of the federal Americans with Disabilities Act (ADA) of 1990 and Section 504 of the Rehabilitation Act of 1973. If you are a student with a disability and wish to request accommodations, please contact the disability services office in Kunsela Hall, 315-792-7170. Any information regarding your disability will remain confidential. Each student housing and dining application also provides the opportunity to request Housing and Dining Accommodations.

Displays
Resident students are permitted to display any posters or other items in their suites that do not violate fire codes or SUNY Polytechnic policies on harassment and discrimination. CrestHill Suite residents are subject to posting policies of the hotel, particularly any posting viewable from the exterior of the facility. Displays in the exterior windows or doors are subject to regulation. Fire and safety regulations also prohibit displaying any items in the windows which would interfere with an emergency exit or rescue. Students with questions about this policy may contact the director of residential life and housing.

Disruptive Behavior/Endangerment
Disruptive behavior, including physical abuse, assault, harassment, threats, excessive noise (which may include loud playing stereos or musical equipment), and unruly behavior is prohibited. Behaviors which compromise the peace, safety, and/or health of other residents or compromise the educational mission of SUNY Polytechnic are prohibited. (See also Student Code of Personal Conduct.)

Residential students who act to create or contribute to unsafe or hostile environments may be required by the Director of Residential Life & Housing to participate in “CASE: Consultation and Support Evaluation,” a joint program between The Office of Residential Life and Counseling Services. Participation in CASE can be required in addition to a conduct referral, or may be helpful in providing support to prevent a conduct referral in some instances. Failure or refusal to participate in the CASE Program will result in a conduct referral.

Drugs
The possession or use, without a physician’s prescription, of any drug defined as a controlled substance by federal, state, or local laws is strictly prohibited on the SUNY Polytechnic premises. Controlled substances are defined in broadest terms to cover narcotics, depressants, stimulants, and hallucinogens. Drugs or drug-related paraphernalia may be confiscated and used as evidence. (See also Student Code of Personal Conduct.)

Facilities and Services
Facilities and services provided by SUNY Polytechnic and CrestHill Suites in Albany include:

- Bedroom furniture: bed, desk chair, window blinds, mattress, dresser, mirror, desk, closet, floor lamp, telephone service (CrestHill, Mohawk and Adirondack only), wired/wireless LAN connection, wall-to-wall carpeting.
- Living room furniture in suites and commons spaces: coffee table, couch, chair, window blinds, floor lamp, table lamp, wall-to-wall carpeting (except in hallways of Mohawk and Adirondack suites).
- Safety and security: 24/7 staffing, smoke and heat detectors, sprinklers, closed circuit security cameras covering quad and parking areas at Utica, locks on all doors, proximity card access to buildings. Proximity card access to the third floor of CrestHill Suites.
- Other conveniences: parking (permit must be purchased), cable TV, incoming mail and package service, laundry, utilities.

Fire Safety
Residents are required to abide by all fire regulations. SUNY Polytechnic is required by state law to conduct a minimum of three fire drills in the residence halls per academic year. CrestHill suites staff will conduct a minimum of one drill per semester. When a fire alarm rings all residents must immediately vacate the building. Failing to do so during an alarm will result in disciplinary action. Residential life and housing or college staff may enter resident student suites and rooms to verify compliance. Tampering with fire equipment and/or non-compliance with fire regulations may result in disciplinary and/or civil action. The use of candles, potpourri burners, and incense is prohibited. Gas or propane grills, internal combustion engines, or tires may not be operated or stored in the residence halls or suites.

Each semester fire safety inspections are completed by residential life and housing staff in conjunction with the environmental health and safety officer. In Utica, the State Fire Marshall conducts these inspections. Students are given at least 24 hours’ notice prior to inspections.

Guest Policy
All residential facilities have guest and visitation policies and required registration. This policy is intended to protect the rights of all residents in a suite and to support the academic mission of the residence halls.
This policy is intended to protect the rights of all residents in a suite and to support the academic mission of the residence halls. Therefore, residents and their guests must follow this policy.

- The consent of roommates must be obtained before guests are invited to visit.
- Resident students may not host overnight guests for more than three consecutive nights or more than six nights in any one calendar month. A resident student may host no more than two overnight guests at one time.
- Residents are expected to comply with the guest registration policy posted by their complex Residence Director.
- Persons who have been suspended or dismissed judicially from SUNY Poly or the residence halls are not permitted in Oriskany, Adirondack, Mohawk, or CrestHill Suites residential facilities at any time without prior permission from the chief housing officer.
- Resident student hosts are responsible for the conduct of their guests and are advised to make their guests familiar with college policies. Residents will also be held financially accountable for any damage caused by their guests.
- Persons under 17 years of age must be accompanied by a legal guardian at all times while in the residence hall or at CrestHill. Underage siblings are not permitted to stay overnight or be in residence halls without a parent or legal guardian at any time.
- Babysitting/childcare for any length of time is not permitted in the residence halls.
- The use of residence hall laundry facilities are for resident students only. Theft of laundry services will be taken seriously. Non-residents who use laundry facilities, as well as the resident who provided access to the laundry room, will be charged with theft of services and other charges as appropriate via University Police and the Student Code of Personal Conduct.
- Visitors and overnight guests are required to park in designated parking located in E, F, and J lots.
- For social gatherings, maximum Mohawk and Adirondack suite occupancy has been established at 20 persons, including the suite residents.

**Housing License and Agreement**

All students living on campus sign a SUNY Polytechnic Housing License for a space, not a specific room. The housing license is for the entire academic year and cannot be canceled during this period as long as the student is registered full time for classes. Consult the license for further information regarding release and exemptions. Freshmen and sophomores are required to live on campus unless commuter approval or special off-campus exemption is sought and approved prior to the start of the academic year.

**Keys/ID Cards**

Keys/ID cards (proximity cards used to access residences) are provided for residents as a matter of convenience and security. The unauthorized use or reproduction of a key/ID card for any college room or facility is prohibited. Lost keys/ID cards must be reported to the residential life and housing staff immediately. Residents at CrestHill must report lost hotel suite cards to front desk immediately. The loss of a residence room key at Utica will result in the re-keying of your room and all other rooms in the suite and all affected mailboxes. The resident is responsible for associated charges of $150.00 per key. (See also Security Policy.)

**Kitchens**

Mohawk and Adirondack complexes provide minimal kitchenettes with stoves in the common area lounges. Oriskany Hall offers a full kitchen with full appliances. Residents of Oriskany have a kitchenette available on their designated floors. Residents at CrestHill have a full kitchen in their suites. Kitchenettes are designed for students to supplement and enhance their meal plans, not to replace them. Students are expected to take exceptional care in using these kitchens in a safe manner. Students who misuse the kitchens or fail to clean up after themselves will be subject to losing the privilege of using the kitchen and/or other disciplinary actions.

When determining interest in remaining in housing over breaks (when eligible to request break housing) or when requesting summer housing, students at the Utica location should consider that minimal cooking accommodations are available.

**Linen Service (CrestHill Suites only)**

CrestHill Suites will provide linen service to all resident students as part of the housing services. CrestHill staff will enter student rooms daily to remove and refresh bathroom towels and washcloths. (See also, Trash Removal). Bed linens will be cleaned and replaced by CrestHill staff weekly. Bathrooms will be cleaned weekly. All residents are expected to comply and cooperate with CrestHill staffs’ efforts to refresh linens and clean bathrooms by keeping suites and bedrooms; accessible, picked-up, cleanly and with countertops free of excessive personal toiletries and supplies. When CrestHill staff enter the suite to complete tasks related to linen service, trash removal and cleaning, residents are expected to be responsive, courteous and properly dressed.
Lofting and Bunking of Beds
Beds in double and triple rooms may be bunked or lofted by submission of a Work Order via the Residential Life Work Order System. Beds may be lofted or bunked only by Facilities Staff. Not all SUNY Poly beds are able to be lofted or bunked. Only bunked beds with rails and lofts with rails and a safety support rail are eligible.

Noxious or Offensive Odors
A noxious or offensive odor is any aroma of such intensity that it becomes disruptive to others. Nearly any aroma can become noxious or offensive when it is overwhelmingly strong. Some examples might include incense; cigarette, cigar, or pipe smoke (Note: smoking is prohibited in all buildings); perfume; air freshening spray; or even large amounts of dirty laundry or garbage. Residents are urged to use courtesy and good judgment about this potentially annoying concern. Residential life and housing staff members may ask residents to take corrective action if complaints about odors are received.

Occupancy (Maximum Occupancy per Fire Code)
In accordance with the residence hall guest policy and applicable fire/safety regulations, SUNY Polytechnic has determined the maximum occupancy for Utica residence halls:

- Each Mohawk and Adirondack suite to be 20 persons (including those who are the resident students and including bedrooms). Suite residents are responsible for ensuring that this maximum occupancy is not exceeded.
- Each single bedroom to be five persons.
- Each double bedroom to be nine persons.

CrestHill residents must comply with hotel maximum suite and room occupancies posted and published by CrestHill.

Personal Property/Personal Belongings
SUNY Polytechnic does not accept liability for residents’ personal property. The institution shall not be liable to residents or guests for damage to personal property caused by water, theft, rain, fire, steam, sewer, pipes, plumbing, refrigerators, laundry machines or dryers. Students at both Utica and Albany are advised to seek insurance for personal belongings. Liability for risk, injury and/or damage to personal property are expressly assumed by the student.

Personal items not removed from the room after a student has checked out or withdrawn from SUNY Polytechnic are considered discarded items. Reasonable attempts will be made for up to two weeks following the departure of a student or a student’s failure to return to contact the resident to retrieve the items. Items not picked up after two weeks will not be stored.

Pest Control
Residents experiencing infestation problems with any pest should report the problem to the Residence Director immediately. All students must comply with the requirements of the pest control program as they are communicated to them in response. Residents may not refuse to follow a pest treatment program and must properly prepare for any University Official or pest control officer acting to inspect or manage a pest report. Residents may not remove any pest control device placed by the institution or by a company contracted by the institution.

Pets
Except for non-carnivorous fresh water aquarium fish, pets are not permitted to visit or be kept in the residence halls. Fish must be kept in aquarium tanks of less than 10 gallons. Specially trained companion dogs for disabled persons and therapy animals are not classified as “pets” under this policy. Please consult the director of residential life and housing and disability services director for questions regarding pets in residence under ADA.

Prohibited Items
Students are prohibited from possessing the following items in residence halls: space heaters, incense, firearms or other weapons, immersion heaters, open fires, cooking appliances, air conditioners, hot plates, explosives, dartboards, extra furniture (unless specifically approved), ceiling fans, and halogen torchiere lamps.

Extension cords are prohibited; however, UL approved, electrical, polarized, grounded power strips with fuses (or circuit breakers) are acceptable. Daisy chaining power strips is prohibited. The maximum amperage of such devices may not exceed 15 amps.

Quiet Hours/Courtesy Hours
Residence halls provide environments conducive to study and sleep, as well as social interaction. At all times each resident is expected to be courteous of others by monitoring noise levels so others are not disturbed and by responding to requests to be quieter.

The residential life and housing office has outlined specific quiet hours which are designed to support an environment to study and sleep.

Quiet Hours:
Sunday through Thursday, 11 p.m. to 8 a.m.
Friday and Saturday, Midnight to 8 a.m.

Courtesy hours exist at all other times and are a minimum condition to allow residents the right to study and sleep.

During finals weeks, 24 hour Quiet Hours are in effect. Each resident is expected to initially confront any noise
Recreation and Weightlifting Equipment
Students are prohibited from playing sports or rough-housing in the halls as this is not conducive to the indoor learning environment and may cause damage inside the building. Prohibited recreation indoors includes, but are not limited to, tossing, bouncing, or kicking a ball or frisbee, roller blading, biking, using a scooter, using nerf guns, water guns or water balloons.

Residents are prohibited from engaging in outdoor recreation activities in the vicinity of the residence hall area if the activity presents a danger to personal safety or property or a disruption to the academic living environment. Residents are urged to be respectful of others and to use good judgment when participating in outdoor recreational activities near the residence halls.

The use or storage of athletic free weights and weight benches in the residence halls or in the residence hall area is prohibited.

Repairs
Residents are responsible for immediately reporting needed repairs for their suite or room and all fixtures, furniture, fire and safety equipment, and effects therein to residential life and housing staff. CrestHill Residents must report the need for repairs to the front desk staff at CrestHill and are encouraged to also report the repair to SUNY Poly Residential Life staff, as well. Prompt notification is required to prevent serious problems from developing. Students are prohibited from doing their own repairs in SUNY Polytechnic-owned housing or at CrestHill Suites. Spackling, painting, and any other repairs are prohibited.

Right of Inspection/Health and Safety Inspections
SUNY Polytechnic reserves authorized employees’ right to enter residence hall suites at any time to ensure the safety and well-being of members of the college community and the good condition of SUNY Polytechnic property, and for the following purposes: housekeeping, maintenance, damage inspection, occupancy and vacancy determination, emergencies, investigation of suspected violations of the Student Code of Conduct and/or the Housing and Dining License and for announced health and safety inspections.

At the close of the residence halls and during breaks, the residential life and housing and facilities staffs will enter rooms to check for plugged-in appliances, trash, open windows, lights, unlocked doors, etc.

The residential life and housing staff will conduct health and safety inspections at all residences, each semester. Rooms are inspected for illegal or inappropriately used electrical appliances and/or health and safety hazards, including assessing cleanliness. Any violation will result in disciplinary action against the resident and possible confiscation. Inspection periods will be announced a minimum of 48 hours in advance. It is preferred that students be present during inspections. If residents are unable to be present following attempts to reschedule a convenient time for all, staff will enter rooms in pairs. When conducting health and safety inspections, and before entering a resident’s premises, residential life and housing staff will knock and announce themselves. Items in plain view that are specifically prohibited or pose an immediate danger to the room, safety or life will be removed.

Students will be given written notice of the outcome of the inspection, and given 24 to 48 hours to address violations, including cleanliness concerns.

Sales and Solicitation
Solicitation and/or sales by residents or outside agents are not permitted in the residence halls or on the third floor at CrestHill Suites. In Utica, the posting of any advertisement or non-college related material must be authorized by the Office of Campus Life in accordance with the Campus Posting Policy. Campus Life approved postings can then be submitted to the Office of Residential Life and the Resident Advisor staff will post signs in approved locations. For more information, please refer to the Campus Posting Policy.

Postings at CrestHill are submitted to and approved by the Residence Directors.

Postings will only be hung in the residence halls or on the SUNY Poly floor at CrestHill Suites if they are submitted a minimum of one week in advance of an event or activity.

Screens and Windows
The removal, loss, or damage of a window or screen from student rooms or suites is prohibited and may result in installation/replacement charges and disciplinary action. The throwing of objects from windows and the placing of any objects outside the window, including aerials, banners, flyers, and other equipment, is prohibited.

Security
SUNY Polytechnic and CrestHill suites have provided each residence with various security systems which are designed to enhance the safety of the residents. However, security and safety is a shared responsibility between SUNY Polytechnic and students residing in the residential facilities. Therefore, residents are required to comply with policies in order to maintain the security of the buildings.

Residents are required to keep their room/suite and exterior building doors locked at all times that they are not present. Residents are strongly advised to insure all of
their personal property against loss, damage, and/or theft by appropriate individual or family insurance coverage.

Residents and their guests will be subject to conduct referral if they attempt to bypass the residential security systems in any of the following manners:

A. Entering or leaving a residence hall via a window or unauthorized door.
B. Entering a secured area behind someone (also known as “tailgating”) in order to obtain access to an area not authorized.
C. Allowing any person without access, and who is not a guest for whom the student is responsible, to enter an area.
D. Using another student’s key or ID card.
E. Allowing another student to use a key or ID card, including to utilize laundry facilities.

Snow Removal
In order to keep parking lots open to traffic, emergency snow removal procedures are enacted in Utica residence hall parking lots during the winter months. Residents may be required to move vehicles from the parking lots in the residence hall area during the snow removal process. Vehicles that are not moved may be ticketed and/or towed away for impoundment. (Note: The student is responsible for applicable charges.) Residents will be notified by advance posting for snow removal.

Students approved for parking at CrestHill suites must comply with hotel policies, procedures and requests for compliance with snow removal at the hotel parking lot.

Failure to comply with snow removal directives may result in judicial action.

Tobacco Free/Non-Smoking Policy (Residential Facilities)
The purpose of the non-smoking policy is to limit exposure of the SUNY Polytechnic residence hall community to the second-hand effects of tobacco use and to reduce the risk of fire in and around the residence halls. Tobacco is defined as all tobacco and tobacco-derived products intended for human consumption, including but not limited to cigarettes, cigars, hookah or water-pipe devices, pipes, smokeless products, clove cigarettes, bidis, kreteks, electronic cigarettes, smokeless tobacco (chew) and snus.

- Absolutely no tobacco products/smoking will be permitted inside any residence hall room, suite or building (including entry canopy).
- Smoking is not permitted within 25 feet of residential buildings.
- Students are responsible for the proper disposal of waste associated with tobacco use in campus provided receptacles.
- Students are responsible for notifying their guests of the tobacco/smoking policy and ensuring they are abiding by the policy.
- Damage/cleaning charges as well as judicial action may apply to students who choose to violate the tobacco policy.
- This policy stresses the rights of residents to enjoy a tobacco-free environment in the residence halls. It relies on the cooperation of the entire college community. It is the responsibility of all members in the college community to observe the tobacco policy and to direct those who choose to use tobacco products to do so only in the designated smoking areas.
- CrestHill Suites maintains a zero tolerance policy for smoking of any kind at the hotel. Students residing in the CrestHill facility are subject to the consequences of smoking as issued by the hotel staff, and will lose their housing at CrestHill immediately upon discovery of smoking activity.

Trash Removal – Utica Residences
Residents are responsible for taking their trash to the designated dumpsters. Personal room trash must be taken directly to the building dumpsters and may not be deposited in the common trash cans of kitchenettes or lounges in any facility. Bottles and cans should be returned immediately and not stored in the residence hall suites. (Also see Alcohol Policy: Displays.) Residents who do not dispose of their trash in designated containers may be referred for disciplinary action. Residents should review notices outlining the program. Trash cannot be placed in hallways, stairways, lobbies or outside for any length of time.

Trash Removal – CrestHill Suites
CrestHill staff will enter student suites and bedrooms every day to dispose of trash. Students are expected to expect and comply with daily room entry for trash pickup (see also, Linen Service). Bottles and cans should be returned immediately and not stored in the residence hall suites. (Also see Alcohol Policy: Displays.) Residents who do not dispose of their trash in designated in-suite containers may be referred for disciplinary action. Trash cannot be placed in hallways, stairways, lobbies or outside for any length of time.

Calendar of Residence Hall Occupancy
Calendars of Occupancy and Calendars for Sodexo and Chartwell’s Dining Services are available under each residence at www.sunypoly.edu/residential_life.

All regulations and provisions herein shall remain in effect unless changed or modified by official written notice.

At CrestHill, students licensed for their housing by SUNY Polytechnic are permitted in the common areas of the first floor and on the third floor only. Residential students are
not permitted in the hotel guest suite areas of the first and second floor.

Guidelines for Living Conditions Standards

Introduction
In accordance with the requirements of Chapter 416 of the Laws of 1988, the SUNY Poly College Council has approved minimum living condition standards. These minimum living condition standards have been submitted to the Chancellor or designee for review for conformance with the University-wide standard guidelines. The minimum living condition standards have been incorporated into student handbooks and guidelines for residence hall living.

Standard I
The residences are constructed and maintained to conform with all applicable safety codes and health standards.

Guidelines
1. Furnishings and equipment purchased by SUNY Poly meet applicable fire and safety code standards promulgated by the state of New York.
2. Each resident’s sleeping room is equipped with an operational smoke detector. SUNY Poly’s environmental health and safety officer inspects all smoke detectors biannually. Once notified of a non-working smoke detector, repair will be done immediately.
3. Student residents are required to adhere to all applicable safety codes and health standards in the use of private equipment and appliances (where permitted) as outlined in the license.
4. Access to residence hall living at SUNY Poly is provided for students with disabilities in accordance with applicable codes and standards (e.g., Section 504 of the Rehabilitation Act of 1973).
5. Inspection and assessment of the physical facility and its components (e.g., water, electricity, and heating systems) are conducted annually by appropriate office of facilities personnel. The report of this inspection is available at the facilities office and RLH.

Standard II
The campus maintenance plan shall provide for a regular schedule of cleaning and repair for all common areas in residence halls.

Guidelines
1. A regular schedule for cleaning of commons areas, including lounges, hallways, public restrooms, and areas used by all residents, is established. Under normal circumstances, the commons areas will be cleaned on a daily basis, Monday through Friday, between the hours of 8 a.m. - 10 p.m.
2. Every reasonable effort will be made by the RLH and facilities to keep residence halls sanitary and vermin-free. Student residents have an equal responsibility to maintain their living area to prevent unsanitary conditions. Students encountering problems should contact RLH immediately. All furnishings and appliances provided by SUNY Poly are in working order. Repair and replacement of appliances are usually completed in two days of the completion of the appropriate request under normal conditions.
3. The director of residential life and housing or designee has the authority to decide if a student room is unlivable and should be removed from service based on pertinent information from the director of facilities and/or other appropriate campus personnel. The director of residential life and housing or designee will consider the life, health, and safety of student residents and whether continued occupancy could harm the occupants or further impair the condition of the facility. Students affected by this decision, as well as the director of facilities, should be contacted in writing with this information.

Standard III
SUNY Poly shall provide each student resident with adequate living space, furniture, and appropriate and sufficient heat, light, and hot water.

Guidelines
1. SUNY Poly will provide each student resident with adequate living space and furniture. At a minimum, except in the case of tripling, each student resident will be provided with: a bed, lamp, chair, dresser/chest, desk/carrel unit, closet or wardrobe. All such equipment is inspected annually and will be clean, sturdy, free from major scarring, and of acceptable appearance.
2. The campus has a scheduled replacement and rehabilitation outline for residence hall furnishings. A schedule of replacement of furniture is available in RLH.

Standard IV
SUNY Poly shall establish procedures for routine and emergency repairs to residence hall facilities.

Guidelines
1. Students should report heat, light and hot water concerns to the main office of their residence hall. RLH staff will contact facilities, and facilities personnel will follow through on requests regarding routine building repairs and maintenance themselves or through the work order system. If a problem persists for more than 24 hours, students should notify RLH and staff will submit a work order request form to facilities for a status update.
2. To the extent possible, major rehabilitation or other capital projects will take place at times when the residence halls are largely unoccupied, e.g., those periods between semesters. When possible, potentially
disruptive major construction projects will be suspended during scheduled examination periods.

Standard V
SUNY Poly shall establish procedures for redress for student residents in the event of the loss of services such as heat, light, and hot water in the residence halls for extended periods that are within the control of the campus.

Guidelines
1. If a student at SUNY Poly goes without heat, electricity, or hot water for three or more consecutive days, or the room is declared unlivable for any other reason and the situation is determined to be within the control of the campus, then that student should be reimbursed for the amount of time they were inconvenienced. The reimbursement shall never exceed the full cost of room rent for the number of days the student has been affected by the detrimental condition. RLH staff members and administrative staff from facilities shall review all applications for redress and determine the appropriate level of reimbursement. When a student’s room has been declared unlivable and is removed from service, the occupant(s) of that room shall be reassigned as follows: SUNY Poly reserves the right to assign to: a) any available space on campus, b) any guest room on campus, c) any common area on campus.

2. If reassignment on campus is not possible, alternate off-campus housing will be assigned by RLH and a refund will be made of a portion of room rental charges where applicable.

UNIVERSITY POLICE AND CAMPUS SAFETY

University Police
Kunsela Hall, Room B126 (Utica)
(315) 792-7222
Nano Fab East (Albany)
(518) 437-8600

University Police provide patrol, investigative, and emergency services to the campus 24 hours a day. University Police officers are police officers in the State of New York with authority to enforce New York state vehicle and traffic laws, New York state penal laws, investigate criminal complaints, and make arrests.

In an emergency, students can call either number above or use outdoor emergency call boxes (marked with blue lights) or indoor red emergency telephones to call the office. As part of their service mission, University Police officers will escort students to campus buildings or parking lots, provide emergency first aid, and provide emergency vehicle assistance. Campus programs are scheduled to educate students about personal safety, sexual assault, drug and alcohol abuse, and crime prevention. The office also provides vehicle registration and assists on safety-related issues with environmental health and safety services.

University Police maintain a daily log that records all crimes reported. The log reports the nature, date, time and general location of each crime, and the disposition of the complaint, if known. The log is open to the public. A request for information can be made in writing to the chief of University Police. The chief will review the entry with the requester and information will be released that does not interfere with a current investigation or violate the confidentiality of a victim.

University Police Annual Security Report
This report is filed as required by the federal “Crime Awareness and Campus Security Act” (hereafter referred to as the Jeanne Clery Act). The purpose of this report is to provide our faculty, staff and students with campus safety information including crime statistics and procedures to follow to report a crime. The report is prepared by the chief of University Police and is electronically available in the University Police section of the SUNY Poly website, sunypoly.edu/university_police/safety. Any questions regarding this report should be directed to room B126 of Kunsela Hall, University Police, or telephone 315-792-7222. A copy of the SUNY Polytechnic Institute campus crime statistics as reported annually to the U.S. Department of Education will be provided upon request by University Police. Information can also be obtained from the U.S. Department of Education website at ope.ed.gov/security.

Emergency Call Boxes
Emergency call boxes are strategically located throughout SUNY Poly for use by the public to be able to contact University Police for emergencies, as well as general assistance. Emergency call boxes have blue lights for identification at night and in inclement weather.

Utica also utilizes red emergency telephones inside each of the campus buildings, providing additional means in which to contact University Police for services or emergencies. The University Police website provides a complete listing of the locations of these important communication devices.

NY-ALERT Emergency Notification System
Students, faculty and staff are encouraged to sign up for NY-Alert, a statewide emergency notification system. At
SUNY Poly, those who sign up will receive important information via e-mail, text and voice messages in the event an emergency situation arises on campus. NY-Alert will be used in conjunction with other existing and new communication and alert procedures to keep all those on campus safe in the event a serious situation occurs.

To take part in NY-Alert, students, faculty and staff can select the “Sign Up for NY-Alert” link at the bottom of the SUNY Poly website’s homepage, sunypoly.edu.

**Parking Regulations and Vehicle Registration**

All vehicles parked on campus must display a current parking decal and be registered with the University Police department. SUNY Poly has established parking and traffic regulations which motorists must follow along with New York state traffic laws. A brochure containing campus and parking regulations is available at the University Police department.

**Reporting Suspicious or Disruptive Persons**

SUNY Poly’s University Police department, residential life and housing office, and facilities department have developed a comprehensive approach toward making the campus a safe and secure place for students. Outdoor emergency call boxes, indoor red emergency telephones, closed circuit video monitors, and electronic door locks in residence halls have been added to increase campus safety. Students who observe a suspicious person on campus or feel threatened in any way should immediately contact the University Police department.

**SUNY POLY CARD**

**SUNY Poly Card**

Students are issued an official campus identification card, the “SUNY Poly Card” with their photograph and student identification number. This card is required to access essential services and facilities at Utica and Albany, including the residence halls and dining facilities, library, fitness center, and more.

The SUNY Poly Card also features a prepaid spending account - Wildcat Dollars - offering you a safe and convenient way to make cashless purchases on and around the Utica campus.

In addition, financial aid recipients may now authorize up to $600 of excess financial aid to be added to their Wildcat Dollars account. The SUNY Poly Card is welcome as a form of payment at our campus bookstore (both in the store and the online bookstore), Student Center food court and all vending machines on campus (Utica only) as well as the Zen and Nano café’s in Albany. It’s also good at participating off-campus vendors in the Utica and Albany areas. Visit wildcatdollars.com for a complete list of participating locations.

The Wildcat Dollars account enables SUNY Poly students to manage spending while at college without having to carry cash, coins or other cards. There are no costs or fees to participate. Students have 24/7 online account access at get.cbord.com where they can check the balance in their Wildcat Dollars account, their food service meal plan debit points account, and where they can review their account transaction history, add value to their Wildcat Dollars account and more. Students or their designees (parents, grandparents, aunts, uncles or friends) can add value to their Wildcat Dollars account as needed by check, credit/debit card, or authorizing excess financial aid. Funds transferred by credit or debit card are available instantly, check deposits are accessible on the business day the check is received in the College Association office, and financial aid is available within two hours of the online request done through the student’s Banner web account.

The balance in the Wildcat Dollars account will carry over from semester to semester. A partial or full refund of any unused balance can be requested after the completion of the first two weeks of classes by submitting a written request to the College Association office in Kunsela Hall, Room A217, ca@sunyit.edu. The written request must include the student’s name, student ID (U#) number, home address, balance to be refunded, and the student’s signature. If submitted via e-mail, the request must be sent from the student’s SUNY Poly e-mail account. Refunds will be processed within one week of the request.

Lost or stolen cards must be reported immediately via get.cbord.com. This will inactivate the card so no one else can use it. File a SUNY Poly Card Report with University Police. Bring the SUNY Poly Card Report to the College Association office during regular business hours Monday through Friday. A replacement card will be issued - the replacement card fee is $25.

**SUNY Poly Card Procedures and Policies**

If your SUNY Poly Card is lost or stolen, see SUNY Poly Card Replacement Policy.

The SUNY Poly Card should be treated with care. Stickers, creases, worn vending stripes or punched holes will render the card inoperable. The SUNY Poly Card should not be left in direct sunlight or near any heat source or magnetic field.
Terms and Conditions for SUNY Poly Card Users
SUNY Poly Card users agree to the following terms and conditions:

1. The SUNY Poly Card is the campus identification card and is the property of SUNY Poly. Use of the card to fraudulently identify any individual, other than the issued cardholder, is prohibited.
2. Fraudulent use of the SUNY Poly Card to gain unauthorized campus access or to illegally obtain goods and services is prohibited.
3. The SUNY Poly Card is not transferable to any other person.
4. SUNY Poly Card holders are responsible for contacting the appropriate campus offices to report a change in account status or to report the loss or theft of a card. Please refer to the SUNY Poly Card Replacement Policy.

SUNY Poly Card Replacement Policy
To obtain a replacement card for a lost, stolen, or damaged SUNY Poly Card, a $25 fee will be charged.

1. Immediately report lost or stolen cards via get.cbord.com. This will inactivate the card so no one else can use it.

2. File a SUNY Poly Card Report with University Police, Kunsela Hall B126 or call 315-792-7222, 24 hours a day, 7 days a week.
3. Replacement SUNY Poly Card must be obtained on the first business day after the card is reported lost, stolen, or damaged. Bring the SUNY Poly Card Report to the College Association office, Kunsela Hall A217, to receive your replacement card.
4. Make payment at the College Association during regular business hours. Waiver of the $25 fee may be granted by the chief of University Police for extenuating circumstances.
5. Dining plan participants can obtain a one-day temporary admission to the Campus Center dining hall (Utica) to allow for meals when the College Association office is closed.
6. Students residing in the residence halls in Utica and in CrestHill Suites in Albany must inform Residential and Housing to deactivate card access. Residential and Housing will issue a temporary access code for Utica dorm entry during periods when the College Association office is closed. Once the SUNY Poly Card has been replaced, it must be presented at the residential life and housing office for card access reactivation. Albany students staying at CrestHill Suites will also need to report their room access key lost or stolen to the management of CrestHill Suites in addition to residential life and housing.

Methods of Communication
SUNY Poly’s primary methods for student communications are through SUNY Poly e-mail and the SUNY Poly website.

Every student receives a SUNY Poly e-mail address that is used for college communications. Your SUNY Poly e-mail address identifies you as a member of our campus community and helps faculty and college offices to process your requests and inquiries more efficiently. It is important to check your SUNY Poly e-mail regularly and to use it for all college-related e-mail communications.

The ITS website, sunypoly.edu/its, provides tutorial and online self-help information as well as an online ticketing system that students can use to request technology assistance. To utilize the ticketing system, send requests to helpdesk@sunyit.edu. Students are encouraged to become familiar with the SUNY Poly website, especially Student Announcements, Cancelled Classes, Current Students, Directories, and the Events Calendar.
The community mailer system is utilized for messaging students, faculty, and staff. Messages about changes in hours and services, operations, and health and safety are sent on an as-needed basis. Student announcements are frequently sent and are also viewable at any time from the SUNY Poly homepage.

Additional policies regarding SUNY Poly resources can be found in the Student Code of Personal Conduct and the Academic Integrity Policy.

Password Policy
1.0 Overview
Passwords are an important aspect of computer security. They are the front line of protection for user accounts. A poorly chosen password may result in compromising SUNY Poly’s entire network and attached systems. As such, all SUNY Poly users (including students, faculty, staff, guests, contractors and vendors with access to SUNY Poly systems) are responsible for taking the appropriate steps (outlined below) to select and secure their passwords.

2.0 Purpose
The purpose of this policy is to establish a standard for the creation of strong passwords, the protection of those passwords, and the frequency of change.

3.0 Scope
The scope of this policy includes all students, faculty and staff who have or who are responsible for an account (or any form of access that supports or requires a password) on any system that resides at any SUNY Poly facility, has access to the SUNY Poly network, or stores any non-public SUNY Poly information.

4.0 Password Aging Requirement
- All system-level passwords must be changed every six months.
- All user-level passwords (e.g. e-mail, web, desktop computer, etc.) must be changed at least annually.
- Users will be notified prior to password expiration.

5.0 Guidelines

5.1 Password Complexity Requirement
- All passwords must be at least eight characters in length.
- Passwords must not have been used in the two previous password cycles.
- Passwords must not contain the individual's name or account name.
- Passwords must contain at least three of the following four character groups:
  - English uppercase characters (A through Z).
  - English lowercase characters (a through z).
  - Numerals (0 through 9).
  - Non-alphabetic characters (such as !, $, #, %).

5.2 General Password Construction Guidelines
Poor, weak passwords have the following characteristics:
- The password contains less than eight characters.
- The password is a word found in a dictionary (English or foreign).
- The password is a common usage word such as names of family, pets, friends, co-workers, fantasy characters, etc.
- Computer terms and names, commands, sites, companies, hardware, software.
- The words “SUNY Poly” or any derivation.
- Birthdays and other personal information such as addresses and phone numbers.
- Word or number patterns like aaabbb, qwerty, zyxwvuts, 123321, etc.
- Any of the above spelled backwards.
- Simple substitutions of digits for letters: zero for “o” (oh), numeral 1 (one) for l (ell).
- Bracketing the above with “#” or “!” or something similar using non-alphanumeric characters.
- Any of the above preceded or followed by a digit (e.g., secret1, 1secret).
5.3 Password Protection Guidelines
A list of “don’ts”:

- Don’t reveal a password over the phone to ANYONE including a boss, co-workers, friends, or family members.
- Don’t reveal a password in an e-mail message.
- Don’t discuss your password in the presence of others.
- Don’t hint at the format of a password (e.g., ”my family name”).
- Don’t reveal a password on questionnaires or security forms.
- Don’t use the same password for SUNY Poly accounts as for other non-SUNY Poly access (e.g., personal ISP account, personal e-mail accounts, etc.).
- Don’t use the “Remember Password” feature of applications (e.g., Outlook).
- Don’t write passwords down and store them.
- Don’t save passwords in a file on ANY computer system (including any mobile devices) without encryption.

If an account or password is suspected to have been compromised, report the incident to the SUNY Poly Helpdesk at helpdesk@sunyit.edu or phone 315-792-7440 and change all passwords immediately.

6.0 Enforcement
- Any user found to have violated this policy will be required to change passwords immediately.
- Accounts will be locked for those that require a password change.
- Users will be notified in December and reminded in January that passwords must be changed. Accounts will be locked on January 31 if the password has not been changed.

SAFETY TRAINING AND ACCESS TO SUNY POLY - ALBANY

Access to CNSE Buildings
Access to the buildings and laboratories is by proximity card. Every Albany student receives building access upon completion of Safety Orientation Training, which may be completed during student orientation. Site access is Monday through Sunday from 6:00 a.m. until 9:00 p.m. Every CNSE undergraduate student receives access from the first day of class each semester until the last day of final examinations in that semester.

All safety training is provided by the SUNY Poly environmental health and safety office (EH&S). Safety training includes: basic safety orientation (required for site and building access), laboratory safety (required for access to the labs), wafer safety for working in the CESTM clean room laboratories, and an additional module on working in CESTM labs. There are other safety trainings which you may eventually need, and you will be told what the training is and how to obtain it at the appropriate time.

Site and laboratory access is done by proximity card. The card is yours and yours alone and must be worn so it is plainly visible to anyone, along with your ID badge, when you are on site. If you forget your badge, you do not have access and will have to obtain it before entering the site. No one is permitted to let you through secure entrances without your badge (i.e. “tail-gating”) nor are you permitted to let anyone else in without a badge. If you lose your badge or it is destroyed, you will be charged a fee to replace it. If you want to have a guest, that person or group must be approved in advance and in writing by the student’s advisor and the advisor must e-mail ACCESSCONTROL@sunypoly.edu and CNSESECURITY@listserv.sunycnse.com. Once the guest(s) arrive, he or she must register at CNSE Security and be escorted at all times. Abuse of the access rules may result in loss of access to CNSE facilities. Some examples of violations of the access policy include, but are not limited to: attempting to tail-gate or access areas you are not approved for, trading badges with a fellow student or employee, door propping in laboratories or to the buildings, unauthorized persons in a laboratory space, and non-registered persons on site. Individuals guilty of a violation will have access suspended and all safety training will be repeated to ensure the student understands the policies. Multiple violations may result in judicial referral.

Access to CNSE Laboratories
Labs at CNSE are accessed through proximity cards so you are not permitted to lend anyone your card to access laboratories. Propping open doors is not permitted. The policy for lab access is as follows: (1) you are trained and qualified on a tool or laboratory area; (2) when the training has been completed, your advisor sends a request to Brian Gast in student services to ask for laboratory and tool access for you. The request must include: student’s name, laboratory number, and a list of the tools for which access is being requested. When approval is given, the
advisor will be notified and your access card activated for the needed/requested doors.

Question: Do I have to renew safety training?  Answer: For the specific trainings you receive at orientation, no. Working in some laboratories requires that the training for that lab be renewed annually. The laboratory owners (i.e. the professors) will let you know what additional training is needed and whether you need to renew it annually.

Laboratory Behavior
Each laboratory has its own functions and tools. No one should be in the laboratory that does not have approved access and training for that laboratory. Always dress appropriately, and wear safety equipment as required (these requirements are explained in the EH&S training sessions). Students should listen to directions from the laboratory staff as these staff members have more experience than new students.

Safety is the number one priority in laboratories. It is your responsibility to clean up after yourself. All glassware should be washed and all chemicals labeled and waste properly disposed of as described in the EH&S safety training. This is extremely important for safety but also shows respect for those who use the laboratory.

Tool time for most tools and laboratory areas is reserved via an online reservation system. This ensures that students can plan ahead and book time in laboratories when they need it while they are performing their experiments. In order for this system to work it must be used so it is expected that students using space/tools on the reservation system will plan ahead and book their time whenever possible. Laboratory and tool use outside of booked time is first-come, first-served.

Lastly, violations of laboratory safety rules, allowing untrained people into the laboratory, releasing or discussing the laboratory’s work with someone outside CNSE, abuse of equipment or damage to tools and equipment, or creating dangerous or hazardous situations will be dealt with through the SUNY Poly judicial system.

- Within 96 hours of an assault, you can get a Sexual Assault Forensic Examination (commonly referred to as a rape kit) at a hospital. While there should be no charge for a rape kit, there may be a charge for medical or counseling services off campus and, in some cases, insurance may be billed for services. You are encouraged to let hospital personnel know if you do not want your insurance policyholder to be notified about your access to these services. The New York State Office of Victim Services may be able to assist in compensating victims/survivors for health care and counseling services, including emergency funds. More information may be found here: ovs.ny.gov/files/ovs_rights_of_cv_booklet.pdf or by calling 1-800-247-8035. Options are explained here: ovs.ny.gov/helpforcrimevictims.html.

- To best preserve evidence, victims/survivors should avoid showering, washing, changing clothes, combing hair, drinking, eating, or doing anything to alter physical appearance until after a physical exam has been completed.

### III - Protection and Accommodations:

- When the accused is a student, to have the college issue a “No Contact Order,” consistent with college policy and procedure, meaning that continuing to contact the protected individual is a violation of college policy subject to additional conduct charges; if the accused and a protected person observe each other in a public place, it is the responsibility of the accused to leave the area immediately and without directly contacting the protected person. Both the accused/respondent and reporting individual may request a prompt review of the need for and terms of a No Contact Order, consistent with SUNY Poly policy. Parties may submit evidence in support of their request.

- To have assistance from SUNY Poly University Police or other college officials in initiating legal proceedings in family court or civil court, including, but not limited to, obtaining an Order of Protection or, if outside of New York State, an equivalent protective or restraining order.

- To receive a copy of the Order of Protection or equivalent and have an opportunity to meet or speak with a college official who can explain the order and answer questions about it, including information from the Order about the accused’s responsibility to stay away from the protected person(s); that burden does not rest on the protected person(s).

- To an explanation of the consequences for violating these orders, including, but not limited to, arrest, additional conduct charges, and interim suspension.

- To have assistance from SUNY Poly University Police in effecting an arrest when an individual violates an Order of Protection or, if outside of New York State, an equivalent protective or restraining order within the jurisdiction of SUNY Poly University Police or, if outside of the jurisdiction or if Campus Security does not have arresting powers to call on and assist local law enforcement in effecting an arrest for violating such an order.

- When the accused is not a student but is a member of the college community and presents a continuing threat to the health and safety of the community, to subject the accused subject to interim measures in accordance with applicable collective bargaining agreements, employee handbooks, and SUNY Poly policies and rules.

- When the accused is not a member of the college community, to have assistance from SUNY Poly University Police or other college officials in obtaining a persona non grata letter, subject to legal requirements and college policy.

- To obtain reasonable and available interim measures and accommodations that effect a change in academic, housing, employment, transportation, or other applicable arrangements in order to ensure safety, prevent retaliation, and avoid an ongoing hostile environment. Parties may request a prompt review of the need for and terms of any interim measures and accommodations that directly affect them. While reporting individuals may request accommodations through any of the offices referenced in this policy, the Title IX Coordinators can serve as a point of contact to assist with these measures:

IV - Student Conduct Process:

• To request that student conduct charges be filed against the accused. Conduct proceedings are governed by the procedures set forth in the SUNY Poly Student Handbook/Code of Conduct (sunypoly.edu/pdf/student_handbook.pdf) as well as federal and New York State law, including the due process provisions of the United States and New York State Constitutions.

• Throughout conduct proceedings, the respondent and the reporting individual will have:
  o The same opportunity to be accompanied by an advisor of their choice who may assist and advise the parties throughout the conduct process and any related hearings or meetings. Participation of the advisor in any proceeding is governed by federal law and the Student Code of Personal Conduct.
  o The right to a prompt response to any complaint and to have their complaint investigated and adjudicated in an impartial, timely, and thorough manner by individuals who receive annual training in conducting investigations of sexual violence, the effects of trauma, impartially, the rights of the respondent, including the right to a presumption that the respondent is “not responsible” until a finding of responsibility is made, and other issues related to sexual assault, domestic violence, dating violence, and stalking.
  o The right to an investigation and process conducted in a manner that recognizes the legal and policy requirements of due process (including fairness, impartiality, and a meaningful opportunity to be heard) and is not conducted by individuals with a conflict of interest.
  o The right to receive advance written or electronic notice of the date, time, and location of any meeting or hearing they are required to or are eligible to attend. Accused individuals will also be told the factual allegations concerning the violation, a reference to the specific code of conduct provisions alleged to have been violated, and possible sanctions.
  o The right to have a conduct process run concurrently with a criminal justice investigation and proceeding, except for temporary delays as requested by external municipal entities while law enforcement gathers evidence. Temporary delays should not last more than 10 days except when law enforcement specifically requests and justifies a longer delay.
  o The right to offer evidence during an investigation and to review available relevant evidence in the case file (or otherwise held by SUNY Poly).
  o The right to present evidence and testimony at a hearing, when appropriate.
  o The right to a range of options for providing testimony via alternative arrangements, including telephone/videoconferencing or testifying with a room partition.
  o The right to exclude prior sexual history with persons other than the other party in the conduct process or their own past mental health diagnosis or treatment from admittance in college disciplinary stage that determines responsibility. Past findings of domestic violence, dating violence, stalking, or sexual assault may be admissible in the disciplinary stage that determines sanction.
  o The right to ask questions of the decision-maker and via the decision maker indirectly request responses from other parties and any other witnesses present.
  o The right to make an impact statement during the point of the proceeding where the decision maker is deliberating on appropriate sanctions.
  o The right to simultaneous (among the parties) written or electronic notification of the outcome of a conduct proceeding, including the decision, any sanction(s), and the rationale for the decision and any sanctions.
  o The right to written or electronic notice about the sanction(s) that may be imposed on the accused based upon the outcome of the conduct proceeding. For students found responsible for sexual assault, the available sanctions are suspension with additional requirements and expulsion/dismissal.
  o Access to at least one level of appeal of a determination before a panel, which may include one or more students, that is fair and impartial and does not include individuals with a conflict of interest.
  o The right to have access to a full and fair record of a student conduct hearing, which shall be preserved and maintained for at least five years.
• Director of Student Conduct, 315-792-7530, Campus Life Office, S105, Student Center, Utica Site

  o The right to choose whether to disclose or discuss the outcome of a conduct hearing.

  o The right to have all information obtained during the course of the conduct or judicial process be protected from public release until the appeals panel makes a final determination unless otherwise required by law.

Options for Confidentially Disclosing Sexual Violence
The State University of New York and SUNY Poly want you to get the information and support you need regardless of whether you would like to move forward with a report of sexual violence to campus officials or to police. You may want to talk with someone about something you observed or experienced, even if you are not sure that the behavior constitutes sexual violence. A conversation where questions can be answered is far superior to keeping something to yourself. Confidentiality varies, and this document is intended to help you understand how confidentiality applies to different resources that may be available to you.

In this Policy:
• Privileged and Confidential Resources.
• Privacy versus Confidentiality.
• Requesting Confidentiality: How the College/University Will Weigh the Request and Respond.
• Public Awareness/Advocacy Events.
• Anonymous Disclosure.
• Institutional Crime Reporting.

Privileged and Confidential Resources:
Individuals who are confidential resources will not report crimes to law enforcement or college officials without your permission, except for extreme circumstances, such as a health and/or safety emergency. At SUNY Poly this includes:

• SUNY Poly Counseling Services

Licensed Mental Health Counselors at the SUNY Poly Health & Wellness/Counseling Center are considered confidential resources.

Note that even individuals who can typically maintain confidentiality are subject to exceptions under the law, including when an individual is a threat to him or herself or others and the mandatory reporting of child abuse.

Privacy versus Confidentiality:
Even SUNY Poly offices and employees who cannot guarantee confidentiality will maintain your privacy to the greatest extent possible. The information you provide to a non-confidential resource will be relayed only as necessary to investigate and/or seek a resolution and to notify the Title IX Coordinator or designee, who is responsible under the law for tracking patterns and spotting systemic issues. SUNY Poly will limit the disclosure as much as possible, even if the Title IX Coordinator determines that the request for confidentiality cannot be honored.

Requesting Confidentiality; How SUNY Poly Will Weigh the Request and Respond:
If you disclose an incident to a SUNY Poly employee who is responsible for responding to or reporting sexual violence or sexual harassment, but wish to maintain confidentiality or do not consent to the institution’s request to initiate an investigation, the Title IX Coordinator must weigh your request against SUNY Poly’s obligation to provide a safe, non-discriminatory environment for all members of our community, including you.

We will assist you with academic, housing, transportation, employment, and other reasonable and available accommodations regardless of your reporting choices. While reporting individuals may request accommodations through several college offices, the Title IX Coordinators can serve as a primary point of contact to assist with these measures. We also may take proactive steps, such as training or awareness efforts, to combat sexual violence in a general way that does not identify you or the situation you disclosed.

We may seek consent from you prior to conducting an investigation. You may decline to consent to an investigation, and that determination will be honored unless the SUNY Poly’s failure to act does not adequately mitigate the risk of harm to you or other members of the SUNY Poly community. Honoring your request may limit our ability to meaningfully investigate and pursue conduct action against an accused individual. If we determine that an investigation is required, we will notify you and take immediate action as necessary to protect and assist you.

When you disclose an incident to someone who is responsible for responding to or reporting sexual violence or sexual harassment, but wish to maintain confidentiality, SUNY Poly will consider many factors to determine whether to proceed despite that request. These factors include, but are not limited to:

- Whether the accused has a history of violent behavior or is a repeat offender;
- Whether the incident represents escalation, such as a situation that previously involved sustained stalking;
- The increased risk that the accused will commit additional acts of violence;
- Whether the accused used a weapon or force;
- Whether the reporting individual is a minor; and
- Whether we possess other means to obtain evidence such as security footage, and whether the report reveals a pattern of perpetration at a given location or by a particular group.

If SUNY Poly determines that it must move forward with an investigation, the reporting individual or victim/survivor will be notified and SUNY Poly will take immediate action as necessary to protect and assist them.

**Public Awareness/Advocacy Events:**
If you disclose a situation through a public awareness event such as “Take Back the Night,” candlelight vigils, protests, or other public event, SUNY Poly is not obligated to begin an investigation. SUNY Poly may use the information you provide to inform the need for additional education and prevention efforts.

**Anonymous Disclosure:**
The NYS Hotline for Sexual Assault and Domestic Violence (1-800-942-6906) is for crisis intervention, resources and referrals and is not a reporting mechanism.

**Institutional Crime Reporting:**
Reports of certain crimes occurring in certain geographic locations will be included in SUNY Poly’s Clery Act Annual Security Report in an anonymized manner that neither identifies the specifics of the crime or the identity of the reporting individual or victim/survivor.

SUNY Poly is obligated to issue timely warnings of Clery Act crimes occurring within relevant geography that represent a serious or continuing threat to students and employees (subject to exceptions when potentially compromising law enforcement efforts and when the warning itself could potentially identify the reporting individual or victim/survivor). A reporting individual will never be identified in a timely warning.

The Family Educational Rights and Privacy Act allows institutions to share information with parents when: (1) there is a health or safety emergency; or (2) when the student is a dependent on either parents’ prior year federal income tax return. Generally, SUNY Poly will not share information about a report of sexual violence with parents without the permission of the reporting individual.

**Sexual Harassment/Sexual Violence Definitions**
The following definitions relate to sexual violence and sexual harassment as referenced in the Student Code of Conduct and are punishable offenses.

**Dating Violence:** any act of violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship shall be determined based on the victim’s statement and with consideration of the type and length of the relationship and the frequency of interaction between the persons involved in the relationship.

**Domestic Violence:** any violent felony or misdemeanor crime committed by a current or former spouse or intimate partner of the victim, a person sharing a child with the victim, or a person cohabitating with the victim as a spouse or intimate partner.

**Fondling:** the touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental incapacity.

**Force:** the use of physical violence and/or imposing on someone physically to gain sexual access. Force also in-
includes threats, intimidation (implied threats) and coercion that overcome resistance or produce consent.

**Incest**: nonforcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.

**Non-consensual sexual contact**: any intentional sexual touching, however slight, with any object by a man or a woman upon a man or a woman that is without consent and/or by force.

**Non-consensual sexual intercourse**: any sexual intercourse, however slight, with any object, by a man or woman upon a man or a woman that is without consent and/or by force. Intercourse includes: vaginal penetration by a penis, object, tongue, or finger; anal penetration by a penis, object, tongue, or finger; and oral copulation (mouth to genital contact or genital to mouth contact), no matter how slight the penetration or contact.

**Rape**: the penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim.

**Retaliation**: an adverse action against another person for reporting a violation or participating in any way in the investigation or judicial process. Retaliation includes harassment and intimidation, including, but not limited to, violence, threats of violence, property destruction, adverse educational or employment consequences, and bullying.

**Sex discrimination**: any behavior or action that denies or limits a person’s ability to benefit from, fully participate in the educational programs or activities or the employment opportunities of SUNY Poly because of a person’s gender, including, but not limited to, all forms of sexual harassment, sexual assault, and other sexual violence by or against employees, students, or third parties.

**Sexual activity**: shall have the same meaning as “sexual act” and “sexual contact” as provided in 18 U.S.C. 2246(2) and 18 U.S.C. 2246(3).

**Sexual assault**: a physical sexual act or acts committed against another person without consent. Sexual assault is an extreme form of sexual harassment. Sexual assault includes what is commonly known as “rape” (including “date rape” and “acquaintance rape”), fondling, statutory rape and incest. For statutory rape, the age of consent in New York State is 17 years old.

**Sexual exploitation**: occurs when a student takes non-consensual or abusive sexual advantage of another for his/her own advantage or benefit, or to benefit or advantage anyone other than the one being exploited, and that behavior does not otherwise constitute one of other sexual misconduct offenses. Examples of sexual exploitation include, but are not limited to:

- Invasion of sexual privacy;
- Prostituting another student;
- Non-consensual video or audio-taping of sexual activity;
- Going beyond the boundaries of consent (such as letting your friends hide in the closet to watch you having consensual sex);
- Engaging in voyeurism;
- Knowingly transmitting an STI or HIV to another student;
- Exposing one’s genitals in non-consensual circumstances;
- Inducing another to expose their genitals;
- Sexually-based stalking and/or bullying may also be forms of sexual exploitation.

**Sexual harassment**: unwelcome behavior which may include verbal, non-verbal or physical conduct that is sexual in nature and sufficiently severe, persistent or pervasive that it unreasonably interferes with, denies or limits someone’s ability to participate in or benefit from SUNY Poly’s educational programs and/or activities, and is based on power differentials (quid pro quo), the creation of a hostile environment, or retaliation.

**Sexual violence**: physical sexual acts perpetrated against a person’s will or where a person is incapable of giving consent, including, but not limited to, rape, sexual assault, sexual battery, sexual abuse, and sexual coercion.

**Stalking**: intentionally engaging in a course of conduct (two or more acts by which the stalker directly, indirectly, or through third parties follows, monitors, observes, surveils, threatens, or communicates about a person or interferes with his or her property), directed at a specific person, which is likely to cause a reasonable person to fear for his or her safety or the safety of others or cause that person to suffer substantial emotional damage.

**Statutory Rape**: nonforcible sexual intercourse with a person who is under the statutory age of consent.

The following are sex offenses taken from the New York state penal law. All are crimes in New York state and punishable by fines or imprisonment, or both.

**Section 130.25 Rape in the third degree**
A person is guilty of rape in the third degree when:

1. He or she engages in sexual intercourse with another person who is incapable of consent by reason of some factor other than being less than seventeen years old; or
2. being twenty-one years old or more, he or she engages in sexual intercourse with another person less than seventeen years old; or
3. he or she engages in sexual intercourse with another person without such person’s consent where such lack of consent is by reason of some factor other than incapacity to consent.

Rape in the third degree is a class E felony.

Section 130.30 Rape in the second degree
A person is guilty of rape in the second degree when:

1. being eighteen years old or more, he or she engages in sexual intercourse with another person less than fifteen years old; or
2. he or she engages in sexual intercourse with another person who is incapable of consent by reason of being mentally disabled or mentally incapacitated.

It shall be an affirmative defense to the crime of rape in the second degree as defined in subdivision one of this section that the defendant was less than four years older than the victim at the time of the act.

Rape in the second degree is a class D felony.

Section 130.35 Rape in the first degree

4. who is less than thirteen years old and the actor is eighteen years old or more.

Rape in the first degree is a class B felony.

Bias Crimes Prevention
Hate Crimes and the Law
It is a SUNY Poly University Police (UP) mandate to protect all members of the SUNY Poly community by preventing and prosecuting bias or hate crimes that occur within the campus jurisdiction.

Hate crimes, also called bias crimes or bias-related crimes, are criminal activities motivated by the perpetrator’s bias or attitude against an individual victim or group based on perceived or actual personal characteristics, such as their race, religion, ethnicity, national origin, gender, sexual orientation, gender identity, or disability. Hate/bias crimes have received renewed attention in recent years, particularly since the passage of the federal Hate/Bias Crime Reporting Act of 1990 and the New York State Hate Crimes Act of 2000 (Penal Law Article 485). Copies of the New York law are available from UP.

Penalties for bias-related crimes are very serious and range from fines to imprisonment for lengthy periods, depending on the nature of the underlying criminal offense, the use of violence or previous convictions of the offender. Perpetrators who are students will also be subject to campus disciplinary procedures where sanctions including dismissal are possible.

In addition to preventing and prosecuting hate/bias crimes, UP also assist in addressing bias-related activities that do not rise to the level of a crime. These activities, referred to as bias incidents and defined by the University as acts of bigotry, harassment, or intimidation directed at a member or group within the SUNY Poly community based on national origin, ethnicity, race, age, religion, gender, sexual orientation, gender identity, disability, veteran status, color, creed, or marital status, may be addressed through the State University’s Discrimination Complaint Procedure or the campus conduct code. Bias incidents can be reported to University Police, human resources, and/or the Title IX coordinator. If you are a victim of, or witness to, a hate/bias crime on campus, report it to UP by calling 315-792-7111 in an emergency, using a blue light or red emergency phone, 315-792-7222 (Utica), 518-437-8600 (Albany) or stopping by UP. University Police will investigate and follow the appropriate adjudication procedures.

Victims of bias crime or bias incidents can avail themselves of counseling and support services from the campus as follows: Counseling Center, Oriskany Hall, Suite B, 315-792-7172.

For information on SUNY Poly security procedures, see sunypoly.edu/university_police/security_policies, Student Handbook page 26, or call 315-792-7222 (Utica) or (518) 437-8600 (Albany).

More information about bias-related and bias crimes, including up-to-date statistics on bias crimes, is available from University Police, 315-792-7222.

Child Sexual Abuse Reporting Policy
Any employee or student of or volunteer for SUNY Poly who witnesses or has reasonable cause to suspect any sexual abuse of a child occurring on SUNY Poly property or while off campus during official SUNY Poly business or SUNY Poly-sponsored events shall have an affirmative obligation to report such conduct to the University Police Department immediately. University Police is located in Kunsela Hall B126 or call 315-792-7111. Such report should include the names of the victim and assailant (if known), other identifying information about the victim and assailant, the location of the activity, and the nature of the activity. Upon receiving such a report, the University Police Department shall promptly notify the Director of Human Resources, Vice President for Administration and Human Resources, Vice President for Administration and
College President along with the Commissioner of University Police at SUNY System Administration who shall report such incidents to the Chancellor for periodic reporting to the Board of Trustees.

In addition, to aid in the prevention of crimes against children on property of SUNY Poly and/or during official SUNY Poly business at events sponsored by SUNY Poly, relevant employees should be trained on the identification of such crimes and proper notification requirements. Vendors, licensees or others who are given permission to come onto campus or to use SUNY Poly facilities for events or activities that will include participation of children shall ensure that they have in place procedures for training, implementation of applicable pre-employment screening requirements and reporting of child sexual abuse.

For purposes of this policy, the applicable definitions of child sexual abuse are those used in the NYS Penal Law in Articles 130 and 263 and Section 260.10, and “child” is defined as an individual under the age of 17.

STUDENT JUDICIAL SYSTEM

Standards for the Conduct of Students
SUNY Poly, a college community comprised of students, faculty and staff, has established standards of conduct which are intended to guarantee the protection of individual rights and promote the development of a learning environment conducive to academic achievement and personal growth.

The conduct of our faculty and staff is regulated by established personnel policies and applicable collective bargaining agreements. The standards of conduct for students are divided into four sections: 1) the Academic Integrity Policy, 2) the Student Code of Personal Conduct, 3) the SUNY Rules for the Maintenance of Public Order, and 4) the Penal Law of the State of New York.

The administration of the standards for the conduct of students is intended to be educational and not punitive. Student judicial hearings will be conducted with a commitment to fundamental fairness and will provide the appropriate level of due process. Because of the educational emphasis of the student judicial system, hearing procedures will be informal and are not intended to model those held in the criminal justice system.

Students are presumed to be “not responsible” until a finding of responsibility is made. Cases will be judged based on the standard of “preponderance of the evidence.” The Academic Integrity Policy is administered by the provost, and alleged violations may be referred to him/her for adjudication.

The provost or designee is responsible for the administration of the Student Code of Personal Conduct and the SUNY Rules for the Maintenance of Public Order. Alleged violations of these codes may be adjudicated by an assigned administrator or the Administrative Judicial Board.

The enforcement of violations of the penal law and vehicle and traffic law of the state of New York which occur on campus is the responsibility of the officers of the University Police department. The provost or designee is responsible for determining the appropriate adjudication through the disciplinary process of alleged on-campus violations of law or rules.

Violations of law which occur off-campus where a nexus to SUNY Poly or the SUNY Poly community exists are also subject to adjudication by the student judicial system if the provost or designee determines that the alleged conduct presents a clear and present danger to the SUNY Poly community or a serious disruption to the academic environment of SUNY Poly.

Mediation and Conflict Resolution Services
Student conflicts which do not involve a clear violation of SUNY Poly judicial policies may be submitted to mediation. Mediation is a voluntary process that is conducted by a student affairs professional staff member. Mediators will conduct the session with a commitment to fairness, objectivity, confidentiality, and with a non-judgmental style. Both parties to the dispute will be encouraged by the mediator to seek their own solution and develop a written agreement to resolve the conflict. Typically, mediation can be effective for resolving conflicts between resident student roommates and for resolving disputes over bills, personal property damage, and interpersonal relationships. Mediation sessions result in a formal, written, and binding agreement between the involved parties. Students who fail to comply with signed mediation agreements may be subject to disciplinary action (if appropriate) or administrative housing reassignment (for resident students). For more information or assistance, please contact the campus life or residential life and housing offices. Mediation may not be used in cases involving sexual violence.

Alleged Student Misconduct Directed at SUNY Poly Officials
All cases which involve any allegation of misconduct, or verbal or physical abuse, which is directed against a SUNY Poly official will be heard by SUNY Poly’s Administrative Judicial Board. This action will occur regardless of whether or not the student accepts responsibility for the alleged misconduct or abuse.
Campus Judicial Board
The SUNY Poly Administrative Judicial Board is the duly authorized judicial body that has jurisdiction over all students for matters arising from the Student Code of Personal Conduct, Rules for the Maintenance of Public Order, and residence hall regulations. The Board shall conduct hearings, make findings of facts, recommend disciplinary sanctions where appropriate, and provide due process for students while protecting the rights of all members of the SUNY Poly community. Campus judicial board hearings are closed administrative proceedings. Except with the consent of the provost or designee, only those who are reporting individuals, respondents, witnesses or approved advisors will be permitted to attend. Note: In cases of sexual harassment, sexual violence, dating or domestic violence or stalking details concerning process and proceedings can be found in the Student Code of Personal Conduct.

Procedures for Filing a Judicial Complaint
Any member of the SUNY Poly community may initiate a proceeding before the judicial body by filing a complaint to the judicial officer or in the office of the provost or designee. A complaint against a student must set forth the following:

a. The name and address of the student against whom a complaint is being lodged.
b. The name of the reporting individual and his/her status in the SUNY Poly community.
c. The alleged offense that is the basis of the complaint.
d. A statement demonstrating the facts of the alleged offense, which should include:
   1. Date of occurrence
   2. Time of occurrence
   3. Place of occurrence
   4. Narrative of event
   5. Names of persons having personal knowledge of circumstances or event
   6. General nature and description of all evidence
   7. Signature of the reporting individual

Notice of a Complaint
Upon receipt of a complaint, the judicial officer will notify the accused in writing and/or by e-mail of the allegation(s) and accusation(s). The notice of accusation(s) will direct the accused to schedule an educational conference with the judicial officer by a specified date.

Educational Conference
The purpose of the educational conference is to review with the accused the allegations and accusations, the Student Code of Personal Conduct, the judicial proceeding forum options, the judicial process and possible sanctions. The Administrative Board proceeding is scheduled based on criteria outlined in the Student Code of Personal Conduct, Article VI. C., 5.a-c.

Administrative Judicial Board Notification
After a reasonable attempt to confer with all parties, a hearing shall be scheduled. All parties shall receive written/e-mail notification of the hearing, which shall include the time, date, and place of the hearing.

Witnesses
All parties involved in the hearing may request witnesses to attend the hearing if it can be shown that the witness has relevant testimony or other evidence to offer. Witnesses will be summoned to the hearing by the judicial officer.

Administrative Judicial Board Format
The Administrative Judicial Board, under the direction of the chairperson and with the director of student conduct serving as an advisor, does not function as civil or criminal court of law but rather as an administrative hearing board. The standard of proof used for all conduct cases is “preponderance of the evidence” which means whether it is more likely than not.

The judicial board shall adhere to the following format for all hearings:
1. The chairperson shall introduce the members of the Board and request the names of all persons present at the hearing. The chairperson shall then explain the procedure to be followed and ask if there are any questions. The hearing will be recorded.
2. The chairperson will read the allegations/accusations being filed against the respondent and will ask that he/she respond with respect to his/her responsibility.
3. The chairperson will ask the reporting individual, if present, if they have any additional information or clarification concerning the alleged offense, in the form of an opening statement. The reporting individual gives his/her opening statement first.
4. The respondent will be asked to give his/her account of the incident or alleged policy violation in the form of an opening statement.
5. After the opening statements, each party will be allowed to ask questions in writing which must first be approved by the chairperson.
6. Witnesses will be called in separately to give their account of the incident or alleged policy violation.
7. Board members reserve the right to ask questions of clarification at any time during the course of the hearing.
8. Both the reporting individual and the respondent will be given the opportunity to give a closing statement. The respondent will give his/her statement last.
9. At the end of the proceedings the respondent will be advised of the Board’s role in providing a recommendation to the provost or designee, the appeal process and any resources that would pertain to the student’s situation.
10. During deliberations, the Board will first decide whether or not the respondent student is responsible for violation of the charges as indicated. If the student is found responsible, based on the preponderance of the evidence, the board will make a recommendation to the provost or designee as to the recommended sanctions to be imposed.

**Notice of Decision**
The Administrative Judicial Board, in its deliberations, shall consider only relevant evidence presented at the hearing. In all cases, the Administrative Judicial Board shall send a written decision letter to the provost or designee. The decision letter shall contain a statement of findings, evidence used in rendering the decision and any recommended sanctions. Following the provost’s or designee’s review of the Administrative Board’s decision, the respondent shall receive a notice of decision from the provost or designee within the designated time frame.

A record of the adjudication shall be maintained in the office of the provost or designee for seven years.

*Note: In cases of sexual harassment, sexual violence, dating or domestic violence or stalking details concerning process and proceedings can be found in the Student Code of Personal Conduct.*

**Procedures for Filing a Judicial Complaint**
Any member of the SUNY Poly community may institute a proceeding before the judicial body by filing a complaint to the judicial officer or in the office of the provost or designee. A complaint against a student must set forth the following:

a. The name and address of the student against whom a complaint is being lodged.
b. The name of the reporting individual and his/her status in the SUNY Poly community.
c. The alleged offense that is the basis of the complaint.
d. A statement demonstrating the facts of the alleged offense, which should include:
   1. Date of occurrence
   2. Time of occurrence
   3. Place of occurrence
   4. Narrative of event
   5. Names of persons having personal knowledge of circumstances or event
   6. General nature and description of all evidence
   7. Signature of the reporting individual

**Notice of a Complaint**
Upon receipt of a complaint, the judicial officer will notify the accused in writing and/or by e-mail of the allegation(s) and accusation(s). The notice of accusation(s) will direct the accused to schedule an educational conference with the judicial officer by a specified date.

For more information about the educational conference, Administrative Judicial Board and decision process, see the Student Code of Personal Conduct Article VI. A-J on pages 55 to 60 in this document.
Academic Integrity Policy

Article I. Standards of Academic Integrity
The student’s first obligation is to pursue his or her academic objectives conscientiously and honestly. The student is required to conform to all regulations of the University and SUNY Polytechnic Institute, the department and program in which the student is matriculated, and the classes in which the student is enrolled. The student is expected to complete all academic work, including but not limited to papers, examinations, laboratory reports, and other assignments, in compliance with the standards set forth in this code. Academic achievement is ordinarily evaluated on the basis of the work that the student has produced independently. A student who attempts to obtain credit for work, words, or ideas that are not his or her own is dishonest. Dishonesty undermines the integrity of academic standards. Infringement of this academic code entails penalties ranging from reprimand to dismissal from SUNY Polytechnic Institute. Misrepresentations of facts, significant omissions, or falsifications in any academic work are violations of the code. Misunderstanding of the code is not an acceptable excuse for academic misconduct. If a student is uncertain whether a practice is permitted in a particular course, the student should consult the faculty member instructing the course in order to avoid the accusation of academic misconduct.

Article II. Summary of Academic Integrity Policy
A student’s name or other unique identifier on any course exercise (e.g., theme, report, notebook, performance, computer program, course paper, laboratory or practicum or co-op report, examination, website, or quiz) is taken as assurance that the exercise is the product of the student’s own thoughts and study, and that it is expressed in the student’s own words and produced without assistance, except as indicated by quotation marks, references and footnotes acknowledging use of printed sources or other outside help. In some instances, the faculty member or department may authorize students to work together to solve problems, complete projects, or produce written or performed coursework; any such effort must be clearly marked the product of collaboration. Where collaboration is authorized, students must indicate clearly which parts of the assignment were performed independently and which parts were provided collaboratively.

Unless permission is obtained prior to submission from all involved instructors, a student may not submit the same exercise in more than one course. The student who sees the possibility of overlapping assignments must consult with both faculty members before proceeding.

Article III. Prohibited Behavior
The following offenses are violations of the Academic Integrity Policy.

1. **Plagiarism**: Any piece of work that has been presented as the individual creation of the student is assumed to involve no assistance from any other person. Plagiarism is the use of another person’s work, words, or ideas without attribution. It may involve using another’s words without quotation marks and/or footnotes to indicate the appropriate source. Paraphrasing or summarizing the content of another’s work is not dishonest as long as the source is clearly identified. Paraphrasing when the source is properly cited does constitute independent work; however, the faculty member may still reject it as inappropriate. Plagiarism may also involve misrepresenting the sources that were used. The issue of plagiarism applies to any type of academic work, including but not limited to papers, examinations and quizzes, computer programs, works of art, photography, video, or websites.

2. **Inappropriate Collaboration**: Collaboration on academic work requires acknowledgment. It is academically dishonest to work with another person to develop, organize, or revise a project (e.g., a paper, oral presentation, research project, or take home examination) without acknowledging that person’s help. Specific policies regarding collaborative work, peer review, use of tutors, and editing vary from faculty member to faculty member. It is the student’s obligation to check with the professor concerning any collaborative academic effort.

3. **Dishonesty in Examinations** (In-Class or Take-Home): An examination must be solely the student’s own work, unless otherwise directed by the faculty member. Communication is not allowed between or among students while an examination or quiz is being taken, nor are students permitted to consult books, papers, study aids, or notes without the faculty member’s explicit permission. Cheating includes, but is not limited to, copying from another’s paper, giving unauthorized assistance to another, obtaining unauthorized advance knowledge of the questions to an examination or quiz, or use of mechanical or marking devices or procedures to achieve false scores on machine graded examinations. Specific policies concerning examinations may vary from faculty member to faculty member.
4. Dishonesty in Papers and Reports: The student is prohibited from submitting any material prepared by or purchased from another person or entity. All written materials submitted in fulfillment of course requirements must be the student’s original work, unless sources are cited following the accepted protocols for citation of another person’s words or ideas.

5. Work Done For One Course and Submitted to Another: The student may not present the same work for credit in more than one course. Under exceptional circumstances, the student may be permitted to submit a paper or other written assignment to satisfy requirements in two courses. However, both faculty members must agree in advance to this arrangement. When incorporating past research into current projects, the student must reference the previous work.

6. Falsification of Data: The student may not deliberately falsify data or distort supporting documentation for coursework or any other academic activity.

7. Interference With Another Student’s Work: The student may not intentionally interfere with the work of others by sabotaging laboratory experiments/equipment or research, computer programs or computer laboratories, by giving misleading information, or by disrupting class work or library work, including study.

8. Copyright Violation: Copyrighted material is the property of the copyright holder and may only be used with appropriate authorization. The student must observe the copyright laws governing practices of using printed materials, duplicating computer software, photoduplicating copyrighted materials, and reproducing video and audio cassettes and other audio-visual materials. The Student Code of Personal Conduct prohibits theft or unauthorized use of another’s property and requires adherence to federal and State laws. This provision will be enforced by the Chief Academic Officer under the provisions of the Student Code of Personal Conduct and the State University of New York Rules for the Maintenance of Public Order.

9. Other Offenses Against the Academic Integrity Policy: In addition to the practices specified above, academic misconduct embraces all other practices that circumvent procedures designed to assure a fair grade. Use of the services of commercial term paper or “research” companies is cheating, and a punishable offense. Student groups may not maintain and reuse papers, reports, course exercises, or examinations that have been kept on file from prior years. Falsification of records, whether before or after graduation, is misconduct. Gaining access to a confidential recommendation without permission, after waiving right of access, is a violation of the code. Withholding, altering or destroying materials needed by other students for course exercises is an offense against the academic code. Lying in the course of an investigation of an academic offense or during a judicial proceeding is a violation of the Student Code of Personal Conduct and will be referred to the Chief Academic Officer or designee for disciplinary action.

Article IV. Adjudication of Charges

1. Faculty member action: The faculty member shall assess an appropriate penalty. Common penalties may include, but are not limited to, requiring the student to rewrite or correct a submitted assignment, requiring the submission of a substitute assignment, loss of credit for the assignment, or a failing grade in the course. The faculty member will communicate that there will be a penalty to the student in writing by hand delivery, electronic mail using the student’s SUNY Polytechnic Institute account, or by letter sent to the student’s campus or permanent address on record. The faculty member shall then make a written record of the incident, including the assessed penalty and whether the incident is believed to be an error in judgment or willful misconduct. This record shall be reported to the head of the academic unit of the department in which the student’s major resides within two calendar weeks of discovery of the alleged offense and after notification has been made to the student.

2. Administrative action: If the misconduct is not related to a specific course, the head of the academic unit or Chief Academic Officer or designee may assess a penalty as circumscribed in Article VII following the same procedures outlined for course misconduct.

3. Procedure: Upon notification of an alleged offense, the head of the academic unit shall store the faculty member’s report in the academic unit's academic discipline records for the student. The head of the academic unit may send a recommendation to the faculty member identifying an alternate recommended penalty, particularly if this is not a first offense. The head of the academic unit shall send a copy of the faculty member report and alternate penalty recommendations to the faculty member and the campus Chief Academic Officer or designee within one calendar week of receipt of notice from the faculty member. Repeat offenses or sufficiently serious first offenses may result in the head of the academic unit requesting that the campus Chief Academic Officer or designee convene an Academic Integrity Board to consider the accusation of academic misconduct and consider extraordinary penalties (identified in Article VII).
Upon notification of an alleged offense, the campus Chief Academic Officer or designee will store the faculty member report in the student’s campus academic discipline records. The campus Chief Academic Officer or designee may also send a recommendation to the faculty member and head of the academic unit identifying a suggested alternate penalty, particularly if this is not a first offense within the college, within two calendar weeks of receiving the report. Within one calendar week of the faculty member’s receipt of the Chief Academic Officer or designee’s recommendation, the faculty member shall make a final decision of his/her assigned penalty and communicate the penalty to the student by the means previously outlined and send a copy of the notification to the head of the academic unit. Repeat offenses, sufficiently serious first offenses, or head of the academic unit request may result in the campus Chief Academic Officer or designee convening the Academic Integrity Board to consider the accusation of academic misconduct for extraordinary penalties as identified in Article VII.

If the Academic Integrity Board is convened by the Chief Academic Officer or by student appeal (see Article IV.4.), the campus Chief Academic Officer or designee shall contact the student, faculty member, and head of the academic unit by the means previously outlined to advise that a hearing of the Board is being scheduled and outline the procedure and student's rights within one calendar week of such a determination. Within two calendar weeks of this notice, the Board shall hear the case. The Board shall then submit a written summary of findings to the campus Chief Academic Officer or designee, head of the academic unit, faculty member, and student within one calendar week of completion of the hearing. In the case of a Board recommendation of suspension or dismissal, the campus Chief Academic Officer or designee shall consult with the president, and the President shall communicate a final decision to all parties (student, faculty member, head of the academic unit, campus Chief Academic Officer or designee, and Board) within two calendar weeks.

The head of the academic unit or campus Chief Academic Officer or designee may extend any stage of the judicial proceeding calendar in extreme circumstances and upon a showing of good cause; this extension must be reported to all involved parties by the original deadline.

4. Appeal of misconduct: A student who disagrees with a determination of academic misconduct may appeal in writing to the campus Chief Academic Officer or designee within one calendar week of receipt of notification of the violation. A student appeal will trigger convention of the Academic Integrity Board to consider the case of academic misconduct if the Board has not already been requested to convene by the head of the academic unit or the Chief Academic Officer or designee.

5. Appeal of grade: After the completion of a misconduct hearing, a student may appeal a grade penalty through the campus grievance procedure. The only grounds for appealing a grade is a student’s belief that a grade or grade penalty has been assigned on a capricious basis. Capricious grade assignment is assignment of a grade to a student that is based on a standard other than his/her performance in a course, on more exacting or demanding standards than were applied to other students in the course, or on standards that depart substantially from those the faculty member previously announced for the course.

6. Appeal of suspension/dismissal: Appeal of a decision of suspension or dismissal is written directly to the President. The same calendar applies. The campus Chief Academic Officer or designee or President may extend any stage of the appeals calendar in extreme circumstances and upon a showing of good cause; this extension must be reported to all involved parties by the original deadline.

Article V. Academic Integrity Board
The Academic Integrity Board is composed of five faculty and two students, appointed for each judicial proceeding at least one calendar week in advance of the proceeding by the campus Chief Academic Officer or designee from a pool composed of twelve faculty and six students. Faculty shall be elected by each school at the beginning of every academic year for the pool, divided equally among schools. The students shall be appointed by the Student Association and shall be representative of the diversity of the student body. The purpose of the pool of faculty and students is to provide a hedge against conflict of interest or schedule in any particular judicial proceeding. In order to observe the calendar described in Article IV.1, the campus Chief Academic Officer or designee may appoint alternate faculty and students should a pool lack sufficient members or have unreachable members.

1. Officers: The Board selects chairperson and secretary for each judicial proceeding. The secretary maintains a record of the proceeding. This record and all documents pertaining to the judicial proceeding are circulated only to persons involved in the proceeding and to the Chief Academic Officer or designee and President in the case of an appeal. The chairperson and secretary will both be voting members of the Board.
2. **Quorum Decision:** A quorum consists of the entire appointed Board. Decision is rendered by majority vote.

3. **Board Jurisdiction:** The Board shall decide whether the misconduct is willful, if the misconduct constitutes an error in judgment, or if there is no academic misconduct. The Board may, with a majority vote, render an opinion regarding the penalty. Absence of an opinion with regard to the penalty shall not indicate either support or disagreement with the penalty.

4. **Parties Excluded from the Board:** Members of the pool shall be notified of participants when requested to be on a Board. Any member of the pool who feels s/he has a conflict of interest is excluded from participating on that Board. The student shall be notified of the pool’s composition at the time of the meeting notification and may request of the Chief Academic Officer or designee that specific members be excluded from the Board due to conflict of interest if the request is made at least five calendar days prior to the Board hearing.

5. **Judicial Proceeding Procedure:** The purpose of the judicial proceeding is educational and disciplinary. Thus, courtroom procedures and rules of evidence need not be followed in the interest of ascertaining the facts of the case. Both student and faculty member have the right to examine all written evidence prior to the judicial proceeding; this evidence shall be kept in a restricted file in the Provost’s office pending the decision. Both student and faculty member may attend the proceeding and question and respond to witnesses. The student may bring up to two advisors, provided one of them is a member of the college community (faculty, staff, or student). The advisor(s) may advise the student and, with the permission of the chairperson of the Board, address the Board. The chairperson of the Board may remove any person from the room for obstruction of the proceeding.

6. **Record of Multiple Offenses:** If the student has previous offenses stored in his/her campus academic discipline records, the campus Chief Academic Officer or designee shall provide all records of these offenses to the members of the judicial proceeding. All distributed records pertaining to the proceeding shall be collected and destroyed by the campus Chief Academic Officer or designee at the conclusion of the judicial proceeding.

7. **Special Periods:** The campus Chief Academic Officer or designee (in consultation with the appropriate head of the academic unit) has authority to resolve disputes during special periods when the Academic Integrity Board cannot meet.

**Article VI. Class Attendance Pending Decision**
The student accused of academic misconduct may continue in class until a final decision has been reached, including appeal. Pending final determination of the accusation, a grade of Incomplete may be assigned in the disputed course or courses.

**Article VII. Additional Penalties for Academic Misconduct**
A student found to be in violation of this policy by an Academic Conduct Board may receive any of the following additional sanctions from the campus Chief Academic Officer or designee or head of the academic unit of the school within which the student resides.

- **Suspension:** An unusually serious first offense or repeated offenses may result in suspension from the college. The student will be suspended from SUNY Polytechnic Institute as of the semester of the infraction and will be withdrawn from all courses for that semester. Only the President may suspend a student from the college. The words “Suspended for Academic Misconduct” will appear on the student’s permanent academic transcript. If the student later requests an institutional letter of reference, the letter may refer to the incident. Suspension is a temporary withdrawal from the college for a specified period of at least one semester, after which the student may return in accordance with the standing regulations governing matriculation, by submitting a petition for reinstatement.

- **Dismissal:** An unusually serious first offense or repeated offenses may result in dismissal from the college. The student would be dismissed from SUNY Polytechnic Institute as of the semester of the infraction and will be withdrawn from all courses for that semester. Only the President may dismiss a student from SUNY Polytechnic Institute. The words “Dismissed for Academic Misconduct” will appear on the student’s permanent academic transcript. If the student later requests an institutional letter of reference, the letter may refer to the incident. Dismissal is withdrawal from the college without promise of reinstatement and with loss of matriculated status. Reinstatement after dismissal requires the approval of the Chief Academic Officer or designee, who must interview the student and approve reinstatement. A student who has been academically dismissed loses matriculated status and must apply separately for matriculation to SUNY Polytechnic Institute and his/her major if applicable at the time of reinstatement. The student may not petition for readmission until at least one year has passed after dismissal.
Article VIII. Removal of penalty
In a case where the Academic Integrity Board has a majority vote of no misconduct, the assigned penalty shall be removed by the faculty member, and there shall be no record of the incident placed in the student’s file. The head of the academic unit and Chief Academic Officer may keep an internal record of the incident.

Article IX. Record of Disciplinary Actions
Records pertaining to student violations of the Academic Integrity Policy are maintained for a minimum of five years after the student’s most recent enrollment at the college. When penalties become part of the student’s permanent academic record, the record is maintained indefinitely. These records are subject to University and Institute regulations concerning the confidentiality of student records. Upon written request, the student has the right to inspect his or her records.

Article X: Interpretation and Revision
1. Any questions of interpretation regarding the Academic Integrity Policy shall be referred to the campus Chief Academic Officer or designee for final determination.

2. The Academic Integrity Policy shall be reviewed every five years under the direction of the campus Chief Academic Officer or designee by a committee convened identically as an Academic Integrity Board.

3. Suggested changes found by the review committee shall be brought to the Academic Affairs Committee of the Faculty Assembly for consideration.

SUNY Poly’s Title IX coordinator is listed on page 32 of the Student Handbook.
11. The term “policy” is defined as the written regulations of SUNY Poly as found in, but not limited to, the Student Handbook and graduate and/or undergraduate catalogs or other SUNY Poly publications.

23. The term “sexual activity” is defined as sexual activity that is habitually, directly, indirectly, or through third parties follows, monitors, observes, surveils, threatens, or communicates about a person or interferes with his or her property, directed at a specific person, which is likely to cause a reasonable person to fear for his or her safety or the safety of others or cause that person to suffer substantial emotional damage.
24. The term “affirmative consent” is a knowing, voluntary, and mutual decision among all participants to engage in sexual activity. Consent can be given by words or actions, as long as those words or actions create clear permission regarding willingness to engage in the sexual activity. Silence or lack of resistance, in and of itself, does not demonstrate consent. The definition of consent does not vary based upon a participant’s sex, sexual orientation, gender identity, or gender expression.
   a) Consent to any sexual act or prior consensual sexual activity between or with any party does not necessarily constitute consent to any other sexual act.
   b) Consent is required regardless of whether the person initiating the act is under the influence of drugs and/or alcohol.
   c) Consent may be initially given but withdrawn at any time.
   d) Consent cannot be given when a person is incapacitated, which occurs when an individual lacks the ability to knowingly choose to participate in sexual activity. Incapacitation may be caused by the lack of consciousness or being
asleep, being involuntarily restrained, or if an individual otherwise cannot consent. Depending on the degree of intoxication, someone who is under the influence of alcohol, drugs, or other intoxicants may be incapacitated and therefore unable to consent.

   e) Consent cannot be given when it is the result of any coercion, intimidation, force, or threat of harm.

   f) When consent is withdrawn or can no longer be given, sexual activity must stop.

28. The term “sexual activity” shall have the same meaning as “sexual act” and “sexual contact” as provided in 18 U.S.C. 2246(2) and 18 U.S.C. 2246(3).

Sexual assault includes what is commonly known as “rape” (including “date rape” and “acquaintance rape”), fondling, statutory rape and incest. For statutory rape, the age of consent in New York State is 17 years old.

**Article III: Judicial Authority**

1. The judicial officer, in consultation with the provost or designee, shall recommend to the president for appointment the composition of the judicial body and Appellate Board.

2. The judicial officer shall develop policies for the administration of the judicial process and procedural rules for the conduct of hearings that are consistent with provisions of the Student Code of Personal Conduct.

3. A judicial body may be designated as mediator of disputes within the student community in cases that do not involve a violation of the Student Code of Personal Conduct. All parties must agree to mediation, and to be bound by the decision with no right of appeal. Mediation may not be used in cases involving sexual violence.

**Article IV: Student Rights**

Each student, accused or reporting individual, shall have the following rights relative to the Student Code of Personal Conduct and SUNY Poly judicial proceedings:

1. To be clearly informed of SUNY Poly’s standards; these standards shall be readily available and describe expected and prohibited behavior.

12. To elect to dispose of the charges administratively by mutual consent with the judicial officer, or to have his/her case heard by a judicial body.
13. To be informed of the general nature of the evidence to be presented.
14. To review and question all parties and witnesses except when circumstances (as determined by the provost or designee) make this impossible. In a case of sexual harassment, dating or domestic violence, stalking or sexual violence, the respondent and the reporting individual have the right not to question or cross examine each other directly; instead questions will go through the administrative board chair/administrative board.
15. To present factual information through relevant witnesses, personal testimony, and other relevant evidence.
16. To decline to testify against oneself. Silence will not be considered an admission of responsibility.
17. To have only relevant evidence considered by the judicial body.

21. To access to at least one level of appeal of a determination.
22. To exclude unrelated behavior from the disciplinary judicial proceeding. The issue of relevance of past behavior is determined by the judicial officer or Administrative Judicial Board. In cases of sexual harassment, dating or domestic violence, stalking or sexual violence, the respondent and the reporting individual have the right to exclude prior sexual history with persons other than the other party in the judicial process or their own mental health diagnosis and treatment from admittance in the disciplinary stage that determines responsibility. Past findings of sexual harassment, dating or domestic violence, stalking or sexual violence may be admissible in the disciplinary stage that determines sanction.
23. SUNY Poly will protect the privacy of all parties to a complaint to the extent possible. When SUNY Poly receives complaints of sexual harassment, dating or domestic violence, stalking or sexual violence, SUNY Poly has an obligation to respond in a way that limits the effects of the sexual harassment, dating or domestic violence, stalking or sexual violence and prevents its recurrence. Information will be shared as necessary in the course of an investigation with people who need to know, such as investigators, Title IX coordinator, witnesses, and the accused. If you are unsure of someone’s duties and ability to maintain your privacy, ask them before you talk to them. Certain staff are obligated by law to maintain confidentiality, including the counseling center and the local rape crisis centers off-campus.
24. To have disclosures of domestic violence, dating violence, stalking, sexual harassment and sexual violence treated seriously.
25. The respondent in all cases and the reporting individual in cases of sexual harassment, domestic or dating violence, stalking and/or sexual violence have the right to listen to a recording of a judicial proceeding during normal business hours and/or review records for an appeal upon written request.
26. The respondent in all cases and the reporting individual in cases of sexual harassment, domestic or dating violence, stalking and/or sexual violence have the right to be informed of the decision, to appeal a decision and be informed of the criteria and procedures to be followed. They also have the right to choose whether to disclose or discuss the outcome of a judicial proceeding.
27. A respondent or reporting individual has the right to provide a list of questions that he or she would like asked by the judicial officer or the Administrative Judicial Board members at a judicial proceeding to the reporting individual, respondent, witnesses or the judicial body. The questions must be submitted in writing to the judicial officer at least three (3) business days before the judicial proceeding, and the questions must be considered relevant to the accusations by the judicial officer or the Administrative Judicial Board.
28. A reporting individual has the right to request alternative arrangements if he/she does not want to be in the same room as the respondent during the judicial proceeding. These alternative arrangements are subject to the rights of the respondent. Accordingly, alternative arrangements must enable the parties and the judicial body to hear each other. In cases of sexual harassment, dating or domestic violence, stalking or sexual violence, the respondent and the reporting individual have the right to a range of options for providing testimony via alternative arrangements, including telephone/videoconferencing or testifying with a room partition.
29. In cases of sexual harassment, dating or domestic violence, stalking or sexual violence, to be treated with dignity and to receive from SUNY Poly courteous, fair, and respectful health care and counseling services, where available.

33. To have access to a full and fair record of a student conduct hearing which shall be preserved and maintained for at least five (5) years. (Director of Student Conduct, 315-792-7530.)

In all instances, SUNY Poly is concerned that those in need receive prompt medical attention. SUNY Poly cannot guarantee absolute immunity from sanctions associated with violations of the Student Code of Personal Conduct or state and federal law. However, efforts will be made to mitigate sanctions associated with alcohol and other drug offenses for “Good Samaritans.” These considerations apply only to the individual(s) who may have contributed/participated in the use and abuse of alcohol or other drugs, but who summon aid.

Policy for Alcohol and/or Drug Use Amnesty in Sexual and Interpersonal Violence Cases: The health and safety of every student at the State University of New York and its State-operated and community colleges is of utmost importance. SUNY Poly recognizes that students who have been drinking and/or using drugs (whether such use is voluntary or involuntary) at the time that violence, including, but not limited to, domestic violence, dating violence, stalking, sexual harassment or sexual violence occurs may be hesitant to report such incidents due to fear of potential consequences for their own conduct. C. Violation of Law and SUNY Poly Discipline

1. SUNY Poly disciplinary proceedings may be instituted against a student charged with violation of a law, which is also a violation of this Student Code of Personal Conduct. Generally, proceedings under this Student Code of Personal Conduct will be pursued without regard to pending civil litigation in court or criminal arrest and prosecution.

2. When a student is charged by federal, state, or local authorities with a violation of law, SUNY Poly will not request or agree to special consideration for that individual because of his or her status as a student. If the alleged offense is also the subject of a proceeding before a judicial body under the Student Code of Personal Conduct, however, SUNY Poly may advise off-campus authorities of the existence of the Student Code of Personal Conduct and of how such matters will be handled internally within the SUNY Poly community. SUNY Poly will cooperate fully with law enforcement and other agencies in the enforcement of criminal law on campus and in the conditions imposed by criminal courts for the rehabilitation of student violators. Individual students and SUNY Poly community members, acting in their personal capacities, remain free to interact with governmental representatives, as they deem appropriate.

In cases of sexual harassment, sexual violence, dating or domestic violence or stalking, students have the right to have the judicial process run concurrently with a criminal justice investigation and/or proceeding, except for temporary delays as requested by external municipal entities while law enforcement gathers evidence. Temporary delays should not last more than ten (10) days except when law enforcement specifically requests and justifies a longer delay.

3. Cease and Desist: SUNY Poly officials may, under appropriate circumstances, order a student and/or student organization to cease and desist from an activity considered to be disruptive to SUNY Poly.

Article VI: Judicial Procedures: Violations of the SUNY Poly Student Code of Personal Conduct

A. Determination of Accusations

1. Alleged violations of the Student Code of Personal Conduct may be reported to the judicial officer or other responsible SUNY Poly officials, who shall report the alleged violation to the appropriate SUNY Poly official.

2. The judicial officer will review the information to determine if a student will be accused of violating the Student Code of Personal Conduct. Note: Except in egregious or serious campus safety-related violations, including cases of sexual harassment, sexual violence, dating or domestic violence or stalking, the provost or designee may not accuse a student of a violation of the Student Code of Personal Conduct more than one (1) year after the date the conduct occurred or was discovered, whichever is later.

3. In cases of sexual harassment, sexual violence, dating or domestic violence or stalking, a SUNY Poly official will obtain a written acknowledgment from the reporting individual(s) or complete such to document: (1) the SUNY Poly employee or representative who spoke to or worked with the reporting individual(s), as well as the date; (2) which options the reporting individual(s) would like to pursue, including the criminal justice system, the student judicial system, both, or none; (3) that the reporting individual(s) received information about resources (medical, counseling, academic) available to them.

B. Notice of Accusations

1. Unless circumstances prohibit, the judicial officer will notify the accused in writing and/or by e-mail of the allegation(s) and accusation(s) within ten (10) business days of the report.

2. The notice of accusation(s) will direct the accused to schedule an educational conference with the judicial officer by a specified date, not to exceed five (5) business days from the date of notice. If the accused needs to reschedule the educational conference, the accused must notify the judicial officer no less than twenty-four (24) hours prior to the scheduled conference and request a rescheduling of the conference.

C. Educational Conference

1. The purpose of the educational conference is to review with the accused the allegations and accusations, the Student Code of Personal Conduct, the judicial proceeding forum options, the judicial process and possible sanctions.

2. If the accused fails to attend the educational conference, the matter may be referred to the Administrative Judicial Board.

3. During the educational conference the accused will be given the opportunity to accept responsibility or not accept responsibility for the alleged violation(s).

4. If the accused accepts responsibility for the alleged violations and such violations are not egregious or serious campus safety-related violations, including sexual harassment, dating or domestic violence, stalking or sexual violence, the accused may waive his/her right to a judicial proceeding:
   a. In such instances, the accused will be asked to sign a form indicating his or her acceptance of responsibility and that he or she is waiving the right to a judicial proceeding. The judicial officer will send a letter documenting student responsibility and the sanctions imposed within five (5) business days of the educational conference, except when ad-
ditional time is necessary for extenuating circumstances as determined by the Provost or designee and upon written notification to the accused.

5. If the accused does not accept responsibility for the alleged violation(s) or requests a judicial proceeding:
   a. The accused will be asked to sign a form indicating that he/she does not accept responsibility for the alleged violation(s) and/or he/she requests a judicial proceeding.
   b. The judicial officer shall schedule a judicial proceeding with the Administrative Judicial Board ten (10) business days of the educational conference unless special periods (breaks, etc.) dictate otherwise.
   c. The accused shall be notified, in writing and/or by e-mail, of the time and place of the Administrative Judicial Board proceeding at least four (4) business days prior to the hearing. Prior to the judicial proceeding, the accused shall be afforded the opportunity to review a copy of statements and pertinent records that will be presented.

D. Administrative Judicial Board

2. The Administrative Judicial Board members shall be appointed annually by the president. The president shall appoint ten (10) administrators and/or faculty members and ten (10) student representatives from within the SUNY Poly community (excluding visitors) to serve as Board members. It is the responsibility of the provost to recommend names to the president for appointment to the Administrative Judicial Board. The student representatives will be selected from an application process and a pool of ten (10) students will be selected to serve. If vacancies occur within any of the positions, the president may fill such vacancies to complete the remainder of the vacant term.
3. A quorum of five (5) Administrative Judicial Board members (to include at least: (a) two (2) students; and (b) two (2) administrators and/or faculty members) shall be required for a judicial proceeding; one member shall serve as chair of the proceeding (determined by the members of the proceeding). All determinations by the Administrative Judicial Board are to be made by majority vote; abstentions are not permitted.

E. Judicial Proceeding
A judicial proceeding is not a legal process; it is an educational process. Formal rules of process, procedure and/or technical rules of evidence, such as are applied in criminal or civil court, are not used in a judicial proceeding.

1. Student Status: An accused’s or respondent’s status on campus will remain unchanged pending the final decision of the judicial proceeding and/or the appeal process, except in cases where interim measures are taken.
2. Hold on Student’s Records: SUNY Poly may place a hold on the records or registration of any accused or respondent who fails to respond to a SUNY Poly disciplinary notice or fulfill any sanctions previously issued. SUNY Poly may take other action necessary for resolution of a case prior to the accused’s or respondent’s enrollment in a subsequent semester, transfer or graduation. All pending disciplinary matters must be resolved prior to a student’s graduation, transfer from or continued education at SUNY Poly.
3. Accommodations for Students with Disabilities: Any student with a documented disability may request reasonable accommodations during the disciplinary process. If necessary, the judicial officer or Administrative Judicial Board may postpone the judicial proceeding to provide reasonable accommodations.
4. Safety Procedures: The judicial officer or Administrative Judicial Board may accommodate concerns for the safety of the individuals involved by providing separate facilities or other alternatives.
5. Failure to Appear: If a respondent fails to appear, the judicial proceeding may proceed in the respondent’s absence. Except in the case of a student charged with failing to obey the summons of a judicial body or SUNY Poly official, no student may be found to have violated the Student Code of Personal Conduct solely because the student failed to appear before a judicial body. In all cases, the evidence in support of the charges shall be presented and considered.
6. All judicial proceedings shall be conducted in private, and be closed and confidential to the extent allowed by law.
7. Duties of the Administrative Judicial Board with regard to process:
   a. Receive and consider pertinent evidence.
   b. Make determinations regarding requests for postponements, where appropriate.
   c. Make determinations as to procedural questions.
   d. Make procedural modifications for purposes of expediting a process or in the interest of fairness or safety.
   e. Take any other action deemed necessary.
8. Information: The provost or designee, the reporting individual, and the respondent shall be given an opportunity to provide information. This may include, but is not limited to, pertinent records, documents, and written or oral statements. The respondent, and the reporting individual in cases of sexual harassment, sexual violence, domestic or dating violence, or stalking, will also be given an opportunity to review available evidence in the case file.
9. Witnesses: All parties involved in the judicial proceeding may request that witnesses attend the judicial proceeding if it can be shown that each witness has relevant testimony or other evidence to offer. In order to preserve the educational
atmosphere of the judicial proceeding and to avoid creation of an adversarial environment, questions for witnesses may be directed through the Administrative Judicial Board. Witnesses shall be summoned to the judicial proceeding by the judicial officer.

10. Advisor/Advocate: The respondent and reporting individual have the right to have an advisor or advocate of their choice who may assist, support or counsel. The advisor/advocate shall not speak on behalf of the student, question witnesses, or present information before the board. Advisors/Advocates may speak privately to their advisee during the proceeding. Either party may request a brief recess to consult with their advisor/advocate which will be granted at the discretion of the chair of the Administrative Judicial Board.

11. Standard of Proof: The judicial body’s determination shall be made on the basis of whether there is a preponderance of the evidence that the respondent violated the Student Code of Personal Conduct.

12. Multiple Students Accused: In cases involving multiple students accused relating to the same incident, information obtained at one judicial proceeding may be used at another judicial proceeding provided that each accused student involved has the opportunity to review and respond to the information at his or her judicial proceeding.

13. Deliberations: All deliberations are closed and shall include only the judicial officer and the Administrative Judicial Board members involved in the decision-making process.

14. Decisions of “Responsible” or “Not Responsible” on the Accusation(s): These decisions shall be based on the information presented at the judicial proceeding. The Administrative Judicial Board (by majority vote, no abstentions) shall determine whether the respondent has violated the Student Code of Personal Conduct as alleged. The provost or designee may release information concerning a student’s judicial record in accordance with the law.

15. Impact Statement: In cases of sexual harassment, sexual violence, dating or domestic violence or stalking, the respondent and the reporting individual have the right to make an impact statement during the point of the proceeding where the decision maker is deliberating on appropriate sanctions.

16. Sanctions: In cases in which the Administrative Judicial Board determines that a respondent is responsible for violating the Student Code of Personal Conduct, the board shall: agree (by majority vote, no abstentions) on appropriate sanction(s) and communicate the Board’s decision regarding the respondent’s responsibility and a recommendation of appropriate sanction(s) to the provost or designee.

17. Notice of Decisions: In all cases, the Administrative Judicial Board shall send a written decision letter to the provost or designee within three (3) business days following the close of the judicial proceeding. This time may be extended for deliberations when necessary and the respondent, reporting individual and the provost or designee shall be notified of any such extensions.

a. The decision letter shall contain a decision on each accusation, any findings of fact, and any recommended sanctions.

b. The provost or designee is required to accept the Administrative Judicial Board’s decision unless the provost or designee determines that said decision is arbitrary and capricious. The provost or designee is not required to accept the Administrative Judicial Board’s recommendation of appropriate sanctions. Specifically, the provost or designee may reduce the sanctions recommended by the Administrative Judicial Board, but may not increase the sanctions. The respondent shall receive a notice of decision from the provost or designee within three (3) days of receipt of the letter from the Administrative Judicial Board.

Reporting individuals and the respondent in sexual harassment, sexual violence, dating and domestic violence, and stalking incidents have the right to be informed, in writing and/or by e-mail, in a way consistent with the law, of the result, essential findings, and sanctions of the hearing, as well as notice of the appeal process, any possible changes to the result that may occur before it becomes final, and when the result becomes final. The reporting individual and respondent shall be notified concurrently in writing and/or by e-mail within six (6) business days of the Administrative Judicial Board’s decision.

18. Record: There shall be a verbatim record, such as an audio recording, of all hearings before the judicial board. The record shall be the property of SUNY Poly and will be retained for seven (7) years.

The decision of the provost on whether to remove the notation is final.

c. If a finding of responsibility is vacated, transcript notations shall be removed.

H. Interim Actions
In certain circumstances, the provost or designee may impose a SUNY Poly or residence hall suspension and/or issue a no contact order prior to the judicial proceeding before a judicial body.

1. Interim suspension may be imposed (a) to ensure the safety and well-being of members of the SUNY Poly community or preservation of SUNY Poly property; (b) if the accused or respondent poses a definite threat of disruption of or interference with the normal operations of SUNY Poly; or (c) in the case of tampering has occurred with any fire detection, notification, suppression, protection system or equipment.

2. During the interim suspension, the accused or respondent shall be considered persona non grata from the residence halls, campus (including classes), and/or other SUNY Poly activities or privileges for which the accused or respondent might otherwise be eligible, as deemed appropriate by the provost, his/her designee or the judicial officer. The accused or respondent must have written permission from the judicial officer prior to coming to campus for any reason.

3. Interim suspension will be imposed for the length of time determined to be appropriate by the provost, designee or the judicial officer.

4. An accused/respondent placed on interim suspension pending a hearing before a judicial body or the reporting individual in cases involving sexual harassment, sexual violence, dating and domestic violence and stalking shall be entitled to a prompt review of the need for interim suspension and the terms of such. Any party seeking a review shall submit a written request to the provost, his/her designee or the judicial officer within three (3) business days of the interim suspension or notification of the alleged complaint. Upon receipt of the request to review, the provost, designee or judicial officer shall allow the accused/respondent and the reporting individual to present evidence relating to the need for or terms of the interim suspension. The decision of the provost, designee or judicial officer shall be made within two (2) business days of the review and shall be final. The accused/respondent and reporting individual shall be notified of the decision with respect to the review.

5. No Contact Order: In certain cases, prior to a hearing before a judicial body, an appropriate SUNY Poly official may issue a directive informing an accused/respondent that he or she is not to have any contact, direct or indirect, with one or more designated persons or group(s) through any means, including personal contact, written contact, e-mail or other electronic communication, telephone, or via third parties. It is the responsibility of the accused/respondent to immediately leave the area where the reporting individual may be and without directly or indirectly contacting the reporting individual.

   a. Any violation of a no contact order by the accused/respondent shall be considered a separate violation of the Student Code of Personal Conduct.

   b. In all cases involving alleged sexual harassment, sexual violence, dating and domestic violence and stalking SUNY Poly shall issue a no contact order.

   c. The accused/respondent and the reporting individual in cases involving sexual harassment, sexual violence, dating and domestic violence and stalking shall be entitled to a prompt review of the need for a no contact order. Any party seeking such a review shall submit a written request to the provost, his/her designee or the judicial officer within three (3) business days of the issuance of the no contact order. Upon receipt of the request to review, the provost, designee or judicial officer shall allow the accused/respondent and the reporting individual to present evidence relating to the need for a no contact order. The decision of the provost, designee or judicial officer shall be made within two (2) business days of the review and shall be final. The accused/respondent and reporting individual shall be notified of the decision with respect to the review.

I. Appeals

1. The respondent or student organization found responsible may appeal the decision in writing to the provost or designee. The appeal must be received in the provost’s office by the close of business on the fifth (5th) business day following the date the decision is delivered. The Appellate Board will be convened within five (5) business days of receipt of the appeal. Grounds for filing an appeal are limited to the following:

   a. The rights of the respondent(s), student organization(s) or reporting individual(s) were violated in the judicial proceeding process;

   b. New information is discovered that was not available at the time of the judicial proceeding;

   c. The information presented does not support the decision;

   d. The sanction(s) imposed were not appropriate for the violation.

3. A quorum of three (3) Appellate Board members composed of at least one (1) student and at least one (1) faculty or staff shall be required for an appeal of a judicial proceeding. The SUNY Poly president shall appoint the membership from the SUNY Poly community (excluding visitors) as necessary. One member of the Appellate Board shall serve as the chair of the body. Members of the Appellate Board must deliberate in a fair and impartial manner and may not have a conflict of interest.

4. The Appellate Board shall consider appeals by students or student organizations from findings and/or recommendations of the Administrative Judicial Board. The Appellate Board may choose one of the following courses of action by majority vote of all voting members (no abstentions):
   a. Uphold the decision of the Administrative Judicial Board and implement the sanction(s), if any.
   b. Uphold the decision of the Administrative Judicial Board, but change the sanction(s).

The provost or designee shall communicate the decision of the Appellate Board to the respondent or student organization, via certified letter and/or e-mail, within three (3) business days of receipt of the board’s decision. If the provost or designee determines that the Appellate Board’s decision is arbitrary or capricious, the provost or designee may send it back to the Appellate Board for further review.

7. A respondent may appeal the decision of the Appellate Board to the SUNY Poly president only when the sanction involves separation from SUNY Poly. This appeal must be submitted to the SUNY Poly president by close of business on the fifth (5th) business day following receipt of the provost’s letter. If the president agrees to consider an appeal, in his or her sole discretion, he/she shall review the records of the Appellate Board, judicial officer and/or the Administrative Judicial Board and such written submissions and oral arguments as the president requests. The president shall make such disposition of the case as he/she deems appropriate, which disposition shall be final.

8. In cases where the reporting individual is a victim of sexual harassment, sexual violence, dating or domestic violence or stalking, he or she has the right to appeal the finding or sanction under the same rules, and for the same grounds, as the respondent may appeal. In such cases the respondent and reporting individual shall be notified concurrently in writing of the appeal decision within six (6) business days of the decision.

J. Timeline for Proceedings
If extraordinary circumstances prevent any step from occurring within the stated time frame, all parties will be promptly notified in writing of the delay, the reason for the delay, and an estimated time for the step to occur. Participants may also request an extension from SUNY Poly, which may be granted, in the discretion of the appropriate SUNY Poly official, if it will not unduly prejudice the rights of the other party.

Article VII: Interpretation and Revision
1. Any questions of interpretation regarding the Student Code of Personal Conduct shall be referred to the provost or his/her designee for final determination.

2. The Student Code of Personal Conduct shall be reviewed every year under the direction of the provost or designee in consultation with the office of University Counsel.

1. The additional campus rules must be approved by the Board of Trustees of the State University of New York and filed with the commissioner of education and the Board of Regents within 90 days of adoption by the Board of Trustees.
   a. The establishment of supplementary rules for the maintenance of public order does not preclude the establishment of student behavior codes by College Councils in accordance with the procedures described in Board of Trustees policy Student Conduct Regulation Guidelines.

C. II. Campus Procedures and Penalties for the Violation of the Rules of Maintenance of Public Order
The Board of Trustees of the State University of New York has adopted campus procedures and penalties for the violation of the rules of maintenance of public order on campuses and other campus properties used for educational purposes pursuant to NYS Education Law §6430, as outlined herein.

A. Procedures and Penalties for Different Categories of Individuals.
1. The president shall inform any licensee or invitee who shall violate any provisions of these rules that his or her license or invitation is withdrawn and shall direct him or her to leave the property of the campus. In the event of a failure or refusal to leave the premises the president shall cause the licensee or invitee’s ejection from the campus.

2. In the case of any other violator, who is neither a student nor faculty or other staff member, the president shall inform the violator that they are not authorized to remain on the property of the campus and direct them to leave the premises. In the event of a failure or refusal to leave the premises the president shall cause the violator’s ejection from the campus’s property.

Nothing in this subdivision shall be construed to authorize the presence of anyone at any time prior to such violation nor to affect his or her liability to prosecution for trespass or loitering as prescribed in the penal law.

3. In the case of a student, charges for violation of any of these rules shall be presented and shall be heard and determined in the manner hereinafter provided in section II.3.b. and section II.3.c. of this policy.
   a. The policy Student Conduct Regulation Guidelines authorized by NYS Education Law §356(3)(g) and codified in 8 NYCRR §500 provides for College Councils to promulgate or review and ratify rules for student conduct subject to supervision of the Board of Trustees of the State University of New York. The rules so established in such local conduct codes are valid only if they are adopted by College Councils in the manner consistent with Trustee policy. The decision to charge a student under such rules in the campus’s local conduct code or those rules contained in section I.A. of this policy must be made. Once the choice is made, the campus must completely adhere to and follow the procedures, processes and penalties described for the path elected. A campus cannot charge a student under both the campus local code of conduct and the rules and procedures set forth in this policy.
   b. Notice, Hearing and Determination of Charges against Students
      i. Whenever a complaint is made to the president of a violation by a student or students of the rules prescribed in section I.A. of this policy or whenever he or she has knowledge that such a violation may have occurred, he or she shall cause an investigation to be made and the statements of the complainants, if any, and of other persons having knowledge of the facts reduced to writing.
      ii. If the president is satisfied from such investigation and statements that there are reasonable grounds to believe that there has been such a violation, he or she shall prepare or cause to be prepared charges against the student or students alleged to have committed such violation.
      iii. The charges shall state the specific offense and section designation of the offense’s prohibition and shall specify the ultimate facts alleged to constitute the offense. Such charges shall be in writing and shall be served on the student or students named therein by delivering the charges to the student or students personally, if possible, or, if not, by mailing a copy of such charges by registered mail to the student or students at their usual place or places of abode while attending campus and also to their home address or addresses, if different.
      iv. The notice of charges so served shall fix a date for a hearing of the charges not less than 10 or more than 15 days from the date of service which shall be the date of mailing where necessary to effect service by mail.
v. Failure to appear in response to the charges on the date fixed for the hearing, unless there has been a continu-
ance for good cause shown, shall be deemed to be an admission of the facts stated in such charges and shall
warrant such action as may then be appropriate. Before taking such action, the hearing committee, referred to
section II.3.c. of this policy, shall give notice to any student, who has failed to appear, in the manner prescribed
in section II.3.b.iv. of this policy, of its proposed findings and recommendation to be submitted to the president
and shall so submit such findings and recommendations 10 days thereafter unless the student has meanwhile
shown good cause for his or her failure to appear, in which case the hearing shall be rescheduled.
vi. Upon demand at any time before or at the hearing, the student charged or his or her duly designated representa-
tive shall be furnished a copy of the statements taken by the president in relation to such charges and the names
of other witnesses who will be produced at the hearing in support of the charges. The provision of the witness
names and statements shall not preclude the testimony of witnesses who were unknown at the time of such de-
mand.

vii. The president may, upon the service of charges, suspend the student named therein, from all or any part of the
campus's premises or facilities pending the hearing and determination thereof, whenever, in the president’s
judgment, the continued presence of such student would constitute a clear danger to himself or herself or to the
safety of persons or property on the premises of the campus or would pose an immediate threat of disruptive in-
terference with the normal conduct of the campus's activities and functions; provided, however, that the presi-
dent shall grant an immediate hearing on request of any student so suspended with respect to the basis for such
suspension.

4. In the case of a faculty member having a continuing or term appointment, charges of misconduct in violation of these
rules shall be made, heard and determined in accordance with title D of Part 338 of the Policies of the Board of Trustees
[see UUP Bargaining Agreement Article 19.]
   a. Penalties – If a faculty member having a continuing or term appointment, is found guilty of misconduct through
      violations of the rules in section I.A. of this policy, he or she may be subject to dismissal or termination of his or her
      employment or such lesser disciplinary action as the facts may warrant including suspension without pay or censure.

5. In the case of any staff member who holds a position in the classified civil service, described in NYS Civil Service Law
   §75, charges of misconduct in violation of these rules shall be made, heard and determined as prescribed in that section.

6. Any other faculty or staff member who shall violate any provision of these rules be dismissed, suspended without pay, or
   censured by the appointing authority as prescribed in the Policies of the Board of Trustees.

7. Organizations which operate upon any campus of the University or upon the property of any University campus used for
   educational purposes shall be prohibited from authorizing the conduct described in section I.A.16. of this policy.
   a. The president at each campus shall be responsible for the enforcement of this section.
   b. Whenever the president has determined on the basis of a complaint or personal knowledge that there is reasonable
      ground to believe that there has been a violation of section I.A.16. of this policy by any organization, the president
      shall prepare or cause to be prepared written charges against the organization, which shall state the rule, and section
      violated and shall specify the ultimate facts alleged to constitute such violation.
   c. Such written charges shall be served upon the principal officer of the organization by registered or certified mail, re-
      turn receipt requested, to the organization's current address and shall be accompanied by a notice that the organiza-
      tion may respond in writing to the charges within 10 days of receipt of said notice. The notice of the charge so
      served shall include a statement that the failure to submit a response within 10 days shall be deemed to be an admi-
      sion of the facts stated in such charges and shall warrant the imposition of the penalty described in section II.A.7.g.
      of this policy. The response shall be submitted to the president and shall constitute the formal denial or affirmation
      of the ultimate facts alleged in the charges. The president may allow an extension of the 10-day response period.
   d. Upon written request, by an authorized representative of the organization, the president shall provide the representa-
      tive organization an opportunity for a hearing. A hearing panel designated by the president shall hear or receive any
      testimony or evidence which is relevant and material to the issues presented by the charge and which will contribute
      to a full and fair consideration thereof and determination thereon. The organization's representative may confront
      and examine witnesses against and may produce witnesses and documentary evidence on its behalf.
   e. The hearing panel shall submit written findings of fact and recommendations for disposition of the charge to the
      president within 20 days after the close of the hearing.
   f. Final authority to dismiss the charges or to make a final determination shall be vested in the president. Notice of the
decision shall be in writing; shall include the reasons supporting such decision; and shall be served on the principal
officer of the organization by mail in the manner described in section II.A.7.c. of this policy within a reasonable
time after such decision is made.
   g. Any organization, which authorizes the prohibited conduct described in section I.A.16. of this policy, shall be sub-
      ject to the rescission of permission to operate upon the campus or upon the property of the campus. The penalty pro-
      vided in this subdivision shall be in addition to any penalty which may be imposed pursuant to the penal law and any
other provision of law, or to any penalty to which an individual may be subject pursuant to this policy or the student code of conduct for the campus.

c. The Hearing Committee and Its Procedures for Charges against Students
   i. There shall be constituted at each campus a hearing committee to hear charges against students of violation of the rules for the maintenance of public order entailed to in section I.A. of this policy. Such committee shall consist of three members of the administrative staff and three members of the faculty, designated by the president, and three students who shall be designated by the members named by the president. The president shall appoint a chairperson of the committee.
   ii. Each such member shall serve until his or her successor or replacement has been designated.
   iii. No member of the committee shall serve in any case where he or she is a witness or is or has been directly involved in the events upon which the charges are based. In order to provide for cases where there may be such a disqualification and for cases of absence or disability, the president shall designate an alternate member of the administrative staff and an alternate member of the faculty, and the president’s principal designees shall designate an alternate student member, to serve in such cases.
   iv. Any five members of the committee may conduct hearings called by the chairperson and make findings and recommendations as hereinafter provided. At any campus where the president determines that the number of hearings which will be required to be held is, or may be, so great that they cannot otherwise be disposed of with reasonable speed, he or she may determine that the hearing committee shall consist of six members of the administrative staff and six members of the faculty to be designated by him or her and of six students who shall be designated by the members designated by him or her. In such event the president shall designate one of such members as chairperson who may divide the membership of the committee into three divisions each to consist of two members of the administrative staff, two faculty members and two students and may assign charges among such divisions for hearing. Any four members of each such division may conduct hearings and make recommendations as hereinafter provided.
   v. The hearing committee shall not be bound by the technical rules of evidence but may hear or receive any testimony or evidence which is relevant and material to the issues presented by the charges and which will contribute to a full and fair consideration thereof and determination thereon.
   vi. A student against whom the charges are made may appear by and with representatives of his or her choice. The charged student but not his or her representatives or witnesses may confront and examine witnesses against him or her and may produce witnesses and documentary evidence in their own behalf.
   vii. There may be present at the hearing: the student charged and his or her representatives and witnesses; other witnesses; representatives of the campus’s administration; and, unless the student shall request a closed hearing, such other members of the campus community or other persons, or both, as may be admitted by the hearing committee.
   viii. A transcript of the proceedings shall be made.
   ix. Within 20 days after the close of a hearing, the hearing committee shall submit a report of its findings of fact and recommendations for disposition of the charges to the president together with a transcript of the proceedings, and shall at the same time transmit a copy of its report to the student concerned or his or her representative. Within 10 days thereafter the president shall make his determination thereon.
   x. Final authority to dismiss the charges or to determine the guilt of those against whom they are made and to expel, suspend or otherwise discipline them shall be vested in the president. If the president shall reject the findings of the hearing committee in whole or in part, he or she shall make new findings which must be based on substantial evidence in the record and shall include them in the notice of the final determination which shall be served upon the student or students with respect to whom it is made.

d. Penalties – Students found to be responsible for a violation of the rules of public order shall be subject to expulsion or such lesser disciplinary action as the facts of the case may warrant, including suspension, probation, loss of privileges, reprimand or warning.

III. Mandates for Enforcement of the Rules for Maintenance of Public Order
A. The Board of Trustees of the State University of New York has adopted enforcement policies for the rules and regulations for the maintenance of public order on campuses and other campus properties used for educational purposes pursuant to NYS Education Law §6430 as outlined herein.

Enforcement Program
1. The president shall be responsible for the enforcement of the rules in §I.A. of this policy and he or she may designate to other administrative officers authorization to take action in accordance with such rules when required or appropriate to carry them into effect.
2. It is not intended by any provisions herein to curtail the right of students, faculty or staff to be heard upon any matter affecting them in their relations with the campus. In the case of any apparent violation of the rules in section I.A. of this policy by such persons, which, in the judgment of the president, does not pose any immediate threat of injury to person or property, the president may make reasonable effort to learn the cause of the conduct in question. They may make a reasonable effort to persuade those engaged therein to desist and resort to permissible methods for the resolution of any issues which may be presented. In doing so, the president shall warn such persons of the consequences of persistence in the prohibited conduct, including their ejection from any premises of the campus where their continued presence and conduct is in violation of these rules.

3. In any case where violation of the rules in section I.A. of this policy does not cease after such warning and in other cases of willful violation of such rules, the president shall cause the ejection of the violator from any premises, which he or she occupies in such violation. The president shall initiate disciplinary action as provided in section II of this policy.

4. The president may apply to the public authorities for any aid, which he or she deems necessary in causing the ejection of any violator of these rules.

5. The president may request the University counsel to apply to any court of appropriate jurisdiction to restrain the violation or threatened violation of such rules.

Definitions
Organization – includes but is not limited to, recognized campus or student government organizations or clubs, alumni organizations, athletic teams and clubs, fraternities and sororities or any group that has access to and uses campus facilities.
COLLEGE POLICIES AND ADDITIONAL INFORMATION

Absentee Policy for Student-Athletes
Each student-athlete must present a Notice of Class Absence Due to Competition form to the appropriate faculty member at the beginning of each semester or sports season. Student-athletes representing SUNY Poly in intercollegiate sports competition may be excused at the discretion of the instructor from required course activities due to participation in scheduled contests or due to travel related to a scheduled contest. The student-athletes are responsible for all material and announcements covered during their absence and should be fully aware that they are students first and athletes second while enrolled at SUNY Poly.

Academic Research Involving Human Subjects (IRB)
Before any research project involving human subjects can be initiated, a review must be conducted by a committee of faculty members (the Institutional Review Board, IRB) appointed to ensure that safe protocols and confidential procedures are followed. A broad range of experimental and survey research methods fall under the auspices of the IRB. Forms may be obtained from the IRB Coordinator.

Behavioral Assessment Team (BAT)
The Behavioral Assessment Team's mission is to foster an environment that focuses on community safety. The BAT works with the campus community to identify students exhibiting behaviors of concern so that the student can be assisted. Faculty, staff, and students are encouraged to report concerning student behavior so that the student can be assisted. BAT composition includes: Associate Provost for Student Affairs and representatives from Health and Wellness/Counseling Center, Residential Life, University Police and Athletics. Additional faculty/staff from Utica and Albany are added to the team to ensure a prompt response to impending concerns.

Cancellation of Classes Due to Inclement Weather or Other Emergency
SUNY Poly has a 24-hour hotline to inform students, faculty and staff when severe winter weather prompts the cancellation of all classes. On-campus, you can call the “Snowline” by dialing ext. 7669 (“SNOW”). Off-campus, Snowline can be reached by calling 315-792-7385. Snowline cards are available at various locations on campus.

In the event of severe weather, Snowline will announce only the cancellation of ALL classes. The cancellation of all classes will also be posted online, at sunypoly.edu, and will be broadcast on radio and television stations in the Utica-Rome, Syracuse, and Albany areas. Individual class cancellations are always available at sunypoly.edu/apps/canceled_classes.

Class Attendance
Although SUNY Poly has no formal attendance policy common to all courses, students are expected to attend class regularly. It is the responsibility of the student to notify the instructor if a class will be missed. Generally, a prolonged absence from class is permitted only for an emergency, such as an illness or a death in the immediate family. Students are responsible for any class assignments missed because of absence, regardless of cause. Faculty members are encouraged to provide specific information about attendance requirements in the course syllabus.

1. The right to inspect and review the student’s education records.

2. The right to request the amendment of the student’s education records to ensure that they are not inaccurate, misleading, or otherwise in violation of the student’s privacy or other rights.

3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

4. The right to file with the U.S. Department of Education a complaint concerning alleged failures by SUNY Polytechnic Institute (“SUNY Poly”) to comply with the requirements of FERPA.

5. The right to obtain a copy of SUNY Poly’s student records policy. The student records policy is published each year in the student handbook.

Procedure to Inspect Education Records
Students may inspect and review their education records upon request to the appropriate records custodian. Students should submit to the records custodian or an appropriate SUNY Poly staff person a written request which identifies as precisely as possible the record or records he or she wishes to inspect.
The records custodian or an appropriate SUNY Poly staff person will make the needed arrangements for access as promptly as possible and notify the student of the time and place where the records may be inspected. Access must be given in 45 days or less from the date of receipt of the request.

When a record contains information about more than one student, the student may inspect and review only the records which relate to him or her.

**Limitation on Right of Access**
SUNY Poly reserves the right to refuse to permit a student to inspect the following records:

3. There is an unresolved disciplinary action against the student;

Record of Requests for Disclosure
SUNY Poly will maintain a record of all requests for and/or disclosures of information from a student’s education records. The record will indicate the name of the party making the request, any additional party to whom it may be redisclosed, and the legitimate interest the party had in requesting or obtaining the information. The record may be reviewed by the eligible student.

Directory Information
A student may prevent the release of directory information by contacting the public affairs office, phone 315-792-7113; fax 315-792-7407, before the first Friday of each semester. A request for an information hold is valid for one semester and must be resubmitted each subsequent semester. Student directory information will not be released for commercial use.

SUNY Poly designates the following items as directory information: student name, parents’ name(s), address, telephone number, date and place of birth, major field of study, class schedule/roster, full- or part-time status, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, most recent previous school attended, e-mail address, and photograph. SUNY Poly may disclose any of those items without prior written consent, unless the public affairs office is notified in writing to the contrary before the first Friday of each semester.

Correction of Education Records
Students have the right to ask to have records corrected that they believe are inaccurate, misleading, or in violation of their privacy rights. Following are the procedures for the correction of records:

1. A student must ask the registrar to amend a record. In so doing, the student should identify the part of the record to be amended and specify why the student believes it is inaccurate, misleading, or in violation of his or her privacy rights.
2. Upon request, SUNY Poly will arrange for a hearing, and notify the student, reasonably in advance, of the date, place, and time of the hearing.
3. The hearing will be conducted by the provost (or designee). The student shall be afforded a full and fair opportunity to present evidence relevant to the issues raised in the original request to amend the student’s education records. The student may be advised by one or more individuals, including an attorney. Advisors are limited to speaking only to the student during the hearing.
4. SUNY Poly will prepare a written decision based solely on the evidence presented at the hearing. The decision will include a summary of the evidence presented and the reasons for the decision.
5. SUNY Poly may comply with the request or it may decide not to comply:
   a. If SUNY Poly decides that the information is inaccurate, misleading, or in violation of the student’s right of privacy, it will amend the record and notify the student, in writing, that the record has been amended.
   b. If SUNY Poly decides that the challenged information is not inaccurate, misleading, or in violation of the student’s right of privacy, it will notify the student of the decision and that he or she has a right to place in the record a statement commenting on the challenged information and/or a statement setting forth reasons for disagreeing with the decision.
   c. The statement will be maintained as a part of the student’s education records as long as the contested portion is maintained. If SUNY Poly dis-
closes the contested portion of the record, it will also disclose the statement.

**Medical Review Policy**

A medical review proceeding can be initiated for a student by directing information to the provost or designee for an initial judgment of whether the process should be invoked. If information indicates that a student’s continued presence on campus constitutes a serious threat to the health or safety of individuals of the campus community or a serious disruption of the normal conduct of SUNY Poly functions, the provost or designee will give written notice to the student requiring that the student cooperate in an appropriate medical or psychological evaluation as determined by the provost or designee. This notification will advise that the student has the right to present medical documentation secured independently and to be accompanied by a support person (friend, relative, faculty member, medical/mental health staff person). Failure to appear for a medical evaluation may result in an involuntary medical dismissal without further process. Official notification of the involuntary medical dismissal will be sent from the president of SUNY Poly. Interim suspension may be invoked by the provost or designee while proceedings for medical review are in progress.

Following the medical evaluation, the provost or designee will receive a report and recommendations from the appropriate staff persons. Some examples of possible outcomes include referrals to medical or mental health agencies, changes in the campus residence, and involuntary medical dismissal. Should involuntary medical dismissal be recommended, and should the provost or designee concur, the recommendation will be forwarded to the president for notice to the student, to be sent within forty-eight (48) hours of the medical evaluation. Involuntary medical dismissal is normally for at least one (1) semester. Following that period, a student may apply to the provost or designee for readmission, presenting, in writing, evidence of treatment for the condition originally identified. If the evidence is appropriate, the provost or designee will arrange for a new evaluation and, depending on the outcome of that evaluation, may recommend to the president continuation of involuntary medical dismissal or readmission.

**Notification of Student Fatality or Serious Injury**

Members of the SUNY Poly community are encouraged to notify the associate provost for student affairs office if word is received about a student death or serious injury. SUNY Poly has established a protocol to offer assistance to the student or his/her family.

**Policy on Drugs and Alcohol**

SUNY Poly prohibits the unlawful manufacture, distribution, possession and/or use of controlled substances or alcoholic beverages on its premises, in its buildings, or at SUNY Poly-sponsored events on or off campus. SUNY Poly must also make a good faith effort to maintain a drug-free workplace, offer drug awareness education, assist students and employees seeking treatment or rehabilitation, notify employees and students of its policy, and implement and enforce the policy. Compliance with the provisions of SUNY Poly’s drug and alcohol policies is a condition of attendance at SUNY Poly. Violators of these policies are subject to discipline, up to and including expulsion from SUNY Poly and referral to appropriate law enforcement agency and/or discipline, under the judicial procedures specified in the Rules and Regulations for the Maintenance of Public Order and the Student Code of Personal Conduct, and/or corrective action(s) as SUNY Poly deems appropriate, including satisfactory completion of an approved drug or alcohol rehabilitation program.

**Student Academic Grievance Procedures**

This document describes the process by which grievances or expressions of concern by students – against members of the faculty or administration – are to be considered and resolved. Department chairs/program coordinators shall serve as a resource for questions or concerns about the process.

A student who believes that he/she has been subject to inappropriate, capricious, or arbitrary treatment by a member of the faculty or administration, shall follow these steps:

1) First, schedule a meeting with the faculty member or administration member to discuss concerns. Every attempt should be made to resolve the potential grievance at this level.

2) If the student believes that the issue has not been resolved, the student should then schedule an appointment with the department chair/coordinator or administrative supervisor who will attempt to facilitate an informal resolution.

3) If this fails, the student may submit a letter of appeal to the dean (or administrative supervisor), which must be sent no later than two weeks after the completion of step 2 and within four weeks of the time the dispute originated.

Upon receipt of a letter of appeal, the dean (or administrative supervisor) shall consult with both the student and the faculty or administration member and formulate a written letter of appeal recommendation. The recommendation shall be completed and issued to the student and faculty or
administration member within four weeks of receipt of the letter of appeal.

If the student feels that further deliberation is necessary, he/she may submit a letter of appeal to the provost. The provost shall review the recommendations of the department (or administrative supervisor) to ensure diligence of consideration and deliberation. Within four weeks, the provost will either affirm the recommendations of the department (or administrative supervisor), or the provost may choose to make other recommendations. The provost shall communicate the results of his/her review to the appropriate parties. In matters of grade dispute, recommendations of a department chair or program coordinator (or administrative supervisor) and the provost are advisory only and are not binding on an instructor.

**SUNY Poly's Communication with Parents/Guardians**

SUNY Poly is guided by the principle that students’ involvement in their own education enhances their learning and development. In keeping with this principle SUNY Poly considers its primary relationship to be with its students. This position is consistent with the provisions of the Federal Family Educational Rights and Privacy Act (FERPA), which guarantees the privacy of educational records. All rights accorded under this law transfer to the student, regardless of age at the time of enrollment at a post-secondary educational institution. When SUNY Poly determines that circumstances merit contacting a parent or guardian or feel that a situation cannot be rectified without contacting a parent or guardian, SUNY Poly may do so subject to law and policy.

We recognize, too, that achieving equal treatment may require proactive measures to offset obstacles and barriers faced by the groups for whom we seek inclusion. We seek to establish the diversity that will provide all of our students with a learning environment to develop leaders and lifelong learners. Our efforts to attract a diverse student body will be enhanced by attracting diverse staff and administrators.

This includes, but is not limited to, admissions, employment, financial aid, and educational services. The policies of the Board of Trustees of the State University of New York also require that personal preferences of individuals which are unrelated to job or academic performance shall provide no basis for judgment of such individuals.
Discrimination Complaint/Grievance Procedures

Students alleging sexual harassment or discrimination brought about by the action of an employee of SUNY Poly may use the SUNY Discrimination Complaint Procedure. A student who files a complaint with SUNY Poly is also entitled to file a complaint with external regulatory agencies.

The Vice President for Human Resources and Special Projects/Title IX coordinator/Affirmative Action Officer is the designated coordinator in SUNY Poly’s continuing compliance with relevant federal and state laws and regulations with respect to non-discrimination issues and allegations of sexual harassment brought against an employee of SUNY Poly. The SUNY Poly Human Resources office may be consulted during regular business hours in Kunsela Hall, Room A011 (Utica), 315-792-7191, or Nano Fab East, 4th Floor (Albany), 518-956-7362.

Student complaints alleging sexual harassment by another student should be directed to the judicial officer, located in the campus life office, for adjudication via the student judicial system.

Sexual Harassment

SUNY Poly is committed to maintaining a learning and working environment which is free of inappropriate and unwelcome sexual conduct and communication that creates a hostile or intimidating learning and working environment for a student or employee.
